The Case has been investigated thoroughly.

2. Records maintained at this end show that the consignment on this Depot Issue Voucher No. quoted above consisting of 2 bales, one original bales of 75 Shirts Bush O.G. weighting 1 Md. and one containing 50, packed at this end under most careful supervision, weighing 26½ srs. was despatched from this end. In col. 4 of the aforesaid D.R., it has been confirmed by you that the weight of the same on taking over from the carrying company did not disagree with the actual weight as shown on the D.R.

3. Further more, as per Rule 915 R.A.I., the consignee, while reporting any discrepancy, is supposed to intimate the fullest information i.e., all ~~numbers~~, weights and marks upon the packages and retain the packages with their notes and all wrappers until the enquiry closes. From Cols. 2, 3, 5, 6, 9 and 10 of the D.R. it appears that ~~except~~ except retention of the packing Notes, no further action was taken in this respect at your end.

4. In view of the foregoing facts, this Estt., it is deeply regretted, can not shoulder responsibility in respect of the shortage. Necessary adjustment, therefore, may ~~please~~ please be carried out at your end without further correspondence, for an early settlement of the case and completion of action reported so as to enable this office to take further action in regard to the issue.
