Sir,

Sub: GOVERNMENT PRESS - Establishment - Revision of scales
of pay - Temporary staff - continuance.

Ref: G.O. Ms. No. 2883 Education dated 14-9-1949.

The Committee examined the question referred to in the above G.O. in its meeting of 4th October 1949. It is found that the work of the temporary staff is not being properly supervised. Since most of the Service registers are not upto date, the work is being held up. Details of the work remaining to be done have been secured from the Superintendent, Government Press and a copy of the details is submitted herewith. The Committee is of the view that it should be possible, with proper supervision, to finish this work within a period of 4 months from 3-10-49. The Superintendent, Government Press, after some discussion, has agreed before the Committee that he will have the work finished within this period. The temporary staff may therefore be continued till 3-2-1950 and the Superintendent, Government Press given strict instructions that the work should be finished before that date.
