NATIONAL CADET CORPS - Senior Division - Office
of the 1st and 2nd Madras Infantry Battalions and 3rd

taken over from the defunct U.O.T.C.

From the Officer Commanding the 1st Madras Infantry

Please see the letter from the Officer Com-
manding the 1st Madras Infantry Battalion of the National
Cadet Corps on page 1 c.f.

2. The two infantry units of the U.O.T.C. in
this Province were ordered to be disbanded by the Govern-
ment of India with effect from the 15th July 1948. From
that date, the staff employed in the offices of those
two units were taken into the National Cadet Corps and
employed in the offices of the 1st Madras and 2nd Madras
Infantry Battalions, N.C.C., Fort St. George and Tiru-
chirapalli, respectively - Vide G.O.No.1942 Education,
dated the 5th August 1948. Subsequently, certain members
of those staff were transferred to the 3rd Madras Engr.
Centre as they were found surplus according to the N.C.C.
scale. The question has now been raised by the A.G.
whether the staff has been taken over on a permanent
basis or on a temporary basis and if so, for what period.

3. It has been decided that the above posts
should be included in the various services under this
Government and it is proposed to relax the service rules
concerned to the extent necessary in favour of the staff,
so that they may not be affected by the adverse effect
of the service rules. The question of taking into acct.
the service rendered by them in the defunct U.O.T.C.
is under consideration separately and a reference has
been made to the Director, National Cadet Corps, New
Delhi, whether the Government of India would bear the
leave salary and pensionary contribution for that period.

1st and 2nd Madras Infantry Battalions and the 3rd
Madras Engineer Centre of the National Cadet Corps under
G.O.No. 1942 Education, dated the 5th August 1948, be
deemed to have been employed temporarily for a period
of two years from 15th July 1948, the date on which the
U.O.T.C. was abolished.

2. Orders will be issued separately on the
question as to how the service rendered by the staff in
the Ex-U.O.T.C. should be treated.

E.T.H.

If they agree to meet the leave salary and pensionary contribution, there will be continuity of service for the staff and the posts will have to be made permanent. If the previous service of the staff is not taken into account and they are treated as temporary, it will be a hardship to them. In the circumstances, the posts may be placed on a permanent basis from 15-7-1948.

4. The remarks of Finance may be invited U.O.

The staffs employed in the newly formed units in the current year viz. the E.M.E unit mainly, the Medical unit and the two units at Annamalainagar, have ~~been~~ ^{been} treated as having been employed on a temporary basis for a period of two years from the dates of appointment. But the members taken over from the defunct U.O.T.C units (Central Govt) into the N.C.C units formed from 15-7-48 (the date on which the U.O.T.C units were abolished) should be considered as having been employed on a permanent basis with a view to ensure continuity of service. Some of them have been put in 15 to 20 years of service ~~under~~ ⁱⁿ the U.O.T.C. As stated in para 3 overleaf the question of taking into account their ^{previous} service has been referred to the Director N.C.C, New Delhi. As the N.C.C units have been raised in pursuance of an Act of the Central Legislature, the units will remain. As suggested by the AG, an order that the establishment has been taken up by the Govt. as a permanent measure, may be issued.

The notes of E.& P.H. on pages 1-2 above may be perused. The National Cadet Corps, which has replaced the ex U.O.T.C. is a new scheme started in August 1948. Usually for such new schemes, additional staff is sanctioned only on a temporary basis, say for a period of one or two years, to start with. As it will take some years more for the newly formed N.C.C. to settle down, it seems preferable to treat the posts sanctioned ^{for} ~~under~~ this scheme ^{only} as temporary. In fact the staff employed in the newly formed units under the N.C.C. viz. E.M.E. and the Medical Units, have all been sanctioned only on a temporary basis. The question of taking into account the previous service of the members taken over from the defunct U.O.T.C. is separately under consideration and if it is decided to take into account their previous service, even then there is no objection to appoint these members on a temporary basis in the first instance and make them permanent in the usual course, ~~in the usual course~~ ^{because} their entire temporary service i.e. both their previous service in the U.O.T.C. and their temporary service in the N.C.C. will be taken into account when they are eventually confirmed. Finance may, therefore, advise that the posts sanctioned for the N.C.C. may be on a temporary basis for a period of 2 years in the first instance.

Please see the note of the Finance Dept. above. In the circumstances stated therein, it is for orders whether the suggestion at 'M' above may be accepted. If so, the posts under reference may be continued for a period of two years from 15-7-49. P. above. Service upto 14-7-48 in the defunct U.O.T.C. was permanent, under the Govt. of India. Public may also see the case.

The notes of E & P. H. and Finance on H. 1-3 ante may be perused.

2. As it is proposed to sanction the ministerial and inferior posts in the N.C.C. units only on a temporary basis for the present, certain proposals in the linked file require modification.

The M. M. S. Rules, the M. I. S. Rules and the M. C. S (C. C. & A) Rules need not be amended as proposed in the last sentence of para 3 of draft I in the linked file. Ad hoc rules will have to be issued by E & P. H. in respect of the temporary posts (ministerial and inferior) in question treating them as temporary additions to the relevant cadres in the Ministerial and Inferior Services and draft I in the l.f. will have to be revised suitably. E & P. H. will no doubt let this dept see the revised draft before issue.

3. With the above remarks the file may be returned to E & P. H.

cf M mp 2 above + pp 34-35 of l.f. Even if this is true (after verification) it does not alter the position stated at M mp 34-35 so long as P will operate this 17.10.49

Finance may again see the statement at P on p.3 ante. As stated on p.2 ante service ranging from 15 to 20 years up to 14-7-48 was on a permanent basis under the Govt of India. The same staff has been taken from 15-7-48 under this Govt. in pursuance of the N.C.C. Act. It would appear that an exception should be made in this case so as to ensure continuity of permanent service.

Finance (E.M.)

(Per Finance note on p.3 above)

The notes following may be perused. On page 2 above, E & P. H. have merely presumed that the members taken over from the defunct W.O.T.C. units should be considered as having been employed on a permanent basis with a view to ensure continuity of service. In fact the question of taking into account their previous service in the defunct W.O.T.C. has been referred to the Director of N.C.C. Delhi, and no reply has yet been received from him. In view of this position it is not clear how the statement above will be correct.

Further there seems to be no harm in treating the posts sanctioned for the N.C.C. on a temporary basis in the first instance and consider their permanent retention after in the usual course, i.e., after 5 years.

because ~~more~~ ^{more} of the persons who have put in 15 to 20 years of service in the defunct N.O.T.C. is ~~going~~ ^{likely} to retire in the meanwhile, and as stated at 'P' on p 3 above, their entire service is service in the defunct N.O.T.C. and the new N.C.C. will be taken into account when they are eventually confirmed.

He may therefore adhere to the views already expressed at M on p 3 above.
