New Delhi, the 10th March, 1949.

To

All Provincial Governments.
Chief Commissioner, Ajmer, Delhi and
Himachal Pradesh.

Dear Sir,

I am directed to invite a reference to para 1(vii) of Government of India, Ministry of Finance, letter No. D-4461/FR/48 of the 14th December, 1948, and to say that it covers education in all classes upto the Matriculation or School Leaving Certificate Examination. From the information available to Government it appears that while arrangements for education upto the primary standard have been made in most of the relief camps for displaced persons, provision for secondary education is reported to have been made in only a few of them; nor does it appear that primary education is compulsory for children of the appropriate age. I am to request that until such time as the relief camps for displaced persons are closed down, arrangements may be made for the free compulsory education upto the primary standard and free education in the post-primary classes of all children residing in these camps. No capital expenditure should, however, be incurred on items like buildings etc. I am to add that these arrangements do not apply to displaced children not residing in camps.
