Re.No.2126 K3/48 dated 18-7-1949.

Hostels attached to Government Training Schools for
mistresses - Existing matrons - retention as Deputy
Wardens - proposals submitted.

Ref: G.O.No.2098 Edn., dated 24-8-1948.

I submit herewith the petition dated 3-11-1948
of B.Hanumayamma, Matron, Government Secondary and Training
School for Women, Rajahmundry, requesting that her previous
service as matron may be counted for pension and that some
advance increments may be granted to her and a copy of the
petition dated 30-5-49 from some of the matrons requesting
their continuance as Deputy Wardens of hostels, and to state
as follows:--

In the G.O. cited above, Government approved the
proposal that full time matrons of Hostels attached to Govern-
ment Training Schools for Mistresses, be designated as "Deputy
Wardens", treated as regular Government servants and paid in the
time scale of pay of Rs.35-1-60. The following qualifications
have been prescribed for the Deputy Wardens (women):-

- 1) She should have read up to Form VI.
- 2) She should possess adequate knowledge of the
Regional Language.
- 3) She should have completed 30 years of age on the date of
application for appointment.

Formerly no qualifications were prescribed for
full-time matrons as they were not treated as regular
Government servants. The introduction of the above change
has made the existing matrons ineligible for the posts as
none of them possess the General educational qualification
and consequently they have to be replaced by persons possessing
the prescribed general educational qualification. The total
number of matrons who are to be discharged is 30 of which 10
are either overaged or underaged. The remaining 20 are classi-
fied below according to service as on 24-8-1948.

1) No. of matrons who have put in a service	
of 25 to 30 years.	2
2) do. 5 to 10 years.	9
3) do. less than 5 years.	9
	20

The replacement of the above matrons viz. 20, by
qualified hands will really cause hardship as most if not all
of them belong to the distressed group of the society, consisting
of destitutes and their discharge will turn them adrift.
Further no qualified hands are available for replacement. In view
of the object condition of these matrons, I consider it desirable
to continue them as Deputy Wardens even though they do not
possess the required General educational qualification, since
they have adequate experience.

Government while revising the scales of pay and qualifications of Pandits, Physical Training Instructors etc. in the Madras Educational Subordinate Services permitted the continuance of the existing incumbents without the necessary qualifications as revised. On the same analogy I recommend that Government be pleased to permit the continuance of the 20 matrons as Deputy Wardens of hostels till their retirement.

Formerly matrons were paid Rs.30/- p.m. Now that the minimum of their pay has been fixed as 35/- (their appears to be no need to fix the pay of matrons who have put in less than 20 years. But in view of the long service put in by the petitioner B.Hanumayamma (28 years) and one other matron in the Government Secondary and Training School for Women, Nellore, who has put in a service of 25 years I recommend that Government may be pleased to take into account their previous service of over 20 years and fix their pay suitably in the scales.

Yours faithfully,

The humble representation of B. Hanumayamma,
Deputy Warden of the Hostel attached to the

for women, Rajahmundry.

Sir,

Ref:--G.O.No.MS.2098 Edn., dated 24--8--48
classifying the Hostel Matrons attached
to the Government Training Schools
for Mistresses as Deputy Wardens under
Madras General Subordinate Service and
fixing up a scale for them.

=====

I beg to state that I am working as full-time
Matron of this Hostel from 18--3--1920, thus completing
28 years of service by now. All these years I have been
discharging my duties to the entire satisfaction of my
superiors managing this big and unwieldy hostel.

I was at first entertained on Rs.35/- and later
the Matrons' pay was reduced to Rs.30/- in accordance with
G.O.No.1713 Mis., Law & Edn., dated 7--12--1923.
No privileges of leave, Provident Fund or Pension were
allowed to Matrons. Subjected to all these humiliations,
I served for 28 years, a period which would have entitled
a regular Government servant to full pension. On and
often I submitted representations to the Government
imploring them to raise the status of Matrons taking into
consideration the arduous and important duties attached
to the post. With the hope of salvation at any future
date, I dragged on in service, counting up every day of
service to my credit. My pay and the conditions of
service did not permit me to accumulate any thing to shape
my retired life.

The Government have been pleased, by the above G.O.
to improve the status of the matrons. But, in doing so,
no consideration whatsoever has been shown to persons of
my type, who have rendered long service and about to retire.
I beg to state that I am 48 years old and can serve for
7 years at the utmost, a period which would neither earn me
a pension nor would enable me to shape my retired life.
Even my pay would not raise beyond 42/- by the time I retire.

Under these circumstances, I humbly appeal to the
mercy of the Government to sympathetically view the plight
of the poor woman, who has rendered faithful service all these
years, pledging her whole life and energy to Government
and to kindly treat my previous service of 28 years as
counting for pension and also awarding advance increments
on weightage basis as is done in case of other Govt. servants
in G.O.No.78 Fin., D/28-2-47, taking into consideration my
previous service, which is all continuous.

I beg to remain,

Sir,

Your most obedient servant,

B. Hanumayamma.

dated 25-3-1949.

We, the undersigned matrons of hostels attached to
the Government schools for Mistresses in the VI Circle humbly beg
to submit our grievances to you for favour of sympathetic consider-
ation:-

Consequent to the Government Order referred to
above we are going to be discharged from service as we have not
studied up to the VI Form, although we possess all other qualifi-
cations prescribed for Deputy Wardens.

We beg to submit that we have been discharging our
duties as matrons to the entire satisfaction of our superior
officers. We have not given room for any complaint as regards our
work or conduct. Most of us have put in more than 3 years service
as matrons. All of us have a very fair working knowledge of
English - we can read, write and speak it well. We are also good
at figures and we have been keeping our hostel accounts correctly
and satisfactorily. Although we are very poor and had to leave
school before completing S.S.L.C. course due to poverty. We belong
to respectable families and we have throughout our service very
anxiously and carefully guarded and maintained the good name of
the hostels in our charge. Our efficiency for work has never been
questioned by our superior officers. It is, therefore, most dis-
heartening to us that we should be sent out of service for the
simple reason that we have not studied up to Form VI. As Govern-
ment servants have generally more security of tenure, we believed
that our position as matrons was also secure as long as our work
and conduct were satisfactory. But to our great grief and dismay
we are now ordered to be ousted. All along we hoped and prayed
that the qualifications prescribed in the G.O. in question would
apply only to future entrants and not to us who have been in ser-
vice for so long. We are extremely poor. We have no one to depend
on for our maintenance. Some of us are orphans without brothers
and sisters. If we are thrown out of our present employment we
need hardly submit that we will soon be in sorrowful plight. We
shudder at the thought of it. Starvation stares us in our face.
Had we any other means of subsistence we would not have troubled
you with this petition. We are quite helpless and very soon we

will be in great distress and privation. We have served in your department loyally and faithfully and we hope and pray that you may be graciously pleased not to send us out for no fault of ours. We humbly beg that you may be pleased to exempt us from the educational qualifications prescribed for deputy wardens. For which act of kindness and charity we shall ever remain grateful.

Re. No. 1131 K3/49 dated the 8th September 1949.

Sir,

Hostels - Hostels attached to Government Training Schools for Women - posts of Deputy Wardens - Continuance - Sanction requested.

Ref: G.O. Ms. No. 2098 Edn., dated 24-8-1948. M/P 31/3205

In the G.O. cited above, Government ordered that the full time matrons of Hostels attached to Government Training Schools for Women, might be designated as "Deputy Wardens" and treated as regular Government servants and paid in the time scale of R. 35-1-60. In Government Memorandum No. 76559/48-2 Cl. Edn., dated 12-11-48, it was stated that the sanction accorded in paragraph 1 of the G.O. cited above shall be for one year from the date of creation of the temporary posts of Deputy Wardens. As the posts of Full-time matrons were automatically converted into posts of Deputy Wardens, I presume that the date of creation of the temporary posts of Deputy Wardens should be the date of the G.O. sanctioning the conversion of these posts viz. 24th August 1948. If my presumption is correct the sanction accorded for the posts has expired by the 23rd August 1949, and I request that Government may be pleased to sanction the continuance of the posts of Deputy wardens of Hostels attached to the Government Training Schools for Women specified below for a further period of two years from 24-8-1949, as there is absolute need for these posts.

I am instructing the Inspectresses to continue the posts of Deputy Wardens in anticipation of sanction of Government and request that my action may kindly be approved.

Hostels attached to Govt. Training schools for mistresses -
Retention of existing matrons as Deputy Wardens.

From the D.P.I. No.2126 K3/48 dated 18--7--1949.

Prior to the issue of orders in G.O.No.2098 Edn., dated 24-8-1948 no qualifications were prescribed for full time matrons of hostels attached to Govt. Training schools for mistresses. In G.O.No.2098 Edn. dated 24-8-48 the Government approved the proposal of D.P.I. that full-time matrons of hostels attached to Govt. Training schools for mistresses, be designated as "Deputy Wardens", treated as regular Govt. servants and paid in the time scale of pay of Rs.35-1-60. The following qualifications were also prescribed for the Deputy Wardens.

- (1) She should have read upto Form VI.
- (2) She should possess adequate knowledge of the Regional language.
- (3) She should have completed 30 years of age on the date of the application for appointment. The introduction of the above qualifications has made the matrons who are already in service ineligible for the posts as none of them possessed the prescribed general educational qualification and consequently they have to be replaced by persons possessing the necessary educational qualification. The total number of matrons who will then be affected by the introduction of these qualifications is 30 of whom 10 are either overaged or underaged. The remaining 20 are classified below according to service as on 24-8-1948.

1. Number of matrons who have put in a service of 25 to 30 years.	..	..	2
2. Those who have put in 5 to 10 years of service.	...	..	9
3. Those who have put in less than 5 years of service.	...	..	9

The D.P.I. considers that the replacement of these 20 matrons by qualified hands will cause hardship to them as most of them belong to the distressed group and that their discharge

discharge will turn them adrift. He also reports that qualified hands are ^{not} available for replacing these 20 matrons. He therefore considers it desirable to continue them as Deputy Wardens since they have adequate experience though they do not possess general educational qualifications. For the reasons stated by the D.P.I. his proposal may be approved.

The D.P.I. considers that the pay of matrons in the Govt. secondary and Training school for Women, Rajahmundry, and in the Govt. Secondary and Training School for Women, Nellore, should be fixed ^{suitably in the scale} in view of the long services put in by them, namely 28 years and 25 years respectively, and recommends that ~~their pay may be fixed suitably in the scales.~~

This proposal also may be approved. Finance may see for remarks before circulation.

10/8/49
JP

The scale of pay of Rs.35-1-60 was sanctioned for persons to be recruited with the qualifications laid down in the G.O. It does not seem that the scale of pay with pensionary rights, etc. shall be given to existing incumbents who do not possess the qualifications. As the Director states that persons with the requisite qualifications are not available, the existing incumbents may be continued on the minimum of the scale of pay, viz., Rs.35/-. Vacancies that may arise in future may be filled, according to the rules laid down in the G.O. Finance may be requested to advise as to the ^{stage} ~~scale~~ at which the pay of the two matrons referred to in the last paragraph of the D.P.I.'s letter may be fixed.

It may be hard to turn them out, but increase in pay is not justified.

A revised draft is submitted
of increased salary.

(Previous Finance note on pp.3-4 above).

In G.O.No.2098,Edn.,dated 24-8-1948, the Govt.
approved the proposal of the D.P.I. that fulltime matrons
of hostels attached to Govt. Training Schools for ~~Mistresses~~
mistresses be designated as "Deputy Wardens", treated as
regular Govt. servants and paid in the time-scale of pay
of Rs 35-1-60. The following qualifications ^{was also} are pres-
cribed for the Deputy Wardens:-

- (1) should have read upto Sixth Form;
- (2) Should possess adequate knowledge of regional language;
- (3) Should have completed 30 years of age on the date of application for appointment.

The D.P.I. has stated that the introduction of the above
change has made the existing matrons ineligible for the
posts as none of them possesses the general educational
qualification and consequently they have to be replaced by
persons possessing the prescribed general educational
qualification. The total number of matrons who are to be
discharged is 30 of which 10 are ^{either} overaged or underaged.
Out of the remaining 20 matrons, the D.P.I. has suggested
that 18 of them may be retained in service on the minimum
of the revised scale of pay, viz. Rs 35 and that the pay of
the other 2 matrons in the Govt. Training Schools for Women
at Rajahmundry and Nellore may be fixed at a suitable stage
in the revised scale taking into consideration their pre-
vious service of over 20 years. H.M.(E. & L) has minuted
in this connection as follows:--

"They may all be retained on the minimum
of the salary now fixed. Regarding Nellore and
Rajahmundry matrons who have put in over 20 years
service, they may start on Rs 40/- in the scale of
Rs 35-1-60".

2. As these matrons do not possess the qualifica-
tions prescribed in G.O.No.2098,Edn.,dated 24-8-1948 the
rules mentioned therein will have to be relaxed in their
favour if they are to be retained in service. In these
circumstances explained by the D.P.I. at 'C' on p.1 C.F,
Finance may agree to the retention of in service of these
unqualified matrons. As the Service Rules have to be

6. relaxed, E.& P.H. may be requested to consult Pub.(Ser) also.

As regards the pay to be allowed to these matrons, it is submitted that, whenever unqualified hands are retained in service or employed afresh, they are allowed only the minimum of the sanctioned scale of pay of the post. Finance may therefore advise that the pay of the matrons excluding the ^{two} who have put in over 20 years of service may be fixed at Rs 35/- p.m. which is the minimum of the revised scales. As regards the 2 matrons who have put in over 20 years of service, Finance may perhaps agree to their pay being fixed at Rs 40/- as suggested by H.M.(E.& L). But in both the cases, the matrons will not be eligible for any increments in future, as their retention in service is in itself a concession. As they are not eligible for regular appointment for Deputy Wardens, they cannot draw increments in the regular time scale of Rs 35-1-60.

Your presumption is ^{not} correct. The orders in G.O. No. 3241 Edn 24-10-49 should be deemed to effect only from the date of issue of that G.O. i.e. 24-10-49

The post copy of the T.M. from the D.P.I. on p. 1 above may be perused. The orders in G.O. No. 2098 Edn 24.8.48 apply only to qualified wardens who satisfy the conditions laid therein for employment as Deputy Wardens in Govt. Trg. Schools. But in G.O. No. 3241 Edn 24-10-49, Govt have ordered the retention of the unqualified matrons mentioned therein as a special case, after relaxing the special rules laid down in G.O. No. 2098 Edn 24.8.48. As this is in itself a concession, the orders in G.O. No. 3241 Edn 24-10-49 should be deemed to take effect only from the date of issue of the G.O. that is, 24-10-49, even though no specific reference to this effect is made in the G.O. Encl. 4
