5. WASHING AND CLEANING ALLOWANCE TO OFFICERS AND CADETS:-

(a) In para 3 of my D.O. letter No. 0010/48/NCC dated the 8th July 1948, I had put forward proposals to ensure that clothing issued to cadets is kept clean, so that they turn out smartly in parade. It has been reported that, in most cases, no action has been taken on these proposals.

(b) Officers and cadets have represented that the cost of washing uniforms and the articles required for cleaning boots and equipment is comparatively high and, in majority of cases, causes additional expenditure which they cannot meet. It is, therefore, recommended that a washing and cleaning allowance of Rs.2/- per month per officer and cadet be paid to the Officer Commanding or Headmaster. The Officer Commanding or Headmaster shall make necessary arrangements ~~and readjust the~~ either by employing a dhobi for washing the uniforms of all officers and cadets of the unit and buying centrally boot polish and equipment cleaning materials, or by paying the allowance in cash to the personnel concerned. This allowance should only be paid during the periods that training is in progress, which it is understood extends to 5 months for Senior Division units and 6-7 months for Junior Division Units.

6. UNIFORM FITTING CHARGES:-

The uniform being supplied by Army authorities is ~~may~~ produced at the Ordnance factories. It will be appreciated that these uniforms will NOT in ~~very~~ every case fit the individual to whom it is issued and alterations will be necessary if the cadet concerned is to look smart in the dress. The cost of these fitting charges has to be met. These charges will vary in different localities, depending on the charges levied by the tailors employed on such work. It is, therefore, suggested that tailoring firms be given contracts to undertake fitting of uniforms, charges being levied at a flat rate per uniform. Local Army Formation Headquarters will be able to give you the charges paid by Army units for fitting of uniforms, as in many cases, units do not have an Army recruited tailor on their strength. These fitting charges will be non-recurring.

7. In consonance with the policy that officers and cadets will NOT have to spend any money out of their pockets for volunteering to undergo training in the National Cadet Corps, the cost of the allowances and the fitting charges stated in this letter have to be met. It is considered that provision of the items will help to make the organisation a success and to achieve the objects of the Corps.

2. The estimate of expenditure to be incurred on payment of an allowance for washing and cleaning and also on payment of fitting charges for uniforms to officers and cadets is given below:-

The Officer Commanding, 1st Battalion has suggested 0-8-0 per mensem as charges for washing and cleaning to each cadet and officer. This appears to be low. A sum of Rs.2/- per mensem is recommended to be paid to each officer and cadet with reference to para 5 of letter No. 0235/49/NCC dated 4-4-49 of the Director National Cadet Corps, New Delhi. If this is accepted, the estimate under this head will be as follows:-

2 x 65 (officers)	x	7	..	Rs. 910	28210
2 x 1950 (cadets)	x	7	..	27,300	7280
Total.				28,210	35490

Fitting charges for officers and cadets:-

Re.1/- for 65 officers for 7 months.	1 x 65 x 7	..	Rs. 455	7280
Annas 8 for 1950 cadets for 7 months.	As.8 x 1950 x 7	..	6,825	7280
Total.				7,280

3. Besides the above, the Officers and cadets may be paid Re.1/- per head for amenities with reference to letter No. 0010/48/NCC dated 8-11--1948 from the Director, National Cadet Corps.

An estimate under this is submitted below:-

Re.1/- x 65 officers	x	7	..	Rs. 455	65
Re.1/- x 1950 cadets	x	7	..	13,650	1950

Subject:- NATIONAL CADET CORPS - SUPPLY OF CLOTHING FOR JUNIOR DIVISION CADETS.

Sir,

I am directed to inform you that it has now been decided to supply khaki uniform clothing to all the cadets of the N.C.C.

2. Some Provincial Govts have represented that comparatively high charges have to be incurred in making alterations to the made-up uniforms supplied by the Ordnance Depots, to make these fit the Junior Division Cadets. It was, therefore, proposed by them that cloth, instead of made-up uniform be supplied and the Governments would make arrangements for the Schools concerned to get the necessary garments tailored locally.

3. It is, therefore, suggested that Khaki cloth should be supplied for Junior Division Cadets. The quantity to be supplied per cadet shall be as follows:-

Garments.	Type of cloth	Total cloth.
(1) 2 Shirts (with long sleeves)	Khaki Shirting-Cellular @ 3 yds each	6 yds
(2) 2 Shorts	Khaki drill @ 2 yds each	4 yds
(3) 1 Cap F.S.(Side Cap)	Khaki drill @ 1/2 yd each	1/2 yd.

4. I am, therefore, to request you to let me know by 20 August 1949, whether you have any objections to this proposal. If a reply is not received by this date, I shall assume that you have NO objection to the proposal and necessary orders for despatch of clothing will be issued.

Yours faithfully,

I suggest Rs.4/- as tailoring charges for a pair of shirts and shorts and Re.1-8-0 as stitching charges of a cap for each cadet. The work may be given on contract by the Headmasters concerned after inviting tenders.

The N.C.C. Officers have already been supplied with made up uniforms by the O/c. M.R.C. Wellington and the Liaison Officer has called for the list of clothing they received at M.R.C. Wellington. If any extra uniforms are required, the same will be indented for from the Central Ordinance Depot, Avadi and distributed by the Liaison Officer. A fitting charges @ as:8 per head for alteration of uniforms for each officer may however be sanctioned. It is understood from the O/c. 1st Madras Battalion, NCC. Madras, that a similar expenditure was approved by Government in the case of officers of the Senior division.

P.T.O.

NATIONAL CADET CORPS - Junior Division - N.C.C.

Officers and cadets - Payment of allowance for washing and cleaning and for fitting charges for uniforms - Amenity grant.

From the Director, National Cadet Corps, No. 0235/49/NCC dated the 4th April 1949.

From the Director of Public Instruction, Roc.No.1050-W4/49 of 1949 dated the 22nd August 1949.

From the Director of Public Instruction, R.C.No. 1239-W4 of 1949 dated the 23rd August 1949.

The Government have decided to raise under the N.C.C. Act, 1948, a Junior Division with a strength of 4000 cadets in this Province. During the current year 65 N.C.C. officers have been trained to man the units and with these officers, 21 units and 2 sub-units ~~can~~ ^{be} raised. As the uniforms required for the cadets ~~and officers~~ are mass produced, they will not fit in every individual and will require alteration. The Director National Cadet Corps has therefore suggested an allowance ~~fixed~~ according to the local conditions may be paid for the purpose. He has also suggested the payment of an allowance of Rs.2/- per mensem for 7 months (during which the training of the cadets will be conducted) to the cadets and officers for washing and cleaning of their uniforms.

2. The Director of Public Instruction who was consulted in the matter, has suggested that an allowance of Rs.2/- ~~per mensem~~ ^{p.m} may be paid ~~to the~~ towards ~~the~~ washing and cleaning charges of uniforms. According to the above rate, the cost works out to Rs.28,210/-. The rate suggested by the Director is reasonable and it may be accepted. The Liaison Officer has already taken charge and he is organising the units with the 65 officers already ~~raised~~ ^{trained} for the purpose. The clothing will shortly be supplied by the Ordnance authorities. It is therefore necessary to issue orders in the matter as soon as

of expenditure towards the payment of charges for altering the made-up uniforms supplied to the N.C.C. Officers of the division ^(by the Ordnance authorities) at the rate of annas eight for each officer.

3. The expenditure will be met out of the provision made in the budget for 1949-50 under the head '37.r. Edn. - General - Miscellaneous - (i) Excluding Postwar Reconstruction - 11. National Cadet Corps - Junior Division".

possible.

4. According to the letter No. 0010/48/NCC dated 8-1-1949 ^{from the Director NCC} an amenity grant of Re.1/- per officer and cadet of the Junior Division will have to be sanctioned to the units, based on their strength on 1st October ~~19~~ every year. A maximum of Rs.2,015 (Rs. 65 for officers and Rs.1950 for cadets) may be sanctioned. The Director may be told that the expenditure should be limited to the strength on that date.

4. The Director has suggested a sum of annas eight and Re.1/- for fitting charges of uniforms of ~~officers~~ ^{cadets} and ~~cadets~~ ^{officers} respectively. The rate suggested for the officers may be accepted. In regard to that of the cadets, attention is invited to the letter from the Director on page 8 c.f. The stitching charges for the uniforms of cadets will have to be paid by the Government - Vide the ^{extract of para 6 on p.145 to} letter on page 7 c.f. accepting the suggestion of the Director, NCC, contained in his letter on page 3 c.f. The Director may be informed accordingly and he may be asked to suggest the rate to be fixed for the purpose and to furnish an estimate of the cost according to that rate.

5. A provision of Rs.6,42,500 has been made in the current year's budget for the raising of 35 units and 2 sub-units of the Junior Division. As it is now proposed ^(in the current year) to form only 21 units and 2 sub-units, there will be saving in the above provision and also on account of the decision of the Government of India to meet the cost of the equipment supplied to the units from their own funds. The expenditure involved in the proposals in paras 2-4 above may be met from this saving.

The proposal is to incur the following items of expenditure for the Junior Division of the National Cadet Corps in the current year:

- 1) Washing and cleaning charges of uniforms at the rate of Rs. 2 per cadet and officer
- 2) Fitting charges at the rate of Re. 1 for officer and annas 8 for ~~cadet~~ ^{uniforms of cadets}
- 3) Amenity grant at Re.1 per annum for each cadet and officer.

Item (1) above: The charges at the rate of Rs. 2 per month for the 65 officers and 1950 cadets of the Junior Division to be formed in 1949-50 will be incurred for the period of the training (7 months). The amount involved will be Rs. 28210. The rate proposed follows that sanctioned for officers and cadets during the period when training was in progress of the Senior Division, and the charges may be agreed to.

Item (2) above: Fitting charges have been proposed at the rate of 8 annas per cadet and Re. 1 for officer of the Junior Division. These charges will be non-recurring ^{i.e.} and will be incurred only once. Such charges have also been sanctioned for the ¹⁵cadets of Senior Division. The fitting charges proposed by E & P.H. for the Junior Division may be agreed to. The amount involved will be Rs. 1046 only.

Item (3) above: Amenity grant (Rs.2015) is proposed at Re.1 p.a. for each cadet and officer. The amount will be set apart and will be used for the purchase of periodicals and for excursions. ^{as this is similar to the grant sanctioned for the Senior Div.} The proposal to give amenity grant may be agreed to in Finance.

The total expenditure involved in the above three items will be Rs. 31,265/- .

2. The constitution of the National Cadet Corps has been treated as a 'New Service' ^{last year} and necessary provision has been provided in the budget estimates for 1949-50 for the Senior & Junior Divisions. The expenditure proposed in this file ^{may} not be treated as on a 'New Service' and it can be met as shown in para 5 of E & P.H. Note on p.2 above. They have agreed to the grant of the following allowances
to all officers & cadets of the Junior Division

- (1) Allowance for washing of uniforms & cleaning boots & equipment at the rate of Rs 2 per cadet & officer.
- (2) Fitting & stitching charges - Rs 1 for officer & annas 8 for cadet.
- (3) Amenity grant at Re 1 per annum for each cadet & officer.

Item (1) The allowance is not intended merely for the payment of washing charges, but also for the purchase of cleaning materials for boots and equipment. At A on page 1 ^{ante} it was suggested that the allowance may be reduced to Re 1 per annum and Secy has agreed with A.S. The amount paid for the purpose to officers & cadets of the Senior Division is Rs 2 per annum and officers & cadets in the Junior Division have also to attend the same number of parades and the period of training will be the same first move. As cleaning materials are costly, it is for consideration whether the allowance should be restricted to Re 1 per annum for cadets.

Item 2 Fitting charges or stitching charges

For the Senior Division cadets, uniforms were supplied by Army authorities and an allowance of annas eight was sanctioned to alter the uniforms to suit the cadet who has to wear it. In respect of cadets of the Junior Division, the latest proposal is to supply cloth and ask the School authorities to get the necessary garments tailored locally - Tailoring charges will be more than fitting charges and for two shirts, 2 shorts & cap, the minimum charges at the prevailing rates will be more than Rs 4. It is doubtful whether cadets or their parents will be prepared to meet out of their pocket the amount required in excess of annas eight proposed. This will have to be reconsidered. The Director has expressed disconnection with the grant of conveyance allowances that officers & cadets should not be made to incur expenditure out of their pocket in connection with their training

Finance have agreed to the payment at the rate of Rs 2 p.m. for each officer & cadet. Here the rate may be fixed at Rs 2 p.m.

Further notes of E.P.H. on pp. 4-5 above may be perused.

E.P.H. Secretary has suggested that this Dept. may see again regarding the grant for washing and cleaning. He considers that the saving, if the rate is reduced to Re 1-00 may be necessary in respect of tailoring charges which are now likely to be claimed.

2 The Director of Public Instruction suggested that an allowance of Rs 2 per annum might be paid to the cadets and officers for washing and cleaning charges of uniforms. Major Joshi has suggested the payment of 8 annas a month. E.P.H. recommended that as an experimental measure the rate might be fixed at Re 1 per annum. This Dept., however, agreed to the rate of Rs. 2 per annum as it followed the rate sanctioned for officers and cadets during the period when training was in progress for the Senior Division.

in view of the fact that the stitching charges are high and also of the fact that the cadets may claim an increase in their fitting charges. The Dept. may not agree with it. It is that the washing and cleaning charges may be reduced from Rs. 2 to Rs. 1 per head per month and that the savings may be utilised for meeting any claims for enhancement of the fitting charges.

Please see the Finance Dept's note above. They have agreed to the allowance for washing of uniforms and for cleaning boots and equipment being at Rs. 2 per Junior Division Officer & Cadet instead of at Rs. two.

2. In regard to the tailoring charges for the clothing to be supplied to the cadets, attention is solicited to the T.M. from the D.P.G. on page 8 of. It would seem necessary to fix a limit for tailoring charges per cadet so that headmasters of schools may not incur expenditure exceeding that limit. The D.P.G. may be consulted.

A draft T.M. is submitted below for approval.
