Sir,

Re:- Brohier, Mr. R.L., O.B.E., F.R.G.S., Assistant Surveyor-General, Ceylon - Access to records in the Madras Record Office, relating to Ceylon - Permission - Requested.

Mr. R.L. Brohier, Assistant Surveyor-General, Ceylon, has applied for permission to look into the records relating to Land Administration and Laws, Maps and Surveys pertaining to Ceylon (when it was administered from Madras) available in this office. Ceylon was administered from Madras between 1795 and 1798 and records relating to that administration are available in the Public, Military, Secret and Revenue Departments. He, however, desires to examine the records up to 1805 also and all the maps relating to Ceylon available in this office. These maps relate to the period 1789-1850. Although I am competent to grant him the necessary permission to consult the records of the Public, Military and Secret Departments up to 1856, I am not authorised to grant him permission to consult the records of the Revenue Department or the maps of the period subsequent to 1800. (Please see paragraph 4 of G.O. No. 58, Finance, dated 5th February 1932 copy of which is enclosed).

2. Since Mr. R.L. Brohier desires to consult the records in connection with a history of the Ceylon Survey Department which he is writing, I do not see any objection to granting him permission to consult the records of the Revenue Department up to 1805 and the maps relating to Ceylon after 1800. I, therefore, request that I may kindly be authorised to allow him access to those records and maps which are now kept at the Egmore branch of this office. As he proposes to arrive in Madras on the 14th of February, I request the favour of very early orders.

Yours faithfully,

ABSTRACT:- Madras Record Office - Old records - Rules regulating the access of the public to - Published.

ORDER--No.58, Finance, dated 5th February 1932.

The following revised rules regulating the access of the public to the old records in the Madras Record Office for purposes of bona fide historical research are published for general information:-

Rules regulating the access of the public to the records in the Madras Record Office.

1. The Madras Record Office is open daily except on Sundays and other holidays, a list of which shall be put up in the visitors room.

2. The hours of admission shall be from 11.a.m. to 4.30.p.m.

3. Persons wishing to examine the records should apply in writing to the Curator, Madras Record Office, stating their office, profession, titles or other qualifications and the object with which they wish to examine them.

4. All applications should be disposed of by the Curator in accordance with the rules drawn up from time to time by the departments to which the records belong. In the case of records belonging to the Revenue and Irrigation departments after 1800 and other departments after 1856 the Curator should refer to Government.

5. Government reserve to themselves the right to refuse or to modify any application, as they consider necessary.

6. Permission to inspect the records shall remain valid only for two months from the date on which it is granted. If the permission is not availed of or if the inspection of records is not completed within this period, a further application shall be necessary for permission to inspect or continue to inspect the records as the case may be. All applications made under this rule shall be disposed of by the Curator, Madras Record Office, unless he thinks it necessary to refer any particular case to Government.

7. Inspection is allowed only in the Madras Record Office itself, and in the presence of a member of the supervisory staff. In any particular case the Curator may impose such further conditions as he

deems necessary to ensure the preservation and proper treatment of records.

11. A separate slip shall be clearly written and signed by every person for each paper or volume he requires before any record can be produced. The slip is returned to him when he again hands over the records.

12. No person may have more than five single documents or two volumes out at a time. Documents in a fragile condition shall be handed over singly or subject to such conditions as the Curator may deem necessary for their safety.

13. Big folio volumes are to be placed on book rests and handled as little as possible.

14. No person may lean on any of the documents or put one on top of another or place upon them the paper on which he is writing.

15. No sort of mark with pen, pencil or otherwise, may be made on any record.

16. With a view to prevent ink being spilt on records the use of an inkstand shall not be allowed. If the volumes or documents can be placed on book-rests a fountain pen may be used for the purpose of taking notes or extracts; shall be taken in pencil.

17. Tracings of signatures and drawings may be made only with the permission of the Curator and subject to such conditions as he may impose. Permission shall not be given if it appears to the Curator that the process of tracing is likely to damage the document.

18. Any person who uses the records for purposes of historical research and publishes works based on those records is required to deposit one copy of his work as soon as published, in the Madras Record Office.

19. No person may chew pan or other like substance while working in the Record Office, nor may he place any articles of food on tables meant to be used for keeping the records, documents or other papers.

20. Smoking is strictly prohibited in the Record rooms.
