INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently or as special the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.
(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item had been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(c) For rules regarding printing of notes, see the chapter on printing and proof correction in the Secretariat Office Manual.

(d) The number of copies and the details of distribution should be filled in by the Superintendent or clerk concerned.

(e) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(f) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked special of urgent unnecessarily, he should send the Press slip to the Assistant Secretary with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should be printed. The Superintendent of the may bring to the notice of the Assistant Secretary any instance of incomplete careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished: it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Ministers or Advisers should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.

Rc.No. 902 B2/49 dated 28-8-1949.

Sir,

Elementary Education - Local Body Schools - Alteration
in teaching staff - consultation with the Inspect
Officers - Amendment suggested.

Ref: G.O.No.3239 L and M dated 12-8-32.
G.O.No.4785 L and M dated 1-12-32.

It is laid down in Rule (3) (i) of the above
G.Os that where it is proposed to add, to, reduce or alter
the teaching staff of Board or Municipal Schools, the President
of the Board or the Chairman of the Municipal Council as the
case may be, shall consult the District Educational Officer in
the case of secondary schools for boys, the Deputy Inspector of
Schools in the case of elementary schools for boys and the
Inspectress of Girls' Schools in the case of secondary and
elementary schools for girls. No amendment to this rule seems
to have been made till now. And yet, all the Divisional
Inspectors of Schools have reported that this rule is not
strictly observed in the case of elementary schools for boys
and that it is a convention that the District Educational Officers
alone are consulted regarding the alteration or strengthening
or reduction of staff in local body elementary schools. I have
to point out here that the District Educational Officers will
invariably consult the Deputy Inspectors of Schools concerned
in such matters before any proposal is made to the local bodies
and that the recommendations of a Deputy Inspector of Schools
will be confined only to his range but not to the District as
a whole. I therefore suggest that the existing practice of
effecting alterations in the staff etc. in consultation with
the District Educational Officers may continue. Moreover, now
that the girls elementary schools also are under the control
of the District Educational Officers consequent on the elimination
of the Inspectress of Girls Schools so far as elementary education
is concerned, an amendment to the existing rule 3(1) (i) of
the G.Os is necessary. I therefore request Government to kindly
issue orders substituting the following rule to the existing
rule 3(1) (i) of the G.Os 3239 L and M dated 12-8-32 and 4785 L & M
dated 1-12-32.

"Consult the District Educational Officer in the case
of secondary schools for boys and of all elementary
schools and the Inspectress of Girls' Schools in
the case of secondary schools for girls"

Yours faithfully,

J. O. Pantanah
