Re.No.8019 K3/46 dated 12-9-1949.

Sir,

Sub: Schools - Government Training Schools - Employment
of B.T.Assistants in lieu of Secondary Grade
Teachers - proposals - Part II - submitted.

Ref: G.O.No.820 Edn., dated 23rd March 1949.

In G.O.No.893 Edn., dated 15-4-1948 Government approved the principle that the existing secondary grade teachers and 7 Pandits in Government Elementary Grade Training Schools be replaced by B.T. or B.Ed. Assistants in the course of four years beginning with the school year 1948-49 and sanctioned the conversion during 1948-49 of 27 posts of secondary grade teachers and two permanent posts of Pandits into those of B.T.Assistants in the Government Training Schools mentioned in Appendix I to the Government Order under reference. Proposal for the employment of 29 B.T.Assistants in lieu of secondary grade teachers in Government Training Schools were submitted to Government in connection with Part II schemes for 1949-50, but Government in their order No.820 Edn., dated 23-3-1949 did not approve the proposal but stated that the proposal might be renewed later on. There are no new factors in the proposal as this is only a part of the original proposal approved by Government in their Order No.893 Edn., dated 15-4-48. I furnish below the names of Training Schools for masters and the number of posts of secondary grade teachers to be converted into B.T. or B.Ed. Assistants and request that Government may be pleased to sanction the conversion of these posts into B.T.Assistants with effect from the school year 1950-51. No recommendations are made in respect of Government Training Schools for Women, due to paucity of Trained Graduates.

The posts of 27 Secondary Grade teachers already converted into B.T. Assistants posts in G.O.No.893 Edn., dated 15-4-48 and those now proposed for conversion are permanent posts. There are still some posts. Proposals for the conversion of these and the temporary posts including Pandits will be submitted in 1950-51 and 1951-52. Of the schools specified above, schools with serial Nos.10 to 20 have two posts of secondary grade teachers. Sanction was accorded in G.O.No.893 Edn., dated 15-4-48 for the conversion of one post into B.T. Assistant from the School-year 1948-49. The other post in these schools is included for conversion from the school year 1950-51.

The extra cost involved in the proposal taking into account the Dearness allowance and the House Rent Allowance is furnished below.

From the D.P.I. No. 8019 K3/46 dated 12-7-49

Li. only put up
Compare note on P12 of (V)

In 1947, the D.P.I. proposed that the posts of
115 teachers (108 Secondary grade and 7 Pandits) in
Govt. Training Schools may be replaced by
B.T. or B.Ed. Assts, the replacement being made
gradually in the course of 4 years. He considered
that 'both from the point of view of general and
professional education the Secondary grade teachers
are not persons fit to be on the staff of training
schools and that they should be replaced by B.T. or
B.Ed. Assistants in all the Training Schools in the
interests of efficiency and better training of
elementary grade candidates and also in order to
make provision for the better teaching of languages
that at present in these schools'. To begin with
the Director recommended that 29 B.T. or B.Ed.
Assistants might be appointed during 1948-49
in the place of 27 Secondary grade teachers and
2 pandits. The proposal was approved in
Li.O. No 893 Edu dated 15-4-48, after being considered
as a Part II scheme.

(S)

10/1-3CP of (V)

Last year, the D.P.I. proposed the employment
of B.T. or B.Ed. Assistants in lieu of 29 additional
Secondary grade teachers in the Govt. Training
schools involving an additional cost of Rs 12,000
during 1949-'50 and Rs 26,000 ultimate. The proposal
was considered as a Part II scheme for 1949-'50.
The S.F.C. recommended that the proposal should
be negatived. The recommendation of the S.F.C.
was accepted in this dept. The D.P.I. was

P 14 of (V)

however asked to renew his proposal after some time

The D.P.I. has now submitted proposals for the conversion of 21 Secondary grade teachers posts in the various Govt. Training Schools into B.T. Assistants posts involving an additional expenditure of Rs 8100 per annum during 1950-51 and an ultimate expenditure of Rs 18,186 per year

The D.P.I. has not adduced any new grounds in support of his proposal except that the principle of conversion of Secondary grade posts into B.T. Asst. posts has been approved by the Govt. in G.O. No. 893 Edu dated 15-4-'48

Since the proposals were already considered last year and were rejected and since the same conditions exist now also, it is for consideration whether the proposals of the D.P.I. may be deferred now also

Finance may see for remarks before circulation

28/9/49
20/9/49
The proposal was negatived last year in view of financial stringency. The proposal is necessary in view of

the increasing importance given to the study of regional languages.

The proposal may be treated as Part II scheme.

Finance (E.III)

Notes on pp 1-2 above may be perused.

In G.O. No. 820 Education dated 23-3-49 the Govt.

negatived the proposal of the D.P.I. for the conversion

E & P. H. U.O

of 29 Secondary Grade Teachers' posts into those of B.T. or B.Ed. Assistants during 1949-50 in view of the financial stringency and suggested that he might renew the proposal later on. In connection with the Part II Scheme for 1950-51, the D.P.I. has renewed the proposal. He has now proposed the conversion of 21 Secondary Grade Teachers' posts in the various Government Training Schools into B.T. Assistants' posts. The expenditure involved is as follows-

Cost in 1950-51 : Rs. 8,100

Ultimate cost : Rs. 18,200 per annum recurring.

E & P.H. have supported the proposal of the D.P.I. in view of the increasing importance given to the study of regional languages.

2. Attention is invited to the notes of this Department, the minutes of H.M. Education and the decision of the S.F.C. on pp 145 of (V). It is no doubt true that the Government approved in principle the proposal of the D.P.I. that the existing Secondary Grade Teachers and Pandits in the Government Elementary Grade Training Schools be replaced by B.T. Assistants in the course of four years beginning with the school year 1948-49. The important considerations, however, are the criteria laid down by the Government for the submission of Part II Scheme each year and the financial position. The proposal is neither imperative nor immediately essential for the running of the Department. It does not also satisfy any of the criteria laid down in G.O. 810 Finance dated 6-8-49 for being considered as a Part II Scheme for 1949-50. The present financial position is far from satisfactory. In the circumstances, the curtailment of expenditure on non-essential schemes is all the more necessary and this Department may suggest that the scheme may be deferred for better times.

3. If, however, E & P.H. wish to press the matter, they may be requested to take orders in circulation including H.M. (Finance) as to whether the present proposal may be brought forward as a Part II scheme for 1950-51 and if

8-4-49

approved in circulation, they may prepare the necessary Part II scheme note.

This dept. may however press for the proposal being treated as a Part II scheme for 1950-'51 in view of the increasing importance given to the study of the regional languages.
