R.O.C.No.1441-K1/49 dated 23 September 1949.

Sir,

SUB: BUILDINGS - Government Secondary & Training School
for women, Vellore - Putting up an upper storey to
the block of six class-rooms at an estimated cost
of Rs.40,000/- - Proposals - Submitting.

-X-

REF: G.O.Ms.No.2735-Education dated 2-11-1948.

In connection with Part II of the Budget Estimate for
1950-51 I submit the following proposal for putting up an upper
storey to the block of 6 class-rooms in the Government Secondary
and Training school for women, Vellore at an estimated cost of
Rs.40,000/-.

The accommodation now available for the school is quite
inadequate and at present some of the classes are held in verandahs.
The strength of the school is increasing. It is, therefore, quite
essential that additional accommodation should be provided for the
school without delay. The position was already explained to Govern-
ment in detail in my letter R.C.No.795-F4/48 dated 27-9-1948 while
submitting proposals for the provision of additional accommodation
for the school by putting up an upper storey to the block of six-
class-rooms constructed during 1943. Government, however, ordered
that in view of the financial stringency, the proposal should be
deferred - vide G.O.Ms.No.2735 Education dated 2-11-1948.

3. As already stated above, the school is very badly in need
of additional accommodation. I, therefore, request that Government
may kindly accord their approval to the proposal for putting up an
upper storey to the block of six class rooms at an estimated cost
of Rs.40,000/- and provide necessary funds therefor in the budget for
1950-51.

2. A plan of the block for which an upper floor is now pro-
posed to be provided, and a copy of the Executive Engineer's letter
No.2275 M dated 10-9-1948 furnishing the approximate estimate for
Rs.40,000/- are enclosed for the information of Government.

Yours faithfully,

for Director of Public Instruction.

SCHOOLS - Government Secondary and Training School for Women, Vellore - Construction of an upper storey of six class rooms - Part II Scheme for 1950-51.

From the Director of Public Instruction, R.O.C. No. 1441-K1/49 dated the 23rd September 1949.

In connection with the Part II Scheme for 1949-50, the Director of Public Instruction submitted proposals for the construction of an upper storey of six class rooms in the Government Secondary and Training School for Women, Vellore; but it was ordered to be deferred in view of the financial stringency and the high cost of building materials and labour. The Director has now renewed the proposal for consideration as a Part II Scheme for 1950-51. In the circumstances explained in his letter in the c.f., the Director recommends that the proposal may be approved. The Director's recommendation may be accepted and the proposal may be put forward as a Part II Scheme for 1950-51.

2. The remarks of P.W.D. and Finance may be invited U.O. prior to circulation.

Notes above of E. & P.H. may be perused. It is presumed that the proposal is this Dept. may agree to the proposal at A above. E. & P.H. will no doubt circulate the case to H.M. (P.W.) also. The file may be passed on to him.

Finance (B.E.II) Dept.

Part II Scheme for 1950-51.

Construction of an upper story of six class rooms for the Government Secondary Training School for Women, Vellore.

Estimated Cost Rs 40,000

The proposal was considered in connection with the Part II Budget for 1949-50 but it was ordered to be deferred in view of the financial stringency and the high cost of building materials and labour. The policy of the Government is still to defer all building schemes in view of the high cost of materials and labour. Further, only really and immediately essential schemes are considered as Part II Schemes for 1950-51, as the ways and means position next year is going to be very difficult. In view of the above, Finance may suggest that the proposal may again be deferred this year also.
