ASST. SECRETARY TO GOVERNMENT 31 AUG 1949 AMINJIKARAI

Dear Mr. Madhava Menon,

I have been pressing on the Government to grant a subsidy and a loan for the construction of a Board High School building at Wandiwash for the last three years. Time and again, I was informed that it was pending with the Engineer, or with the Director or with the Consulting Architect or the application was defective in some respect or other.

On enquiry, I learn that the application has been finally sent to Government, after all the formalities having been observed for the purpose of a grant and a loan. Please be good enough to see that at least this scheme is included in the budget estimate for the year 1950--51 and the intention of admissibility announced to the Board, so that the formalities of calling for tenders etc., may be done in advance to incur expenditure, when the grant is announced. I need not reiterate my request as this is an old case, as could be seen from your files.

Yours Sincerely,
P. R. Ramanujulu Reddi

My Dear Madhava Menon,

I learn from the District Board that they have applied for building grant for the Board High Schools, Polur and Chengam. These two schools are in my constituency. I am therefore very much interested that the Government should be pleased to allot building grant for these two schemes.

Though Chengam High School has been in existence for over 15 years, it has not even a single class room worth mentioning. The school is located in a series of thatched sheds, which are not suitable for the

P.T.O.

boys for occupation during all the months of the year. Polur is also sailing in the same boat. It has got 7 thatched sheds and only a laboratory block as a permanent building.

I therefore earnestly appeal to you that these schemes should be admitted to grant at any cost by the Government.

Thanking you, With regards,

Yours Sincerely,

N. Annamalai

extensions to the Board high schools at Polurchengam should be deferred, as the Board will not be in disposition to meet its share of the cost from its general funds or by raising a loan. The Board should take steps to collect donations for financing the schemes and renew the application for subsidy after sufficient funds are collected for the purpose. The maximum subsidy admissible for a building scheme for secondary school under the existing orders is Rs 35,000 only and the Dt Bd should find ways & means to meet the balance of cost.

Subsidies and loans - District Board - North Arcot - Construction of buildings for secondary schools - Application for 1950-51.

From the S.O. District Board North Arcot R.O.C. B9 9830/46 dated 25-8-49, 7-9-49 and 26-9-49

The S.O. Dt Bd North Arcot has applied for subsidies and loans for the construction of buildings for the secondary schools at Wandiwash, Polur and Chengam in 1950-51. The cost of the schemes as approved by the D.P.I., the maximum subsidy admissible for each scheme and the loan to be taken to meet the balance of cost are shown below:-

	Estimated cost	Maximum subsidy admissible	Loan to be taken to meet the balance of cost
	Rs	Rs	Rs
1. Board High school, Wandiwash - Construction of a building (p17cf) (Spread over Three years from 1950-51.)	1,90,000	35,000	1,55,000
2. Board High school, Polur - Extension to the building (p24cf) (p15cf) do	82,000	35.000	47,000
3. Board High school, Chengam - Construction of a new block (p12cf) do	~~62,000~~ 70,000	~~31,000~~ 35,000	35,000
			2,37,000

The S.O. Dt Bd has applied for subsidy towards onehalf of the cost and a loan to cover the remaining half even though he was informed in Memo No No 35,609 Bl/49-1 Edn dated 19-5-49 that the subsidy on the basis of half cost will be subject to a maximum of Rs 35,000 for each scheme.

Revised w.r.t. the actual opening balance on 1.4.49 the B.E. of the North Arcot Dt. Bd. for 49-50 will close with a deficit of Rs 1,91,665. Further based on the B.E. of the Dt. Bd. for 1949-50 the net revenues fall short of the expdr. by Rs 16,190. In the circumstances the Dt. Bd will not be in a position to finance any scheme from its funds or raise any loan for the purpose. The E.E. account of the Dt. Bd. also closes with a deficit of Rs 5.14 lakhs. Even if there is any surplus in the general account it should go to wipe off the deficit in the E.E. account.

Roc.No.B9.17496/49 dated 18-11-49.

Sir,

SUB: BUILDINGS - Board High school, Chengam - Constructing a new block - Estimate Rs.70,000-

REF: G.O.Ms.3276 Edn. dated 27-10-49.

In the G.O.cited above the schemes for the construction of a new building for the Board High school, Wandiwash and for extension of the Board High school, Polur and Chengam were ordered to be deferred for want of funds with the Board. The Board was also asked to take steps to collect donations for financing the schemes. Accordingly the Board is taking steps to raise funds by collecting donations for the construction of the buildings at Wandiwash and Polur. As regards Chengam, I wish to bring to your notice that it is a backward area in the interior of the District and also partly malarial.

Hence it will not be possible to collect donations from the locality. Further the cost of the scheme is only Rs.70,000/- and is within the means of the District Board.

Therefore the District Board proposes to incur the expenditure required for the scheme from its own funds and from the subsidy payable by the Government. It may not be difficult for the District Board to meet the expenditure of Rs.35,000/- from its own funds during the year 1950-51. The school at Chengam is badly in need of accommodation and the educational authorities have been repeatedly pressing for the provision for sufficient accommodation for the school. I, therefore, request that atleast the scheme in respect of the school at Chengam may be admitted for inclusion in the Part II scheme for the year 1950-51 as a special case and the subsidy of Rs.35,000/- sanctioned.

I request the favour of early orders.
