To: The Secretary Board of Revenue Madras

Sir,

States - Pudukkottai - State Press - Sri S. Ramachandram Pillai
officer-in-charge of Stationery and printing - retirement of
proposals
Govt. memorandum No. 95467/48-2 P1 Edn and P.H dated 23/12/48

Sri S. Ramachandram Pillai was the officer-in-charge of Stationery and Stamps under the Ex-Durbar. As soon as the State Press was taken over by the Superintendent, Government Press, in pursuance of G.O. Ms. No. 2736 Education dated 3/11/48, the latter required in his letter No. 81/Mis dated 11/11/48 that the officer-in-charge of the press may be transferred to some other Department with effect from 1/1/49 as he was not required in his Department. The Government in their memorandum cited above also ordered that Sri S. Ramachandram Pillai may be provided with a suitable job outside the State Press or that he may be retired in accordance with the instructions issued in Government memorandum No. 2971/48-1 Public (Pol) dated 31/7/48. Since the post of the Special Officer, Darbar's Accelerated Wells Scheme was then temporarily vacant, I appointed Sri Ramachandram Pillai to this post on his relief from the post of officer-in-charge of the press. The permanent incumbent of the post of Special Officer, Darbar's Accelerated Scheme, has since returned and in consequence Sri S. Ramachandram Pillai is now without a job. There is now no suitable post available for him to which he can be appointed.

2. Sri S. Ramachandram Pillai is an unpassed hand. Excepting a pass in Account Test Part I, he has no other special test qualification. But he is a permanent officer on the scale of Rs. 80-5-140 and is drawing Rs. 110/- in this scale. There is no post in the territory or outside Pudukkottai in which he can be absorbed consistent with his scale of pay and educational qualification. Under clause (ii) of para 2 of G.O. Ms. No. 855 Public (Pol) Department dated 26/3/49, persons possessing inferior qualification but occupying posts which under the Madras Government require superior qualifications should be offered alternative posts to which their qualifications entitle them in Madras, and if they refuse, they have to be retired or discharged on payment of compensation. In pursuance of these instructions, the individual was asked to state whether he was willing to get himself absorbed as lower division clerk. Even for his absorption as lower division clerk exemption from the possession of the prescribed minimum educational qualification had to be given to him. The individual has expressed his willingness to be absorbed as lower division clerk, if he is paid the same scale of pay he was drawing as officer-in-charge of the press. It would not be in the fitness of things to give him the scale of Rs. 80-5-140 for the post of a lower division clerk he is to occupy. Retention of unqualified hands on previous pay scales is permitted under clause (iii) of para 2 of the G.O. referred to but ~~this~~ this is permitted only if their continuance is considered necessary. It is presumed that such continuance should be in the post in which they occupied at the time of the merger. In the case under reference, the officer's continuance in his permanent post of special officer-in-charge of the press or as lower division clerk hereafter is not considered necessary because of the deficiency in qualification. The case does not therefore come under clause (iii) of para 2 of the G.O. As there is no suitable post in which he can be absorbed, he may be retired under clause (ii) of para 2 of the G.O. referred to above.

3. But the individual has been holding a responsible post under the Ex-Durbar despite his being not even a C.S.B.C. He was classed as Head of Department in the State. But for the merger he might have been continued in the post of Special Officer-in-charge of the Press. The officer has requested that he may be retired granting him privilege leave for 8 months and furlough for 2 years in continuation, if he could not be absorbed as lower division clerk on his permanent scale. The request of the individual deserves sympathetic consideration. He has put in so far nearly 23 1/2 years of service and if he is retired at the end of the leave referred to above, he will be getting as his pension half of his average emoluments. In view of the extraordinary

circumstances of the case, I recommend that he may be granted, preparatory to retirement, 8 months privilege leave (dispensing with the production of medical certificate) and furlough for two years in continuation under article 34 of the State Leave Rules. He has the necessary leave at his credit and he is also eligible for it. In para IX of Board's reference No.W.6245/48-10 Confidential dated 26/2/49, the Board has already recommended to Government the suggestion that such of the State servants as are willing to retire may be granted privilege leave not exceeding 8 months without production of medical certificate and furlough not exceeding 2 years subject to eligibility of the leave in either case. This is a fit case for extension of such concession. Similar concession has been shown in G.O.Ms.No.1522 P.W.D. dated 28/4/49 to another State employee viz. Sri V. Marudanayagam Pillai, officer-in-charge of Buildings and Gardens. The same concession may be shown to the individual also and he may be granted the leave applied for and ordered to retire at the end of the leave period. In anticipation of sanction, I am granting him 8 months privilege leave and furlough for 2 years from the date he was relieved of his duties as Special Officer Wells scheme. My action may be approved and orders issued urgently.

REFERENCE.

The Board of invites the attention of the Government to the letter Rc.B9/4146/49 dated 11-6-1949 from the Collector of Tiruchirapalli wherein he has requested them to address the Government of India to take into their departments as many states employees as possible and not to appoint non-state employees in the new offices to be opened in the state area. As it will be very difficult for the Provincial Government to find jobs for all the state employees, the Board strongly supports the request of the Collector of Tiruchirapalli and requests Government to address the Government of India and to issue suitable instructions to their departmental heads in the Province in the matter.

2. Sri S. Ramachandram Pillai ex-officer in charge of stationery and printing, Pudukottah state.

In the circumstances stated by the Collector of Tiruchirapalli in his letter Rc.B9/216/49 dated 16-6-49 the Board recommends that his action in having granted privilege leave for 8 months (without Medical certificate) and furlough for 2 years from the date he was relieved of his duties to Sri S. Ramachandram Pillai, officer in charge of stationery and printing, may be approved. The ex-state officer may be ordered to be retired on full pension on the expiry of the leave and furlough granted to him. In this connection kind reference is solicited to G.O.Ms. 1522 P.W.D. dated 28-4-49 wherein similar concessions were granted to another state officer (Sri V. Maduranayagam Pillai).
