From The Director of Public Instruction,

To The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Contingent expenditure, delegation of powers to the Chief Inspector of Physical Education to incur expenditure.

59214

The Chief Inspector of Physical Education is not at present delegated with any powers to incur contingent expenditure on the purchase of furniture apparatus, books etc., with the result that for each and every purchase he has to obtain my sanction even though the amount involved is sometimes quite trivial. In order to avoid congestion of work and delay in my office I consider that the Chief Inspector should be delegated with some powers to incur contingent expenditure. In this connection it may be pointed out that the Women Specialist in Physical Education is at present delegated with the following powers:-

Furniture etc.,	Rs. 100/-	
Books, maps etc.,	Rs. 50/-	(Annual limit)

In the circumstances explained above I request that Government may be pleased to delegate to the Chief Inspector of Physical Education powers to incur contingent expenditure as in the case of the Woman Specialist in Physical Education.

Yours faithfully,

J. O. Lawrence & Co.
