Sir,

Subject:- Education -- Secondary -- Fee concessions --
Children of women teachers.

In enclosing herewith copies of letters No.B.6-11201-48 dated 10-5-1948 and 10-8-48 of the Special Officer, District Board, Tirunelveli, I wish to state that originally fee concessions were being allowed to children of women teachers. But subsequently it was considered that not only the pay of the woman teacher but the other items of income of the woman teacher as well as that of her husband should also be taken into consideration for the purpose of granting fee concessions and government have passed orders accordingly in their No. 824 Edn., dated 9-5-1940. Since the basis for the grant of the concessions is now not only the pay but also the other income of the woman teacher as well as of her husband and since the production of income certificates is insisted on in regard to the grant of fee concessions under Rule 92 of the Madras Educational Rules there seems to be justification for requiring the woman teachers also to produce, like other parents, the Income Certificates as in the case of fee concessions granted under Rule 92 of the Madras Educational Rules. I, therefore, request that Government may be pleased to pass orders accordingly.

Yours faithfully

Thiruvananthapuram

2. There is no mention in the above rule that a certificate should be produced regarding the income. I request you to let me know whether income certificates are necessary for the grant of fee concession to children of women teachers referred to in the rule cited above and if so, the authority empowered to grant such certificates may kindly be stated.
