SIR,

Subject:- Schools - Secondary - Aided - Creation of Endowments
Reference:- (i) G.O.No.2501 Edn., dated 1--10--1948. (H)
(ii) G.O.No.2788 Edn., dated 8--11--1948. (H)

(H) Government have ordered that schools opened prior to 1--4--1940 may be exempted from providing an endowment and that schools opened during the period from 1--4--40 to 31--3--1948 may be permitted to build up an endowment within a period of 5 years from 1--4--1948. A question has arisen whether it is not necessary to make a distinction in cases where the Middle School sections were opened and recognised long before 1--4--1940 but the High School sections of which were opened subsequent to 1--4--1940 during the year 1940 to 1948. For instance, the Middle School forms of the S.P.G.High School, Cuddalore whose recognition application is pending disposal at the moment were opened as far back as 1909 and are enjoying permanent recognition while Form IV was opened only in 1945. In such cases when a sufficiently long interval has elapsed between the opening of the Middle School and the High School, I consider that a fresh endowment of Rs.20,000/- may be insisted on. This will also be in conformity with the general instructions issued by me in Proceedings Rc.No.722 D3/48 dated 20--7--1948 a copy of which was also submitted to Government with my Roc.No.476 D3/48 dated 18--11--1948.

(A) I request that orders on this question in general may be kindly issued.

Yours faithfully

hshamamix

Schools - Secondary - Aided - Middle Schools opened prior to 1.4.1940 - Amount of endowment to be provided on conversion into high schools - Orders passed

From the DPJ, Rec. no 1113 D3/48, 313.12.48

Order no 326 Education dated 8/10/49

Under the existing orders, managements of aided Secondary schools opened prior to 1.4.1940 are exempted from providing an endowment for their maintenance while those of schools opened after 1.4.40 are required to provide an endowment within a specified period. The question has been raised whether in cases where the middle sections were opened and recognised before 1.4.1940 but the high school sections of which were opened subsequent to 1.4.1940 the endowment of Rs 35,000 for a full fledged high school should be insisted on. The Govt accept the proposal of the DPJ that in such cases, it will be sufficient to require the management of the school concerned to provide an endowment of Rs 20,000.

Schools - Secondary - Aided - Middle schools opened prior to 1-4-1940 - Creation of Endowment on conversion into High Schools. ~~after 1-4-1940~~

From the D.P.I. Roc. No. 1113 D3/48 dated 13-12-48.

Under the existing orders, managements of schools opened prior to 1-4-1940 are exempted from providing an endowment, whereas the managements of schools opened after 1-4-1940 will have ^{to} create endowments for the maintenance of the schools. The D.P.I. has brought to the notice of Govt. of a case viz. the S.P.G. High School, Cuddalore, ^{where} a middle school ^{has} which was opened prior to 1-4-1940 has been expanded into a High school at a later date. The Director suggests that in all such cases an endowment and states that it will conform to the instructions issued in his proceedings on of Rs. 20,000 may be insisted upon. As the schools of this category ~~occupy an anomalous position in that they~~ cannot be deemed either as old schools or new schools for the purposes of creation of endowments, it is for consideration whether the suggestion of the D.P.I. may be accepted. Mention may be made in this connection that H.M. (Education) has minuted independently ~~on~~ in another file that this limit may be applied in all such cases.

The file may be circulated to H.M. (Edn.) for orders.
