pp 5-6 infra

In submitting herewith a copy of the petition dated 25-7-1949 from Sri P. Damodaram Pillai, Ex-typist, Office of the District Educational Officer, South Arcot, together with a copy of the endorsement Roc.No.431 A/49 dated 16-8-1949 of the District Educational Officer, South Arcot, thereon, I have the honour to state as follows:-

2. Sri P. Damodaram Pillai, the petitioner, was a permanent clerk of the District Educational Council, South Arcot (now defunct), having been confirmed there with effect from 17-8-1926. He must have been then found medically fit for service. Consequent on the abolition of the District Educational Councils, he was absorbed in the Madras Ministerial Service as a Typist with effect from 3-6-1939. Since then, he has served Government in various capacities - as Typist, Lower Division Clerk, Attendance Officer and Junior Deputy Inspector of Schools. He completed his probation in the category of typists on 3-6-1941. He ought to have been confirmed as Typist in 1944 when the temporary post of Typist held by him in the Office of the District Educational Officer, South Arcot, was retained permanently but for the orders for reservation of posts for war service men. It is no fault of Sri Damodaram Pillai that he had to wait for his confirmation until a few months before his retirement. The District Educational Officer, South Arcot, issued orders in May 1949, confirming him as typist with effect from 1-6-1944 and directed him to produce a Medical Certificate of fitness. He produced a Medical Certificate from the Civil Assistant Surgeon, Villupuram This was not accepted by the District Educational Officer, and the petitioner was directed to produce a certificate from the District Medical Officer, South Arcot. The District Medical Officer, South Arcot found him unfit for public service as the petitioner was blind in his left eye. Accordingly, the District Educational Officer terminated his services from 13--7--1949 and also cancelled the earlier orders of confirmation.

(M)

3. At the time he was examined by the District Medical Officer, South Arcot Sri P. Domodaram Pillai was over 54 years old. He was due to retire from service normally on 17-12-1949. I consider that it is too much to expect that a subordinate Government servant of the age of the petitioner will satisfy the high standard of physical fitness prescribed for public service. Having regard to his age, experience, service and satisfactory work, I think that this is a fit case in which exemption from production of a Medical Certificate may be granted. Accordingly, I recommend that the Government may be pleased to issue orders dispensing with the production of a Medical Certificate of fitness under Fundamental Rule 10 in respect of Sri P. Damodaram Pillai.

p 8 of M
Bk No.. 154.

4. In case the Government are pleased to accept the above recommendation Sri P. Damodaram Pillai will be **restored** to service and his confirmation as typist will be allowed to stand. The period of his absence from duty from 13-7-1949 to the date of his restoration to service may be treated as such leave for which he may be eligible.

N

Kept below

5. The Service Book (in 2 Vols) of Sri P. Damodaram Pillai is enclosed.

6. As the petitioner is due to attain the age of superannuation on 17-12-1949, I solicit the early orders of Government.

Yours faithfully

Roc.No.431 A-49   Dated 16-8-1949.

Ref:- Appeal petition dated 25-7-1949 of Sri P. Damodaram Pillai Ex-clerk, Dt. Educational Officer's Office South Arcot against the termination of his appointment and cancellation of the order of confirmation.

****

Submitted to the Divisional Inspector of Schools Mathurai.

2. Sri P. Damodaram Pillai is the senior most of the approved probationers in the District and he should have been confirmed earlier. As he was due to retire from service in December 1949, the question of his confirmation was examined by me with a view to make him eligible for pension. It was found that he was declared to have completed his probation as typist of this office on 3-6-1941. As the post of additional typist in the office was substantively vacant and as this was a single vacancy, he was confirmed in the post with retrospective effect from 1-6-1944 with reference to the orders passed in Government Memo. No.10227 A.2. Edn., dated 6-4-48 communicated in Proceedings R.C.No.458 C-3 48 dated 23-4-1948 of the Director of Public Instruction, Madras. He was asked to produce a physical fitness certificate as required in Rule 10 of the Fundamental Rules. He was then working as Junior Dy. Inspector of Schools, Villupuram and soon after he was reverted and was, therefore, transferred as clerk of this office. When his service book, last pay certificate and the medical certificate were received in this office it was found that the medical certificate was issued by the Civil Assistant Surgeon, Villupuram. As per sub rule 2 under Rule 10 of the Fundamental Rules the certificate must be signed by a commissioned Medical Officer, or Civil Medical Officer of rank not lower than a Civil Surgeon, or Dt. Medical Officer as the maximum pay of the post in which he was confirmed exceeded Rs.65/-. He was drawing Rs.62/- in the revised scale of Rs.45-3-60-2-90 and his old scale of pay was Rs.30-3/2-45-2"/2-55 as recorded on page 4 of his service book. Therefore the District Medical Officer was requested to issue a fresh certificate of physical fitness or countersign the certificate issued by the Civil Assistant Surgeon, Villupuram. The District Medical Officer who examined Sri P.Damodaram Pillai declared him unfit for entertainment in service as he is totally blind in the left eye and consequently the services of the clerk were terminated from 13-7-49 and the order of his confirmation was also cancelled.

3. As already stated, Sri P. Damodaram Pillai was confirmed and that too with retrospective effect so that he might earn pension. Though I am not competent to say anything about the decision of the District Medical Officer, still it was expected that the age of the appellant and the fact of his imminent retirement from service in December this year would be taken into account by him before arriving at a decision. The case of the appellant is very pitiable and his request for relief may be considered sympathetically, if rules permit.

4. The Service Book of the clerk and this office file are submitted herewith. The personal file

of the clerk will be submitted separately as required in para 2 of Proceedings R.C.No.2108-C-5-49 dated 12-8-49 of the Director of Public Instruction, Madras.

Sub:- Restoration of Appointment - Typist - Office of the District Educational Officer, South Arcot- Prayed for

- - - -

Ref:- R.O.C.No. 431.A/49 dated 16-7-49 of the District Educational Officer, South Arcot, regarding Terminatio of Service and Cancellation of confirmation Order.

- - - -

I beg to submit the following representation against the ord quoted above of the District Educational Officer, South Arcot, (copy enclosed) cancelling my confirmation as Typist of his office and terminating my services with effect from 13-7-49, on th ground that the District Medical Officer, South Arcot, has declare me unfit for entertainment in Public Service.

(i)Prior to being absorbed in Government Service, I was a Permanent Clerk of the defunct District Educational Council, Sou Arcot, having been entertained on 7-6-1926 and confirmed in that post subsequently. Consequent on the abolition of the District Educational Councils, I was absorbed in Government Service from 3-6-1939 and since then, I have worked as Typist, Clerk, Attendance Officer and Junior Deputy Inspector of Schools, in this department. The details of appointments held by me from 7-6-1926 to 12-7-1949 are given in the Appendix.

(ii)While I was working as Junior Deputy Inspector of Schools, Villupuram Range, I was confirmed in Memo Cur.No. 431-A/49 dated 24-5-49 of the District Educational Officer, South Arcot, as Typist of his office, with effect from 1-6-1944 and was asked to produce a Medical Fitness Certificate. This confirmation came to me at the verge of my retirement after over 10 years of service under Government. I am now just 54 years and 8 months of age (Born 17-12-1894) and I am due to retire on 17-12-1949.

(iii) Though the production of Medical Fitness Certificate in my case was not indispensable having regard to my age and service at the time of confirmation, nevertheless I obeyed the orders of the District Educational Officer, South Arcot, and obtained and

produced

6

and produced a Medical Certificate issued by the Civil Assistant
Surgeon (M.B.B.S. Degree) at Villupuram, on the requisition of the
Deputy Inspector of Schools, Villupuram Range, on 28-5-1949.

(iv) Soon after the issue of the Medical Certificate referred to in
para (ii) above, I was reverted from the post of a Junior Deputy
Inspector for want of vacancies in R.C.No. 322-A/49 dated 25-5-49 of
the Divisional Inspector of Schools, Madurai Division and the Dt
Educational Officer, South Arcot posted me as Clerk in the District
Educational Officer's Office, South Arcot. The District Educa-
tional Officer, South Arcot did not consider the Certificate of the
Civil Assistant Surgeon as valid for the Technical reason that the
Maximum Pay of the post in which I stand confirmed exceeded Rs65/-
mentioned in 10 of the Fundamental Rules. He, therefore, directed m
to appear before the District Medical Officer, South Arcot.
Accordingly, I appeared before the Dt Medical Officer, South Arcot, wh
disqualified me for entertainment in Public Service, as I have
defective vision in the left eye. As a result of the Certificate,
the Dt Educational Officer, South Arcot, terminated my services from
13-7-1949 and also cancelled the confirmation made as Typist.

2. I submit that the cancellation of my confirmation and the
termination of my services shortly before my retirement, on the
basis of the report of the Dt Medical Officer, South Arcot, are
inequitable and have caused me great hardship in that I have to lose
even the petty pension that I may otherwise get on my retirement
a few months hence (i-e) on 17-12-1949. The applying to me of such
Standards of Physical Fitness as are required for first appointment
in Government Service is neither appropriate nor equitable, consider-
·ing the facts that I am confirmed just 6 months before my retirement and
when I am already so old as 54 years and 8 months of age.

3. In these circumstances, I should ~~nominally~~ normally have been exempted
from producing the usual Medical Fitness Certificate, with reference
to Fundamental Rule 10, but some how, this provision for granting
exemption was not evoked in my case.

4. On my first confirmation as clerk of the defunct District Educa
tional Council, South Arcot, I had produced a Medical Fitness Certi-

Certificate by the District Medical Officer, South Arcot, on 14-5-1927 (copy enclosed). Even then, I had no full vision of my left eye, having lost it 33 years ago, as a result of virulant attack of small-pox. This was not then considered a defect enough to disqualify me for Public Service and I submit that it has not in the least handicapped me in my service of 25 long years or affected the quality of my work either in the District Educational Council or in this department.

5. During the past 25 years of service of which, the last 10 and odd years, have been under Government, I have discharged my duties to the entire satisfaction of my superiors , as may be seen from the departmental records of my work.

6. In the circumstances explained above, I request that this petition may kindly be considered sympathetically and that I may be granted relief as follows :--

(a) that I may be immediately restored in service,

(b) that I may be exempted from producing the usual Medical Fitness Certificate and

(c) that my confirmation as Typist be allowed to stand.

7. As already stated, I have only 5 months of service before my retirement and any relief due to me has to be given quickly, so that I may be saved from further mental anguish. I, therefore, pray for the favour of early orders on this petition.

Yours faithfully,

para 3 p 3 c.f

Consequent on the abolition of the Dt. Educational councils, Sri. P. Damodaram Pillai, the petitioner was absorbed in Govt. Service as a typist with effect from 3-6-1939. Since then he has worked as L.d clerk, Attendance Officer and Junior Dy. Inspector of schools. He is due to retire on 17-12-49. In May 1949, he was confirmed as a typist with effect from 1-6-44 and he was directed to produce a medical certificate of fitness under F.R10. The D.M.O, S. Arcot found him unfit for public service as the petitioner was blind in his left eye. The D.E.O terminated his services from 13-7-49 and also cancelled the earlier orders of confirmation. The D.P.I considers that it is too much to expect that a subordinate of the age of the petitioner will satisfy the high standard of physical fitness prescribed for public service. He has stated that having regard to the petitioner's age, experience, service and satisfactory work, it is a fit case in which exemption from production of a medical certificate may be granted. If the above exemption is granted, the petitioner ~~will~~ be restored to service and his confirmation as typist will be allowed to stand. This will enable him to earn a pension or gratuity on the date of retirement. The D.P.I has proposed that the period of his absence from duty from 13-7-49 to the date of his restoration to service may be treated as leave to which he was eligible. E & P.H support the recommendations of the D.P.I.

para 3 p.c.f

para 4 p.c.f

2) According to F.R10, no person may be substantively appointed to a permanent post in Govt. service without a medical certificate of health which must be affixed to his first pay bill. In this case, the D.M.O, S. Arcot found the petitioner unfit for public service as the latter was blind in his left eye. It is observed that the petitioner had been in Govt. service from 1939 and he seems to have been performing his duties satisfactorily eventhough the leucoma of his left eye was existent even then — vide copies of certificates on pp. 17-21 C.F. He was found medically unfit on 13-7-49. He is due to retire on 17-12-49. If only the petitioner is continued for a period of about 5 months from the date on which he was found unfit, he would retire in the normal course and get a gratuity or pension in which case there would be no hardship. In view of this and in view of his long satisfactory service, Finance may agree to the proposal to continue the petitioner in service till the date of his superannuation, to allow his confirmation as typist to stand and to treat the period of his absence from duty from 13-7-49 to the date of his restoration to service as leave to which he was eligible. Sub: RESTORATION OF APPOINTMENT made regarding Ex-Typist -- Office of the District Educational Officer, South Arcot - Joined duty as per orders cited above

----

I humbly beg to submit the following for favourable re-consideration and orders with regard to the nature of absence from duty from 13-7-1949 to 14-11-1949.

2. As per Orders passed by the benign Government, I have reported myself for duty on the Fore-noon of 15-11-1949, as Clerk, in the Government Basic Training School, Cuddalore. In the Government Order cited above the period of my absence has been ordered to be treated as leave subject to eligibility. If this ~~was~~ were done, I shall be penalised not only by loss of emoluments under the Madras Leave Rules but shall also be affected in respect of my pension. And I shall have to suffer for no fault of mine, as the following facts will show:

3. In R.O.C. No.431-A/49 dated 3-7-1949 of the District Educational Officer, South Arcot, I was directed to appear before the District Medical Officer South Arcot, Cuddalore for Medical Examination to obtain a certificate of physical fitness. Now I admit that this direction was not necessary under the Rules applicable to my case, and the same has been finally proved by the G.O. cited above ordering that I shall be excempted from the production of a Medical Certificate. FROM THIS UNNECESSARY DIRECTION resulted all that followed including my absence from duty from 13-7-1949 to 14-11-1949. If I am not responsible for the order requiring a fresh Medical Certificate equally I am not responsible for the absence from duty to which I was compulsorily subjected as a result of that order.

M

4 I, therefore, pray that justice may be done to me so that I am not punished for events for which I was not responsible and that the whole period of my absence from duty be treated as period on duty.

A

5 I request that early orders may be kindly passed to enable me to submit my pension application in time.

Yours obediently,

7th December 1949.

Damodaran
clerk.

Please see this deptt.'s note on pp. 1-3 N.F of G.O No. 3275 Edn. dated 27-10-49 and Sri. D. Pillai's further representation on pp. 7-8 C.F. The petitioner seems to be under the misapprehension that the exemption from the production of medical certificate ordered in the G.O* cited was allowed to him as a matter of right. It is submitted that the exemption was allowed to him only as a concessional measure – please see this deptt.'s note on p. 3 N.F of ② – and the period of absence was treated as leave. His request for treating the period of absence as duty would amount to another concession and does not therefore deserve consideration. Finance may advise that his request may be negatived.
