No.0236/49/NCC.

27009 Subject:- NATIONAL CADET CORPS - ARMOURIES AND STORE ROOMS.

Sir,

I am directed to refer to:-

- Rules 3(c) and 4(c) of the National Cadet Corps Rules, regarding the provision of store-rooms for storage of equipment and clothing issued to N.C.C. units;
- this Directorate letter No.0010/48/NCC dated 30 April 1948 under which was sent, "Notes on safe custody, care and maintenance of weapons, ammunition and equipment of National Cadet Corps units";
- D.O. letter No.0010/48/NCC dated 8 June 1948 forwarding a paper "Points raised by Provincial Governments and explanations on them" - paras. 6 and 7 of this paper: "Safe custody of Arms and Ammunition".

2. It had been agreed by Provincial etc. Governments that the arms and ammunition issued to National Cadet Corps units for training purposes would be stored in Police armouries and guarded by Police guards. The following difficulties have been noted in this arrangement:-

- It has been reported that Police armouries are, in a large number of cases, not large enough to accommodate these additional arms and, therefore, the arrangements for storage are very unsatisfactory. This is causing damage to the weapons, which will mean that they will have to be sent often for repairs and may even make them unserviceable;
- Armouries are available in certain Colleges but these must have a Police guard posted on them for protection, thus causing an extra burden on the Police, which they are, in many cases, not prepared to face;
- Police armouries are often located a long distance from the Colleges and Schools where N.C.C. units are located and the arms have to be brought in trucks to the parade ground. This causes heavy petrol expenditure and an armed escort has to be provided by the Police for such journeys.

3. College and School authorities have, in most cases, expressed their inability to provide store-rooms for the storage of equipment and clothing. This has forced Commanding Officers of Senior Division units to store the equipment in small rooms near their offices and, in some cases, even in their homes. This is unsuitable and may lead to pilferage and, owing to bad storage, loss due to deterioration. The latter is especially applicable to the equipment of Technical units, who have been issued expensive items which are in short supply and cannot be easily replaced. Covered accommodation is required for the equipment and clothing, where it can be correctly stored, cleaned and minor repairs carried out. This requirement also applied to guns and vehicles issued to the units.

4. I am, therefore, to request that immediate steps be taken for the construction of armouries, storerooms and garages for the National Cadet Corps units. It will not be always feasible to put up only one building in each town for this purpose, as the units are located in colleges situated some distance from each other. It would be necessary for Technical units to have a separate building, including an office for the Commanding Officer, which should preferably be located in the College raising the unit or a part thereof. One central building for all Infantry units located in one town will be suitable, so long as the colleges to which the unit has been allotted are not more than 1-2 miles from each other. The number of buildings to be put up and their exact location is a matter for decision by your Government, but it is suggested that Commanding Officers of Senior Division units, the Liaison Officer, Junior Division units, and a representative of the local Army formation headquarters should be consulted before a firm decision is made. Urgent action on the construction of buildings is, however, requested.

5. It has been represented that Army authorities should be asked to spare accommodation for the above purposes, wherever it is available. Army Headquarters have been asked to render all possible help and a copy of this letter has been sent to them.

Sir,

In all the colleges except at Govt. Arts College, Anantapur, there is already sufficient accommodation for the storage of the equipment and clothing. This arrangement has been in existence since 1st. Madras Bn. U.O.T.C. was functioning.

For the armouries, it was recommended by the Commissioner of Police, to put up iron doors. It is presumed that the correspondence regarding fitting of these iron doors is in progress between the respective Principals of Colleges and the Govt. Copies of this correspondence, if ~~still~~ in progress, are not received by this H.Q.

Govt. Arts College, Anantapur. Kindly refer to this H.Q. letter No. Q/3/33 of 17.4.49 addressed to D.S.P. Anantapur, and copy to the Govt. So far no answer is received from D.S.P. Anantapur on this subject.

It is not considered practicable to build garages for the motor vehicles in the respective colleges, the reasons being :

- waste of petrol to fetch truck/trucks from the colleges to the H.Q.
- no administrative and technical control by the H.Q.

At present, when suitable, the trucks are parked in Pachaiyappa's College.

It is felt that the estimate of the provision of store-rooms and garages and the plan for them, are the matters concerning the Engineers, and therefore, it is regretted that no such estimate can be given by this H.Q. who is purely a non-technical unit.

Vide this H.Q. letter No. Q/3/35 of 18.4.49, Police Guards may be asked by this unit when the stores are transferred to the respective Colleges.

In all the colleges except at Govt. Arts College, Annabatur, there is already sufficient accommodation for the students of the Government and of other colleges. This arrangement has been in existence since 1947. Madras Bn. I.C.T.G. was functioning.

For the reasons, it was recommended by the Commissioner of Police to put up more hostels. It is proposed that the correspondence relating to the fitting of these hostels is in progress between the respective Principals of Colleges and the Govt. Copies of this correspondence, if it is in progress, are not received by this Bn.

Govt. Arts College, Annabatur. Kindly refer to this Bn. letter No. 27009-B1/49-2 Edn. of 14 Apr. 1949 addressed to D. S. S. Annabatur, and copy to the Govt. No. 47, 2. No answer is received from D. S. S. Annabatur on this subject.

It is not considered practicable to build hostels for the motor vehicles in the respective colleges, the reasons being:

(a) Waste of petrol to reach trucks from the colleges to the Bn.

(b) No administrative and technical control by the Bn.

At present, when the trucks are parked in the respective colleges, it is felt that the entrance of the provision of store-rooms and garages and the plan for them, and the matters concerning the entrance and therefore, it is requested that no such estimate be given by this Bn. I have the honour to inform you that "A" "B" and  
"C" Coys at Tambaram and Tiruchirapalli have satisfactory  
store-rooms for the storage of equipment and clothing supplied  
to Companies. The trucks belonging to the 2 Companies at  
Tiruchirapalli are garaged at Battalion Headquarters. The  
Company at Tambaram has also a garage for the truck.

As regards "D" Company, Government College, Kumbakonam,  
the Government has ordered the construction of an Armoury and  
this H.Q. has sent reminders for taking immediate action as the  
present arrangements of storing the arms in the Police Station  
is not satisfactory owing to lack of space and also distance  
from the college.

The CE has  
been reminded  
for plans &  
estimation

It is again requested that the construction of Armoury  
may please be taken forthwith.

This college has got a Store-room for equipment and  
clothing. As regards garage, I understand that the College  
authorities are modifying the existing garage in the college to  
take the truck in. This is the only Government College in this  
Unit.

With reference to para 2 of the above Memo. I have the honour to state that the best arrangements seem to be that each school should make suitable arrangements for keeping the equipment. The school may set apart a room for storing the equipment. It does not appear that it may be necessary to construct any store rooms for this purpose. If by experience, it is found that the arrangements MADE in each school are not satisfactory the question of constructing a separate room for storing the equipment or other ways of ensuring satisfactory accommodation E.G. extending the existing rooms in the school may be considered.

It is necessary that the present 3 ventilators should be fixed with expanded metal wire for safty purposes and the two main doors should be replaced by iron doors. The construction of a verandah or subshade ( 9'X 12') in front of the magazine to protect the police sentry from inclemencies of the weather is also necessary.

Room No. 4 with proper alterations and ventilators can be used as a guard room for the Police.

NATIONAL CADET CORPS - Senior and Junior Divisions -  
Construction of armouries, store-rooms and garages.

From the Director, National Cadet Corps, No.0236/49/NCC  
dated the 6th April 1949.

Please see the letter from the Director, National Cadet Corps, on pages 1-2 c.f. in regard to the construction of armouries, store-rooms and garages for keeping the arms and ammunition, equipment and trucks supplied to the NCC units. The following statement shows the units already raised in 1948-49 in this Province and proposed to be raised in 1949-50.

Units raised in 1948-49.

1st Madras Infantry Battalion.  
2nd Madras Infantry Battalion.  
3rd Madras Engineer Centre.

(All in the area of the University of Madras).

Units proposed to be raised in 1949-50.

One Infantry Battalion of two Coys. in Andhra University area.  
One Independent Infantry Coy in the Annamalai University.  
One Signal Unit in Annamalai University.  
One Medical Unit in Madras University.  
One Artillery Unit Do  
One E.M.E. Unit do

Junior Division - 35 units and two sub-units.

2. The arms and ammunition of the units of the Senior Division already raised in 1948-49 <sup>can be</sup> ~~have been~~ stored in the existing college armouries, <sup>except those of</sup> ~~excepting~~ the company at Kumbakonam of the 2nd Madras Infantry Battalion. The question of constructing an armoury for this company in the premises of the Sub-Jail at Kumbakonam, is under separate consideration. The I.G. of Police has reported that no police guards are necessary for the college armouries of the 2nd Madras Battalion. ~~and~~ On the suggestion of the Commissioner of Police, it is proposed to sanction the provision of guards for the college armouries of the 1st Madras Battalion. The Officers Commanding may be requested to report the arrangements that had <sup>already</sup> been made <sup>and clothing</sup> for the storage of the equipment allotted to the companies of their battalions and also for keeping the trucks

supplied to them. <sup>In colleges where there are garages for keeping the trucks, estimates may be called for for construction of garages.</sup>

3. In respect of the additional units to be

raised in 1949-50 in the Andhra and Annamalai Universities, the Registrar concerned have already been addressed in the matter. In respect of the other units, the Registrar, University of Madras, the S.G., O.C., 3rd Madras Engineer Centre, and the D.P.I. may be consulted.

Battalion reports that there is sufficient accommodation for the storage of the equipment in all the colleges to which

to which the Companies of his Battalion are allotted except in the detachment at the Government Arts College, Annamalai. The Director of Public Instruction may be requested to submit necessary plans and estimates for the construction of a store room for keeping the equipment and clothing of the detachment. In respect of the provision of garages, the report that for the reasons stated at A on page 11g, it is not practicable to build garages at that they are parked in the Pachayappa's College. The question of accommodation for the office of the Battalion has not yet been finally decided. If it is possible to secure on this point, then necessary provision may be made to house the staff within the office compound.

3. There are armories in all the four colleges in the city of Madras to which the Coy's of the Battalion have been allotted and action has already been taken for the provision of police guards for them. In Memo. no. 79588-151/48-24 dt 14.3.49, the G.C. has been requested to ascertain from the Principals of the colleges the cost of carrying out the improvements suggested to the college armories by the Commissioner of Police. The Officer Commanding the 1st Madras Battalion may be requested to ascertain from the Principals of the Loyala and Pachayappa's College whether they have already taken necessary steps to carry out the alterations suggested to the armories in their colleges. He may also be requested to ascertain and report whether they are agreeable to meet the entire cost involved from their own funds or whether they expect one half of the expense from Govt. as grant. In the latter case, an estimate of the cost of the work may also be called for. In respect of the improvements to the armory in the Presidency College, the D.P.I. may be requested to take necessary action.

The file has been sent to this Deptt. with reference  
to draft III.

2. It appears that provision of armouries and accommoda-  
tion for storing equipment and clothing for the National  
Cadet Corps units is not the responsibility of the Central  
Govt. There are armouries in all the four colleges in  
the City of Madras to which the companies of the battalion  
have been allotted. The Commissioner of Police has suggested  
improvements to some of these armouries, including those  
attached to the Pachiappa's College and Wyolla College. The  
existing armouries of these two colleges are the property  
of the managements of the colleges and consequently any improve-  
ments to them will have to be financed wholly from the college  
funds. The question of giving them some assistance in this  
regard by the Govt. will arise only when the funds of the college  
are not able to meet the entire expenditure on the improvements  
found necessary. In this view and in view of the remarks of  
E.P.H. Joint Secretary on pp.3-4 above, it seems desirable to  
amend the draft III as indicated in pencil. The question of  
giving a grant may be considered on receipt of the report called  
for.

at Govt Cost. As the improvements proposed by  
the Commissioner of Police are necessary to ensure  
safety of the arms kept in the armoury and the  
Provincial Govt is responsible for the safekeeping  
of the arms & ammunition supplied to the NCC units  
it is for consideration whether a grant may be  
made to the Loyola College for carrying out the  
improvements after calling for an estimate of cost.  
The other colleges under the 1st Madras Bn are Govt  
colleges & the entire expenditure for carrying out  
the alterations should be met by Govt.

(Previous Finance note on p.4 above).

The question for consideration is whether a full  
grant may be given to the Management of the Loyola  
College for effecting improvements to the armoury in the  
College under the National Cadet Corps Scheme. The Principal  
has stated that this College is not in a position to  
incur any further expenditure on the armoury. The  
authorities of the Pachaiyappas College have agreed to  
carry out the necessary improvements to the armoury in  
that College at their cost. In the case of Govt.  
colleges, where units have been raised under the  
National Cadet Corps Scheme (e.g. Presidency College,  
Government College at Anantapur) the necessary improve-  
ments will be carried out at Govt. cost. The provision  
of armouries for the National Cadet Corps ~~is~~ <sup>appears to</sup> the  
responsibility of the Provincial Government and the  
authorities of private colleges are not obliged to
