EDUCATION DEPARTMENT.

From The Director of Public Instruction, M A D R A S. To The Secretary to Government, Education and Public Health Department, Fort St. George.

R.C.No.194-H/49 dated 7th October 1949.

Sir,

Sub:- Paper making-Utilization of waste paper-Orders solicited.

I have the honour to report that paper making has been introduced in the Viscountess Goshcen Government Training School for Muslim Women, Tiruchirapalli as a craft subject and the headmistress of the school requests me to permit her to use the waste paper available in the school for making paper as the paper available in the school is enough to meet the requirements.

The amount realised by way of sale of waste paper is now credited to "57-Stationery" and the use of the waste paper for paper-making will therefore be a loss to that head. However as paper making is one of the craft subjects introduced in the school, I solicit specific orders of Government in regard to the proposal to utilize waste paper for such a purpose. If the above is agreed, I also request that the Director may be empowered to grant such requests in any Government Institution where paper making is introduced as a craft subject.

Yours faithfully,

For Director of Public Instruction.

KVS/10/10.
