In pursuance of the instruction contained in the Government Memorandum referred to above, the Director of Public Insturction, Madras, was addressed in this office Roc.No.B.2.10224/48 dated 31-12-48 for his sanction and approval to the plans and estimates for the provision of terraced roofing to the additional blocks in the municipal High school, Cuddalore. The Director of Public Instruction, Madras in his Dis.No.2645/49 dated 13-5-49(Copy enclosed) accorded his approval for the plans and the estimates for Rs.13600/-. I therefore request that the Government, may be pleased to sanction the loan and grant for the work at an early date so that the work may be put on hand during the current year i.e. 1949-50. Tenders for the execution of the work will be called for only on receipt of the orders of the Government.

# ADDRESS OF WELCOME

PRESENTED TO

**The Hon'ble Sri. K. MADHAVA MENON, M. L. A.**

Minister for Law and Education

BY

## THE MUNICIPAL COUNCIL, CUDDALORE.

*Honoured Sir,*

We, the members of the Municipal Council, Cuddalore, have great pleasure in welcoming you in our midst this morning. We are very much thankful to you for having kindly accepted our invitation.

We are glad to know, Sir, that you are now in charge of Education. We are sure that with your wide experience, deep insight and rich knowledge, education in this Presidency will receive a fresh fillip and growth. On 1-6-49, in our address of welcome to the Hon'ble Sri. **A. B. SHETTY**, who was then the Education Minister, we had represented some of our grievances, one of which was a request for the building-grant for the Municipal High School. The terracing of a set of rooms for four classes is pending execution since 1939. Now, plans and estimates for Rs. 13,600/- have been sanctioned by the Municipal Council and approved by the Director of Public Instruction, and we request that the Hon'ble Minister may be pleased to sanction one half of the cost as building-grant and help us to complete the work shortly. We may, here, point out, Honoured Sir, that this Exhibition is being run with a view to utilise the entire net proceeds for the completion of the above scheme.

What is this for
KM

Cuddalore is a growing town with a population of more than 70,000 and an area of nearly ten square miles. It is an ideal place for the location of a college and we hope, Sir, that ere long, with the hearty co-operation of philanthrophic gentlemen we shall be able to start one. We are sure that associations like the Guild of Service, of which Mrs. Mascarenhas is the President and whose good and unostentatious work everybody is aware of, will help us in all ways possible.

Once again, we thank you, Sir, for having readily responded to our invitation and we pray that you should live long to serve our country.

Cuddalore
5—6—1949.

We remain,
Chairman and members of the Municipal Council,
Cuddalore.

**Memo** 40742 B1/49-2 Edn dt 15.6.49.

The DPI is requested to report very urgently the amount required for payment of subsidies to local bodies and grants to private managements towards the construction of buildings for secondary schools in addition to the amount already provided in the R.E. for 1949-50, in respect of the following

(1) ~~in respect of~~ schemes for which grants have been sanctioned without considering as a Part II scheme for 1949-50 for example - (a) Subsidy sanctioned to the Dt Bd Guntur in G.O. No 1201 Edn d 20-4-49
(b) Scheme for the construction of a building for the Devanga High School, Coimbatore approved in G.O. 1443 Edn 9-5-49,

(2) ~~in respect of~~ schemes for ~~of~~ which grants have been sanctioned in previous years but for which no provision has been made in the budget as it was then considered that the scheme ~~is~~ was not like

7/2

to be taken up for execution during the current year, for example the schemes relating to the

(1) construction of a building for the Board High school, Kamuti-

(2) construction of a building for the Municipal High School Chicacole

2 The Director is also requested to report whether there are any schemes other than the scheme for the provision of terraced roofing to the Municipal High School, ~~Chicacole~~ Cuddalore, for which the question of sanctioning a subsidy should be considered in the current year without treating it as a Part II scheme for 1950-51.

ASST. SECRETARY TO GOVERNMENT, EDUCATION AND PUBLIC HEALTH DEPT.
22 JUL 1949
52338/S

Office of the
Director of Public Instruction,
Madras, Dated 20-7-1949.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Subject: Buildings - Secondary Schools - Additional allotment of Funds - Local body Secondary Schools

Ref: Government Memo. No.40742-B.1/49-2 Education dated 15-6-1949. ff 6-7 ante

----

With reference to para 1(1) of the Government Memo. referred to above I wish to state that the following are the Schemes for which grants have been sanctioned by Government without considering ~~the~~ in connection with part II schemes for 1949-50.

| | Maximum subsidy sanctioned: |
|---|---|
| (i) the three schemes of Guntur District Board (i.e. Board High School, Gurzala, Dachepalli and Karempudi - sanctioned in G.O. No.1201 Edn. dated 20-4-49 | Rs.17,550/- |
| (ii) Scheme relating to Board High School, Lalgudy of Tiruchirapalli District sanctioned in G.O.No.567 Edn dated 1-3-49 | Rs.31,500/- |
| Total: | Rs.49,050/- |

In stating the above, I presume that the schemes which were considered in connection with Part II of the Budget Estimate for 1949-50 are those which were sanctioned subsidies in G.O.No.1134 Edn dated 12-4-1949.

2 Regarding para 1(2) of the Government Memo. under question, I presume that it is the intention of Government that the scheme relating to the Municipal High School, Chicacole should be reckoned as one to which subsidy may be paid during the current year. In regard to such schemes (i.e) for which grants have been sanctioned in previous years but for which no provision has been made in the budget as it was then considered that the scheme was not likely to be taken up for execution during the current year, I wish to state that no upto date information has been received from these Local Bodies as to whether they can claim any grant in respect of these schemes during the current year. However, I suggest that a lumpsum amount of Rs.20,000 may be allotted towards these schemes for the current year and I shall submit shortly a further report in regard to the correct amount that can be claimed by the Local Bodies in respect of these Schemes during the current year on receipt of the reports from them.

3 As regards para 2 of the Government Memo. calling for the schemes (other than that of the Municipal High School, Cuddalore) for which the question of sanctioning a subsidy should be considered in the current year without treating them as a part II scheme for 1950-51, I wish to suggest the following three schemes in this connection.

9 11

| S. No. | Name of the School | Name of the Local Body | Whether plans and Estimate have been approved by the Director. | Cost of approved estimate Rs. | Maximum subsidy admissible Rs. |
|---|---|---|---|---|---|
| 1. | Board High School, Aragonda | ~~Dmx~~ District Board, Chittoor | Yes | 64,000/- | 32,000/- |
| 2. | Srimathi Jaiba Bai Devji High School for Girls, Tiruppur | Municipal Council, Tiruppur. | Yes | 1,00,000/- | 35,000/- |
| 3. | Board High School, Palladam | District Board, Coimbatore | Yes | 97,000/- | 35,000/- |

2 20/24 of In regard to items 2 and 3 above I invite your attention to Government Memos. Nos. 20362-B.1/49-1 Education dated 1-4-49 and No. 18849-B.1/49-5 Edn dated 25-6-1949 wherein Government have informed the concerned Local Bodies (in reply to their requests that subsidies may be sanctioned towards these schemes during the current year) that these schemes cannot be considered for the current year and that the applications may be renewed for 1950-51. Since these two Local Bodies have already requested that these cases may be considered for the current year, these schemes are being suggested now for consideration. As regards item 1 (Board High School, Aragonda) it is reported that the work has been commenced with the aid of the villagers and carried out to some extent but that the villagers are unable to contribute any more towards the construction.

3 ~~Immediately~~ Incidentally, I wish to point out the position regarding the scheme relating to the Board High School, Kollegal (Coimbatore District). The District Board, Coimbatore applied for grant towards this scheme even last year but Government have, in their Memo. No.3970-B.1/49-1 Education dated 27-1-1949, informed the District Board that the scheme was not selected as it was a costly one. The cost of the revised estimate of this scheme which has been approved by the Director is Rs.3,24,000/-.

4 The Special Officer, District Board, Guntur has applied in his R.C.No.A.2-8146-DB-48 dated 14-5-49 for grant towards some more schemes (in addition to those that were admitted by Government for subsidy in their order No.1201 Edn dated 20-4-49). This question is now under correspondence with the Special Officer, District Board, Guntur and on receipt of his reply a further report will be submitted in the matter. I invite your attention in this connection to Governmen Memo. No.41762-B.1/49-1 Edn dated 4-6-1949.

U

p3 of in [illegible] file I

5 Again, the question of approval of plans and estimates in regard to the construction of building for the Board High School, Karvetinagar is still under correspondence and a further report will be submitted in the matter when the plans and estimates are approved by the Director. I may point out that Sri R.B. Rama Krishna Raju, President, Madras Legislative Council applied for aid from Provincial Funds towards ~~x~~ this school stating that he was also contributing personally towards this construction - Vide in this connection Government Memo. No.96653-B.1/48-1-Edn dated 5-1-49.

Since approved vide p 13 [illegible]

p7 of LF II

6 x~~This~~ There is also another scheme relating to the construction of a hall providing for 4 class rooms so as to give more accommodation to the Municipal High School, Cannanore and the question is now under correspondence with the Commissioner. I shall submit a further report in this matter shortly. The subsidy that may have to be sanctioned towards this scheme, if admitted will be about Rs.6,000/-.

The cost of the revised estimate (approved by the Direc

3 ~~Immediately~~ Incidentally, I wish to point out the position regarding the scheme relating to the Board High School, Kollegal (Coimbatore District). The District Board, Coimbatore applied for grant towards this scheme even last year but Government have, in their Memo. No.3970-B.1/49-1 Education dated 27-1-1949, informed the District Board that the scheme was not selected as it was a costly one. The cost of the revised estimate of this scheme which has been approved by the Director is Rs.3,24,000/-.

4 The Special Officer, District Board, Guntur has applied in his R.C.No.A.2-8146-DB-48 dated 14-5-49 for grant towards some more schemes (in addition to those that were admitted by Government for subsidy in their order No.1201 Edn dated 20-4-49). This question is now under correspondence with the Special Officer, District Board, Guntur and on receipt of his reply a further report will be submitted in the matter. I invite your attention in this connection to Governmen Memo. No.41762-B.1/49-1 Edn dated 4-6-1949.

Ⓤ p3 of in [illegible] file I

5 Again, the question of approval of plans and estimates in regard to the construction of building for the Board High School, Karvetinagar is still under correspondence and a further report will be submitted in the matter when the plans and estimates are approved by the Director. I may point out that Sri R.B. Rama Krishna Raju, the Hon'ble President, Madras Legislative Council applied for aid from Provincial Funds towards ~~x~~ this school stating that he was also contributing personally towards this construction - Vide in this connection Government Memo. No.96653-B.1/48-1-Edn dated 5-1-49.

Since approved vide p13 [illegible]

p7 of LF II

6 ~~xThis~~ There is also another scheme relating to the construction of a hall providing for 4 class rooms so as to give more accommodation to the Municipal High School, Cannanore and the question is now under correspondence with the Commissioner. I shall submit a further report in this matter shortly. The subsidy that may have to be sanctioned towards this scheme, if admitted will be about Rs.6,000/-.

The cost of the revised estimate (approved by the Director relating to the scheme pertaining to Municipal High School, Cuddalore (referred to in para 2 of the Government Memo. under question is Rs.13,600/-) [illegible]

Ⓡ Lastly, I wish to point out in this connection that out of the 9 building schemes for which subsidies were sanctioned during 1948-49 in G.O.No.2613 Edn dated 19-10-48 no amount has been paid so far in respect of the 4 schemes relating to the Board High Schools, Attili, Kanigiri, Jammalamadugu and the Municipal High School, Palghat since the Local Bodies did not claim any subsidy in respect of these schemes. The total amount of sanctioned subsidies for these 4 schemes is Rs.28,100/-. Since no amount has been paid towards these schemes it is a point for consideration whether these schemes can be reckoned as being eligible for payment of subsidy during the current year on the strength of the sanction ~~awarded~~ accorded last year by Government in their order referred to above or whether they are to be considered again in connection with Part II Budget Estimate of 1950-51.

Yours faithfully,

for Director of Public Instruction.

S

In inviting your attention to para 2 of the Government Memo. referred to above I request to be informed if it is the intention of Government that the application for subsidy called for from the Special Officer, District Board, Mathurai should be considered only in connection with Part II of the Budget Estimate for 1950-51 (i.e. treating the completion of the Building as a fresh scheme) and that the scheme (completion of the building) is not eligible for payment of any subsidy during the current year - vide in this connection para 2 of the Government Memorandum No.6691-B1/48-2 Education dated 28.2.1949. I may also add that the application for subsidy called for from the Special Officer has not yet been received and he has also been addressed for the same by this office. He is also being reminded again.

pp45 of 9

The revised Estimate and the plan relating to the scheme(for the whole work including the work already done) have already been approved by the Director as already reported to Government in Director's R.C.No. 10100(d)-G2/46 dated 16.4.1949. The Special Officer has been advised to furnish, while forwarding the application for subsidy, the cost of the work already done and the cost of the work yet to be done with reference to the revised Estimate.

Subsidies- Buildings - Secondary schools under local bodies

------

pp10-12 cf

From the D.P.I. R.C.No 1421 G2/48 dated 20-7-1949

------

Memorandum. No 40742 B1/49-4 Edn d 13.8.49 ~~Education dated.~~

13.8.49

The D.P.I. is informed that of the three schemes for which subsidies have been sanctioned in the previous years but for which no provision has been made in the current year's budget necessary provision for the two part-paid schemes Viz the scheme for the construction of a building for the Board High school, Uthamampalayam, and the scheme for the construction of abuilding for the Board High school, Kamuthi, may be made in Part 1 of the B.E. for 1950-51 estimating the amount correctly after ascertaining from the Dt Bds concerned the amount of subsidy that is likely to be claimed in the next year.

A on p 10 n.f

B

As regards the third scheme, Viz the scheme for the construction of abuilding for the Municipal High school, Chicacole, the question will have to be considered in connection with the Part II proposals for 1950-51, as the work has not yet been taken up and no subsidy is likely to be disbursed in the current year ~~as the work has not yet been taken up~~ ~~after the question~~ & the question of financing the scheme ~~is settled~~ has not yet been settled.

2 Inregard to the point raised in the last para of the ~~his~~ Director's letter whether subsidies can be disbursed in the current year inrespect of the schemes relating to the Board High schools at Attili. Kanigiri, and Jammalamadugu and the Municipal High school Palghat, for which no amount was ~~calimed~~ claimed in the last year, the attention of the D.P.I is invited to para 53 of the Madras Budget Manual and he is informedthat the schemes for which no ~~amount~~ subsidy is likely to be disbursed in the current year will have to be considered in connection with Part II xxxxxx of the Budget for 1950-51; But if any of the schemes qualifies

C in para 5 on p 11 n.f

for a subsidy in the current year, it may be paid in the current year and the balance of the subsidy due may be provided in Part I estimates for 1950-51. The Director is requested to ~~instruct~~ advise the Special Officers of the District Boards concerned and the Commissioner Palghat Municipalaity to push on the construction and claim the subsidy ~~[illegible]~~ as early as possible & to ascertain whether any subsidy will be claimed in the current year.

3. The D.P.I. is informed that inrespect of the four schemes for which ~~xxxxx~~ subsidies were sanctioned by the Govt without considering as Part 11 schemes (referred to in para 1 of the Director's letter cited above) the subsidies claimed may be disbursed in the current year out of the sanctioned appropriation and if the appropriation is found to be insufficient he may take the expenditure on these schemes into account when he submits proposals for additional appropriations, surrenders etc under '37 Education' in the first week of February 1950.

Through: The Chairman, Municipal Council, Cuddalore.

Roc.No.B.2.10224/48, dated 9th September 1949.

Sir,

Sub: Grant - Cuddalore Municipality - Municipal High School - Cuddalore - Provision of terraced roofing to the additional Blocks - Government Memorandum No.66907.B.1./48/2 Education, dated 5-10-48 - This officer letters Roc.No.B.2.10224/48 dated 26-5-49 and 27-6-49.

SECRETARY TO GOVERNMENT, EDUCATION AND PUBLIC HEALTH DEPT.
14 SEP 1949

70884

......

In this officer letters referred to above, the Government have been requested to sanction half grant ~~xx~~ and half loan for the provision of terraced roofing to the additional blocks in the Municipal High School, Cuddalore, at an estimated cost of Rs.13600/-. The Municipal Council, Cuddalore, conducted the All India Swadesi and Industrial Exhibition in June 1949 in this Municipality the net income of which was proposed to be utilized for the improvement of the Municipal High School building. The net proceeds of the Exhibition will be utilized for the purpose and the Municipal Council need not therefore go in for a loan to meet half the cost of the improvements of the High School building as originally proposed.

In these circumstances, I request that the Government may be pleased to sanction the payment of half grant ~~xx~~ at an early date. In anticipation of the orders of the Government sanctioning the half grant, action is being taken to put the work on hand during 1949--50 itself after calling for tenders. I presume there will be no objection for taking up the work on hand as the municipality is not in need of ~~xxxxx~~ a loan.

Forwarded.

Chairman,
Municipal Council, Cuddalore.

14/9

Commissioner.

....

:Enclosure (1):

Copy of letter dated 5-12-1948 from Sri R.B.Ramakrishna Raju, President, Madras Legislative Council, Madras to the Special Officer,District Board,Chittoor.

....

You are aware that I have set apart a plot of land for constructing a suitable building for the High school at Karvet nagar. I had requested the Highway department to give me a proper estimate and plans for the said building. The Supervisor of the Highways at Puttur has prepared a detailed estimate for the said building and submitted the same to the Divisional Engineer The said estimate is for a sum of Rs.85,000/-.

I have today requested the Divisional Engineer, Chittoor to approve of the said plans and estimate and submit them to yo for the approval of the Dist.Board and submission to the Govt. for half-grant. As regards the other half of the cost I will provide a suitable contractor to undertake the construction of the entire building without any financial liability on the -- Dist.Board.

I therefore request that the Dist.Board will be pleased to approve of the said estimate and recommend to Govt. for half grant and entrust the construction of this building either to me or to my nominee in which case I undertake to have the building constructed according to the specifications laid down in the estimate bearing the additional cost my self and without costin any financial liability on the District Board.

P.T.O.

I am very anxious that this should reach the Government in good time to be included in their Budget for 1949-50.

I am afraid it is already late and I shall be very thankful if you will be good enough to expedite the approval and despatch the estimate to the Govt. as expeditiously as possible.

**Resolution No.598.**

Read the following:--

1. Letter Rc.No.7593/48-D3 dated 10-12-1948 from the Divisional Engineer (Highways) Chittoor forwarding for sanction an estimate for Rs.93,000/- for the construction of a building to the Board High School, Karvetinagar.

2. Letter dated 5-12-1948 from the Hon'ble Sri R.B.Ramakrishna Raju, M.L.C. President, Legislative Council Madras undertaking to have the building constructed according to the specifications laid down in the estimate without casting any financial liability on the District Board, provided:--

(1) the construction is entrusted to his nominee; and
(2) the Government sanction half-grant.

....

:**Resolution**:

Estimate sanctioned. Government will be requested to sanction half-grant and the other half of the estimate will be met by the Hon'ble Sri R.B.Ramakrishna Raju and the work entrusted to his nominee -- provided further that if the Govt. grant is less than half-- the estimate, the entire balance will be met by Mr.Raju.

(20)

Dear Chettiar,

21/P

I learn that the Chittoor District Board has sent an estimate ~~on~~ and a proposal for Government grant for the construction of a building for the High School at Karvetnagar, my native place. The estimate is for Rs.93,000/-. I have given an undertaking to the District Board that whatever amount is required over and above the Government grant I shall undertake to raise and construct the building. I have already given away land of about 10 acres of mine for the purpose of the school. You were good enough to visit the school on the 3rd of December and I wish to remind you that it is at present located in temporary military sheds. It is therefore proposed to give it a decent permanent structure in a central locality situated on the main road. The present site is not easily accessible. The school is doing very well and there are nearly 300 students in the High School Department. I hope that next year V Form will also be opened and the strength will naturally improve. It is therefore very necessary that steps to provide a suitable accommodation for the existing classes and provision for further improvement should be taken up immediately. I had taken up this work as a contribution to the educational ~~aids~~ needs of ~~our~~ the locality which is really backward. This is very urgent and I hope the Government will be pleased to give their very sympathetic consideration to this request and sanction the usual grant for High Schools and provide for it in the Budget of 1948-1949. I request that you will be good enough to look into this matter and see that all the formalities are gone through as expeditiously as possible in time for inclusion in the Budget.

Thanking you in anticipation.

GOVT. OF MADRAS

Dear Mr. Chettiar,

Please accept my sincere thanks for your Pongal Good Wishes and for your letter promising to do what you can for the grant to the High School at Karvetnagar. I receprocate all your good wishes and your exaltation for service to the motherland.

You know that I have undertaken a very great responsibility in the matter of providing a suitable school building at Karvetnagar. I certainly look forward to you and your colleagues ~~f~~or help in achieving my object. If by any chance the grant is not sanctioned in

[P.T.O.]

1949-50, I am afraid it will be a great disappointment and a serious handicap to my efforts. I hear the proposals will be reaching the Government very soon. I sincerely hope and trust that with your usual desire to help in all good endeavours you will make it possible for the Government to include it in the next year's Budget.

Yours sincerely,

DEPUTY SECRETARY TO GOVERNMENT
EDUCATION AND PUBLIC HEALTH
1949

Dear Mr. Madhava Menon,

A High-school was sanctioned for my place Karvetnagar two years back and it is doing very well. At present the school is lodged in some temporary sheds built by the Military. I propose to have a pukka building constructed for the school and have also set apart a plot of land belonging to me for that purpose. I addressed the Chittoor District Board informing them of my proposal and requested them to prepare plans and estimates of the building and applied for a Government grant. The estimate is for nearly a lakh of rupees and I am therefore forced to rely upon Government's help for completing the building. I have also written to the

---

As

The question whether a subsidy of Rs 35,000 may be sanctioned for the scheme for the construction of a building for the Board High school Karvetnagar in the current year has been raised for orders & the file is under circulation. This may be added to the file on return

Rc.No.25264/48-A7.Dated:26-8-1949.

Sir,

.....

Director of Public Instruction
Rc 2738/48
30 AUG 1949
MADRAS

BUILDINGS--Secondary--Board High School Karvetinagar construction of a building--plan and estimate--approved - subsidy - sanction of.
Ref: Pros.Rc.No.2738-G2/48 dated 26-7-1949 from the Director of Public Instruction,Madras.

....

The Director of Public Instruction,Madras in his above proceedings approved the plan and estimate towards the construction of a building for the Board High School at Karvetinagar, amounting to Rs.85,000/-

In this connection, it is submitted that Hon'ble Sri R.B.Ramakrishna Raju, President, Madras Legislative Council has agreed to meet half the estimated cost of the building, the other half being met from Provincial subsidy, as resolved in D.B.R.No.598 dated 22-12-1948(copy enclosed). p24 infra

So I request that the Government may be pleased to sanction a subsidy equal to one half of the estimated cost.

The work will be put on hand after getting technical sanction to the estimate and plan from the Superintending Engineer Highways, Madras who has been addressed.

## NOTE FOR THE CABINET.

(Subsidies to local bodies for the construction of buildings for secondary schools - additional allotment required in the current year.)

----

Prior to December 1941 subsidies not exceeding one-half of the cost were given to local bodies for the acquisition of land and construction of buildings for secondary schools. In that year, the Government decided that no building grant should be given to any secondary school for boys unless a special case was made out that a grant was essential to the institution. Owing to the imposition of this restruction, most of the institutions had to get on with the existing buildings without putting up the additional buildings required or carrying out the extensions and alterations required to satisfy departmental requirements. On account of the rush for admission in secondary schools for boys in recent years the school authorities had to provide additional accommodation by putting up temporary sheds. As several schools were thus in need of additional accommodation and suitable buildings, the Government considered it necessary to revise their policy and sanction subsidies for the construction of buildings for secondary schools for boys relaxing the restrictions imposed in 1941. In view of the need for assisting a large number of institutions they decided in 1948 to restrict the maximum subsidy payable to any individual scheme to one-half of the cost subject to a maximum of Rs.35,000.

2. In 1948-49, the Government sanctioned subsidies amounting to Rs.106,400 to certain local bodies. In connection with Part II estimates for 1949-50, this Department recommended that a provision of Rs.1,10,000 might be made for part payment of subsidies in the current year to certain local bodies for the construction of buildings for 10 secondary schools, but the provision was reduced by the Cabinet to Rs.80,000 with a view to balance the budget. This reduced provision is not sufficient to meet the needs of local bodies. Further as certain building schemes were considered to be very urgent and could not wait for consideration as Part II schemes for 1950-51, the Government sanctioned as a special case subsidies not exceeding Rs.49,050 for four such schemes - viz. construction of buildings for the Board High Schools at Gurzala, Dachepalli and Karempudi under the Guntur District Board and the Board High School Lalgudi under the Tiruchirapalli District Board. It is considered necessary to adopt the same procedure in respect of the following three schemes:-

| | | Maximum subsidy admissible.<br>Rs. |
|---|---|---|
| (1) | Municipal High School, Cuddalore- Provision of terraced roofing to the additional blocks. | 6,800 |
| (2) | Board High School Aragonda, Chittoor - Construction of a building. | 32,000 |
| (3) | Board High School, Karvetnagar - Construction of a building. | 35,000 |

The first scheme is considered to be absolutely essential. The second has been commenced with the aid of the villagers and carried out to some extent, but the villagers are unable to contribute any more towards the construction. Without aid, the District Board is not in a position to complete the work.

P.T.O.

52

In regard to the third, the Hon'ble President of the Legislative Council has undertaken to contribute the entire amount required over the Government subsidy - for completion of the building which will be not less than Rs.50,000. The construction of buildings for this school is considered to be very urgent. The plans and estimates have been approved. It is therefore proposed to sanction subsidies in the current year itself for the three schemes. But the payment of subsidies will be spread over two or three years with referance to the progress in the execution of the works.

3. As the sanctioned appropriation of Rs.80,000 may not be sufficient to meet the claims for disbursement of subsidies in the current year, it is proposed to incur an additional expenditure not exceeding Rs.30,000 in the current year - (the amount representing the cut made in the provision originally suggested by the department). The Finance Department have agreed to the proposal. The actual amount required will be ascertained in January 1950 and action will be taken to obtain a supplementary estimate. In the meantime, the Accountant-General will be requested to admit the expenditure in audit pending provision of funds.

4. In view of the urgency, the case was circulated to Hon'ble Minister (Education & Law), Hon'ble Minister (Finance) and Hon'ble the Premier for orders whether the proposal may be placed directly before the Cabinet without reference to the Standing Finance Committee and they have agreed to that course.

5. The point for decision now is whether subsidies may be sanctioned in the current year, as a special case, for the three schemes referred to in paragraph 2 above and an additional expenditure not exceeding Rs.30,000 may be incurred in the current year on part payment of subsidies for the new schemes.

Dpu Sec 2/11/49

The Government sanction, as a special case, subsidies to the undermentioned Dt Bd and Municipal council towards the cost of construction of buildings for the secondary schools specified against them. The subsidy will be limited to one half of the actual cost of construction of the works subject to the maximum limit specified against them

| Name of the local body, | Description of the scheme. | Estimated cost.<br>Rs | Maximum subsidy admissible.<br>Rs |
|---|---|---|---|
| District Board, Chittoor | (1) Board High school, Aragonda — Construction of a building. | 64,000 | 32,000 |
| | (2) Board High school, Karvetnagar — Construction of a building | 85,000 | 35,000 |
| Municipal Council, Cuddalore | Municipal High school - Provision of terraced roofing to the additional blocks | 13,600 | 6,800 |

2. The subsidies will be disbursed on the post execution system. The local bodies concerned should take steps to execute the works and claim before the end of the current year ~~the~~ the subsidy admissible towards the expenditure actually incurred on the execution of the work till then. The balance may be claimed in 1950-51 after completing the work.

3. The D.P.I. is authorised to incur an additional expenditure not exceeding Rs 30,000 under "37 h.

p55cf

Education = Secondary =Grants to local bodies for secondary education A ordinary areas -2 Buildings - Voted" if the ~~sanctioned~~ Budget appropriation under this head is found insufficient to meet all the ~~calims~~ claims on account of the grant of subsidies during the course of the current year for seven new schemes —Viz construction of buildings for the Board high schools at Gurzala , Dachepalli ~~xxxxKaxxxxpudixxx~~ and Karempudi under the Guntur Dt Bd, Board High school Lalgudi under the Tiruchirappali Dt Bd, Board High schools Aragonda and Karvetnagar under the Chittoor Dt Bd and the Municipal High school Cuddalore. The Director is requested to report the actual ~~xx~~ amount required in excess of the budget provision early in February 1950 so that steps may be taken to obtain a supplementary estimate. In the meantime the A.G. is requested to admit in audit the expenditure on payment of subsidies to the new schemes specified above pending provision of funds. The Director is also requested to suggest necessary provision in Part I of the next year's budget if the subsidies are not likely to be drawn in full in the current year itself.

Subsidy and Loan - Municipal Council Cuddalore - Provision of terraced roofing to the additional blocks in the Municipal High School, Cuddalore

---

From the Commissioner Cuddalore Municipality ROC.
No. B.2. 10224/48 d 26.5.49

---

Last year the Commissioner Cuddalore Municipality applied for a subsidy of Rs10,000 towards the full cost of providing terraced roofing to the additional blocks of the Municipal High School, Cuddalore. As the plans & estimates for the work had not been approved by the Competent Authority, it was not possible to consider the application in connection with Part II schemes for 1949-50. The Commissioner was informed in Memo No 66907 M/48-2 Edn d 5.10.48 that the applic. can be considered only after the plans & estimates were approved and that subsidy towards the half of the cost of the scheme only was admissible.

2. The Commissioner has now reported that the plans & estimates have been approved by the S.E. The Scheme is now estimated to cost Rs 13.600 The Commissioner requests that subsidy toward one half of the cost & loan towards the other half which should be met from mcl. funds may be sanctioned in the current year so that the work can be put on hand

3. Normally such applications should be considered only as Part II scheme as they are new schemes of expenditure. ~~[illegible]~~ The Govt have already sanctioned subsidies amounting to Rs 1,80,800 and a provision of Rs. 80,000 only has been made for part payment in the current year. It does not seem that the scheme is so very urgent as cannot wait for consideration as Part II scheme for 1950-51. For orders whether it may be dealt with as a Part II scheme for 1950-51.

4. This is one of the items about which H.M. (Edn) has called for information. This may therefore be circulated to H.M. (Edn) for orders before proceeding further.

ASA
30.5.49

3 - JUN 1949
FINANCE DEPARTMENT

Fin (Exp A)

Please see the notes of the E&PH Depth. on pp 1+2 above and the minute of H.M. Edn. above.

2. As one of the measures for balancing the Budget for 1949-50,

---

the Cabinet, on the recommendation of the Standing Finance Committee, reduced the total provision in 1949-50 for subsidies to local bodies and private managements, for the construction of buildings for schools, from Rs. 3.94 lakhs to Rs.2.50 lakhs. It was therefore necessary to sanction only reduced allotments even in respect of schemes which were treated as Part II Schemes for the year 1949-50. In view of this, if fresh schemes are approved in the course of the current year, it would not only lead to the provision made for ~~of~~ the current year for this kind of expenditure being exceeded, but will also amount to going beyond the Cabinet decision.

3 The proposal under consideration does not seem to be so very urgent and essential as not to bear postponement to 1950-51.

4. In these circumstances, Finance may respectfully advise that the present proposal may be treated as Part II Scheme for 1950-51. // 4 If the scheme were to be pressed, circulation to H.M. (Finance) would ordinarily be sufficient in this case, as it does not involve a "new service", the amount of grant being Rs.6,800 which is below Rs. 10,000. But as it contravenes the policy adopted by the Government in connection with the Budget for 1949-50, it ~~seems~~ is necessary to place the scheme before the Cabinet along with other similar schemes, if any.

EDUCATION AND PUBLIC HEALTH

E&PH (B1)

The point for decision in this file is whether a grant not exceeding Rs 6800 towards one half of the cost of providing terraced roofing to the additional blocks in the Municipal High School, Cuddalore, should be sanctioned in the current year or whether the proposal may be considered as a Part II scheme for 1950-51. The previous HM (Edn) who visited Cuddalore, has minuted that the grant may be sanctioned in the current year. The Finance Deptt consider that the proposal is not so very urgent and essential as not to bear postponement to 1950-51 and advise that it may be treated as a Part II scheme for 1950-51. If however it is considered that the grant should be sanctioned in the current year, they consider that the matter should be placed before the Cabinet.

Please see the letter from the Commr. Cuddalore Mty on p 8 cf. The D.P.I. has not yet replied to the memo on pp 6-7 cf and it may take some time more to decide the question whether a grant should be made to the Municipal Council Cuddalore in the current year for provision of terraced roofing to the addl. blocks. The Commr. may be informed accordingly.

A draft memo is subd below for approval

29.6.49.

30/6/49

From the D.P.I. R.C.No 1421 G2/48 dated 20-7-49

pp10-12 cf

-------

In connection with Part ~~II~~ schemes for ~~1950-51~~ 1949-50, this Dept recommended that a provision of Rs 1,10,000 may be made for payment of subsidies for new schemes for the construction of buildings for secondary schools under local bodies, but the provision was reduced to Rs 80,000 by the Cabinet with a view to balance the budget. Since then, certain applications have been received for sanctioning subsidies in the current year . The point for decision now is whether any additional expenditure on the payment of subsidies should be incurred with the approval of the Cabinet. For this purpose, the D.P.I. was asked to furnish certain particulars in Memo No 40742/49-2 Edn dated 15-6-49. The D.P.I.'s reply to it will be found on pp 10-12 C-F.

Part II scheme note at Ⓦ

p 6 cf

2. The following are the acategories of schemes for which the question of providing funds for payment of ~~grant~~ subsidies in the current year has to be considered:-

I ~~(1)~~ Schemes for which grants have been sanctioned in previous years but for which no provision ~~has been~~ was made in the budget as it was then considered that the schemes are not likely to be taken up for execution in the current year.

Their present stage is noted below:-

(1) Board High school Uthamapalayam- Construction of a building

Ⓐ Vide Memo 66011/48-4 1-2/4/49

Against the maximum subsidy of Rs 16,000 sanctioned for this work in 1941, Rs 8763 has been disbursed and the work has been left incomplete owing to the failure of the contractor to finish it as per contract. The S.O. has been asked to get the revised estimate for completion of the work approved by the D.P.I. and then apply for a subsidy towards one of half of its cost.

(2) Board High school, Kamuthi, Ramnad Dt- Construction of a building for the middle school Dept. Against the subsidy of Rs 9247 sanctioned for this work, a small amount of Rs 314 only has been paid towards the cost of construction of a well. The main building scheme has ~~yet~~ not been taken up. The revised estimate for the work is under scrutiny and has not yet been submitted to the D,P.I. for approval. After it is approved the

correspondence at Ⓕ

apply for subsidy towards onehalf of the cost .

---

I

(2)

(3) Municipal High school Chicacole-Construction of a building

The revised estimate for the work is Rs 44,000- The maximum subsidy which the Govt undertook to pay as a special case is Rs 29,000 with reference to the previous estimate for Rs 33,000. Even if the maximum subsidy of Rs 35,000 is made as a special case, the council has to findRs 9,000- The financial position of the municipal council will not permit the incurring of any expenditure from its funds. The Council was advised to defer the scheme, but as it wants to proceed it has been asked to report whether it has collected any donation and if not how the cost will be met.

Ⓖ/89

Ⓨ/3.4 f.

The D.P.I. has suggested that a lump sum provision of Rs 20,000 may be made for these schemes, but having regard to the present stage of these schemes it seems unnecessary to provide anything in the current year's budget, It is not clear whether these schemes should now be treated as new schemes and considered as Part ~~II~~ schemes for next year or whether the D.P.I. may be asked to include necessary provision in Part 1 estimate for 1950-51. Finance may be consulted.

para 2 of p10 cf

A

m
27-7-49

It would seem sufficient to include the necessary provision in Part I of the BE for 1950-51.

m
27-7-49

II (2) Schemes for which grants have been sanctioned in the current year for which provision has to be made.

The maximum subsidy payable inrespect of the four schemes referred to in para 1 of the D.P.I's letter is Rs 490,50- An additional appropriation of Rs ~~20,000~~ 15000 may be obtained for these schemes,

As only a portion of the grants is likely to be drawn in the current year, this provision seems sufficient.

m
27-7-49

III ~~(3)~~ Very urgent schmes for which subsidies have to be sanctioned in the current year with out treating them as Part ~~II~~ schemes for 1950-51.

| | Estimated cost<br>Rs | Maximum subsidy admissible<br>Rs |
|---|---|---|
| (1) Municipal High school Cuddalore- Provision of terraced roofing to the additional blocks | 13,600 | 6,800 |
| (2) Board High school Aragonda- Chittoor Dt Bd | 64,000 | 32,000 |
| (3) Jaiva Bai Devji High school for girls, Tiruppur ( Municipal) | 1,00.000 | 35,000 |
| (4) Board High school Palladam - Construction ofa building | 97,000 | 35,000 |
| (5) Board High school ~~Palladam~~ Kollegal Construction of a building | 2,24,000 | 35,000 |
| (6) Board High school Karvetnagar | 93,000 | 35,000 |

p 1 cf

p 11 cf

6

Estimated cost Maximum subsidy admissible.

(7 to 10) District Baord Guntur-Construction of buildings for the Board High schools at Vinukonda, Kakumannu, Eddanapudi, Pittalavali palem, Ravendrapadu and addanki ( Not known) 1,93,800

Item 11 - Municipal High School Cumarue construction of 4 class rooms 12,000 6000

p11 cf

**Item (1).** Attention is solicited to the minutes of H.M. (Edn) on page 4 ante. This is a small scheme. The subsidy may be sanctioned in the current year.

m 27-7-49

**Item (2)** It is reported that the work has been carried out to some extent with the contribution made by the villagers, but they are unable to contribute any further. As it is desirable to complete the building , a subsidy may be sanctioned in the current year as proposed by the D.P.I.

p11 cf

m 27-7-49

**Items 3 to 5.** The previous decision to consider them in connection with Part II estimates for 1950-51 need not be reconsidered. It is open to the local bodies concerned to proceed with the execution of the work with the funds available with the permission of Govt as has been done in the case of Palladam.

m 27-7-49

pp 20-21 cf

**Item (6)** This is a scheme for which the President of the Leg.Council has proposed to meet the amount required over and ~~avoce~~ above the maximum subsidy of Rs 35,000. It is for consideration whether a subsidy may be sanctioned in the current year itself, The school is reported to be badly in need of accommodation.

p 54 of the linked file II

The plans and estimates have not yet been approved. The scheme may be taken up for consideration later on.

m 27-7-49

**Items 7 to 10** The Govt have already sanctioned subsidies in the current year for three schemes pertaining to the Guntur Dt Bd. It is for consideration whether the question of sanctioning subsidy for the new 5 schemes, now applied for maybe considered in connection with Part II schemes after getting the further report promised by the D.P.I. If however it is considered necessary, subsidy may be sanctioned only for the scheme for the construction of a building for the Board High school Vinukonda which is reported to be in progress. In the rest of the cases there is no approved estimate.

m 27-7-49

para 3 on p. 2 of the linked file I

Item (11) - This may be considered as Part II scheme for 1950-51 after the further report from the D.P.I. is received

m 27-7-49

An additional appropriation of Rs 20,000 may be obtained in due course for these new schmes. The total additional expenditure on payment of subsidies in excess of the appropriation made in the budget will them come to Rs 40,000.- i.e Rs 10.000 in excess of the cut made by the cabinet,

It would perhaps be sufficient if the cut made by the Cabinet viz Rs 30,000 is restored.

m 27-7-49

4 In this connection the D.P.I. has raised the question whether four schemes for which subsidies were sanctioned by Govt last year but for which no claim was preferred in that year may be considered eligible in the current year or whether they should again be brought forward as Part II scheme for 1950-51. The subsidies were sanctioned late in the last year and it was probably not possible for the local bodies concerned to take up the execution of the works and claim subsidies in time. Subsidies may be paid to these schemes out of the ~~sanctioned appropriation~~ provision of Rs 50000 made in Part I estimates for 1950-51. Normally a period of three years ~~may be allowed for~~ is taken by the local bodies to execute the schemes for which subsidies have been sanctioned and claim the subsidy due. The promise of subsidy may be considered to have lapsed if the works are not taken on hand during that period.

p 12 cf

19-10 cf

Out of the total approp of Rs 130000 in the budget 50000 was provided under Part I [illegible] Part II

Finance (Exp.A.) Dept.

(Previous Finance note on pp.2-3 above)

Please see the orders in circulation on p.4 above and the note of E.&.P.H. from p.6 above.

p 6 above

E.&.P.H. state that the question of providing funds in respect of the following three categories of schemes have to be considered:-

I) Schemes for which grants have been sanctioned in previous years but for which no provision was made in the budget as it was then considered that the schemes are not likely to be taken up for execution in the current year,

p 6 above

II) Schemes for which grants have been sanctioned in the current year for which provision has ~~xxxx~~ to be made, and

p 7 above

III) Urgent schemes for which subsidies have to be sanctioned in the current year without treating them as Part II Schemes for 1950-51.

The necessity or otherwise of providing funds for the schemes is dealt with below:

P.T.O.

2. Item I in para 1 above - Schemes for which grants have been sanctioned in previous years but for which no provision was made in the budget, as it was then considered that the schemes are not likely to be taken up for execution in the current year.

p 9

pp 6-7 above

E.&.P.H. refer to three schemes ~~out of which~~ under the category. A portion of the grant was disbursed in the past for two schemes viz. items (1) and (2) in para 2(I) on p.6 above. In ~~one~~ the third case viz. item (3) on p.7 N.F. no portion of the grant ~~sanctioned in previous years~~ was disbursed in the past and it is not known whether any payment will be made in the current year. E.&.P.H. suggest that ~~a lump sum~~ necessary provision ~~of Rs 15,000~~ may be made for the three works in Part I of the B.E. for 1950-51.

B on p 7 above

× p 17 of the 1st Edition BR No. 65

Under para 53 of the Madras Budget Manual, the Part II estimates include grants not only for new works but also for works in progress or completed works for which no part of the grant has actually been disbursed in a past year and no part is likely to be disbursed in the current year. Finance may suggest that necessary provision for items (1) and (2) on p.6 N.F. may be made in Part I of the B.E.1950-51 and that the D.P.I. may be asked to estimate the amount correctly when submitting his estimates with reference to later information available. Item (3) viz. grant for the construction of a building for the Municipal High School, Chicacole will have to be considered in connection with the next Part II proposals for 1950-51, as the work has not yet been taken up and as no grant will evidently be disbursed in the current year.

A

6.8.49

p 9 above

3. Item II in para 1 above - Schemes for which grants have been sanctioned in the current year for which provision has to be made.

page 9

C on p 7 above

E.&.P.H. consider that an additional appropriation of Rs 15,000 will be required towards the grants payable for the schemes. It may be possible to meet the additional expenditure in this case, if savings accrue under other items within Grant XV in the course of the year. As it is not usual to sanction additional appropriations in such cases in the ~~course of a year~~ early part of the year, E.&.P.H. may be requested to instruct the D.P.I. to take the expenditure on these schemes ~~also~~ into account when he submits proposal for additional appropriations, surrenders, etc. under '37 Education' in the first week of February, 1950.

B

6.8.49

6.8.49

P.T.O.

---

p 9

(a) Item (3) to (5) and (7) to (11) on pp.7-8 N.F.

Finance may agree with E.&.P.H. that they may be considered as Part II Schemes for 1950-51.

6.8.49

6.8.49

(b) Items (1), (2) and (6) - These are new schemes. The maximum subsidy admissible is Rs 73,800. E.&.P.H. consider that an additional appropriation of Rs 20,000 will be required for these schemes and that it will be sufficient, if a total additional provision of Rs 30,000 is sanctioned for these schemes ~~schemes~~ and those dealt with in para 3 above.

p 10

98

R on p 8 above

The provision proposed by E.&.P.H. for Part II Schemes in the Budget Estimate, 1949-50 relating to subsidies for construction of buildings for secondary schools under local bodies was Rs 1,10,000. This amount was reduced to Rs 80,000 by the Cabinet with a view to balancing the budget. As already stated by this Dept. on p.3 above, the question of providing funds for new schemes has to be submitted to the Cabinet for orders, as it contravenes the policy adopted by the Govt. in connection with the Budget for 1949-50. A supplementary grant should also be obtained where the amount of grant exceeds Rs 10,000

see para 1, p 6 above

6.8.49

6.8.49

98

p 11 of the 1st Edition BR No. 65

C

5. As regards the payment of subsidies for the schemes dealt with in the last para on p.12 C.F., the E.&.P.H. Dept. may be requested to draw the attention of the D.P.I. to para 53 of the Madras Budget Manual and to inform him that the schemes for which no grant is likely to be disbursed in the current year will have to be considered in connection with Part II of the Budget for 1950-51. But if any of the schemes qualifies for a grant in the current year, it may be paid in the current year and the balance of the grant due may be provided in Part I Estimate for 1950-51

B 1 section.

Please see the Finance Department's note from page 9 ante. The suggestion of the Finance Department in paras 2,3,& 5 of their note may be accepted and the D.P.I. may be informed accordingly.

2. The only remaining point on which orders have to be taken in circulation ~~xxx~~ is whether subsidies should be sanctioned in the current year for new building schemes which are considered to be so very urgent as not to be admitted for consideration as Part II schemes for 1950-51. A list of 11 schemes is given in para 2 (iii) on pages 7-8 ante. Finance have agreed with this Deptt's view that items 3to 5 and 7 to 11 may be dealt with as Part II schemes for the next year. They have no objection to the question of sanctioning subsidies in the current year being considered in respect of the following three schemes:-

| | Maximum subsidy admissible | |
|---|---|---|
| Municipal High school Cuddalore- Provision of terraced roofing to the additional blocks | 6,800 | – item 1 on p 7 ante |
| Board High school, Aragonda- Chittoor Dt Bd-Construction of a building | 32,000 | – item 2 on p 7 ante |
| Board High school, Karvetnagar-Construction of a building | 35,000 | – item 6 on p 7 ante |
| Total | 73,800 | |

Inregard to the last item, attention is solicited to the Director's letter on page 13 C.F. wherein he has reported that the plans and ~~xxx~~ estimates have since been approved by him and that the cost of the approved estimate is Rs 85,000. It is for consideration whether a subsidy for this scheme may be sanctioned in the current year, ~~None~~

G.O. 1945 Edn (B) 9/12/41

Subsidies to local bodies for the construction of buildings for secondary schools - Additional allotment required in the current year.

-----------

Prior to December 1941 subsidies not exceeding one half of the cost were given to local bodies for the acquisition of land and construction of buildings for secondary schools. In ~~1941,~~ that year, the Govt decided that no building grant should be given to any secondary school for boys unless a special case was made out that a grant was essential to the ~~instit~~ institution. Owing to the imposition of this restriction, most of the institutions had to get on with the existing buildings without putting up the additional buildings required or carrying out the ~~improvements~~ ~~additions and alterations~~ extensions and alterations required to satisfy departmental requirements. ~~Further~~ On account of ~~the~~ the rush for admission in secondary schools for boys in recent years, the school authorities had to provide additional accommodation by putting up temporary sheds. As several schools were thus in need of additional accommodation and suitable buildings, the Govt considered it necessary to revise their policy and sanction subsidies ~~for the construction of~~ buildings for secondary schools for boys relaxing the restrictions imposed in 1941. In view of the need for ~~for~~ assisting a large number of institutins they decided in 1948 to restrict the maximum subsidy payable to any individual scheme to one half of ~~the~~ the cost subject to a maximum of Rs 35,000. ~~They also decided that the distinction made between schools opened before 1930 and after in the matter of aid should be removed.~~

2. In 1948-9, the Govt sanctioned subsidies

20 15

(R) (G.O. No 2613 Edn/19-10-48)

amounting to Rs ~~102975~~ 1,06,400 to certain local bodies. In connection with Part II estimates for 1949-50, this Department recommended that a provision of Rs 1,10,000 ~~may~~ might be made for part payment of subsidies in the current year to certain local bodies for the construction of buildings for 10 secondary schools, but the provision was reduced by the Cabinet to Rs 80,000 with a view to balance the budget. This reduced provision ~~may~~ is not ~~be~~ sufficient to ~~xxxmeet~~ meet the ~~claims~~ needs of local bodies. Further as certain building schemes were considered to be very urgent and ~~cannot~~ could not wait for consideration as ~~a~~ Part II schemes for 1950-51, the Govt sanctioned as a special case subsidies not exceeding Rs 49,050 for four ~~building~~ such schemes viz construction of buildings for the Board High schools at Gurzala, Dachepalli and Karempudi under the Guntur Dt Bd and the Board High school Lalgudi under the Tiruchirapalli Dt Bd. It is considered necessary to adopt ~~a similar~~ the same procedure in respect of the following three schemes:-

Part II note at (W)

G.O. No 1201 Edn 20-4-49 (U) — p 10 cf

p 11 cf

| | Maximum subsidy admissible Rs |
|---|---|
| (1) Municipal High school Cuddalore- Provision of terraced roofing to the additional blocks | 6,800 |
| (2) Board High school Aragonda, Chittoor ~~Dt Bd~~ -Construction of a building | 32,000 |
| (3) Board High school Karvetnagar -Construction of a building | 35,000 |

p 12 nf

p 1 cf and pages 2 & 4 nf

The first scheme is considered to be absolutely essential. The second ~~work~~ has been commenced with the aid of the villagers and carried out to some extent, but the villagers are unable to contribute any more towards the construction. Without aid, the Dt Bd is not in a position to complete the work. Inregard to the third, ~~a gentleman~~ the Hon'ble President of the Leg. Council has undertaken to contribute the ~~balance of funds~~ entire amount required ~~in excess~~ over the Govt subsidy - for completion of the building which will be not less than Rs 50,000. ~~of Rs 35,000 entirely for the work and the construction of a building~~ The construction of buildings for this school is considered to be very urgent. ~~for this institution is considered to be urgent. In all the three cases~~ The plans and estimates have been approved. It is therefore proposed to sanction subsidies in the current year itself for the three schemes. But the payment of subsidies will be spread over two or three years with reference to the progress in the execution of the works

p 11 cf

(Linked file)

3 As the sanctioned appropriation of Rs 80,000 may not be sufficient to meet the claims for disbursement of subsidies in the current year, it is proposed to incur an additional expenditure (not exceeding Rs) ~~of Rs~~ 30,000 in the current year - ( the amount representing the cut made in the provision originally suggested by the department). The Finance Department have agreed to the proposal. The actual amount required will be ascertained in January 1950 and action will be taken to obtain a supplementary estimate. In the meantime, the A.G. will be requested to admit the expenditure in audit pending provision of funds.

p 11 nf

---

16 (47)

4 ~~3~~ In view of the urgency, ~~the new service procedure was not followed and~~ the case was circulated to H.M.(E & L), H.M. (Fin) and H-Pr for orders whether the proposal may be placed directly before the cabinet without reference to the Standing Finance Committee and they have agreed to that course.

5 ~~4~~ The point for decision now is whether subsidies may be sanctioned in the current year, as a special case, ~~xxxxxxx~~ for the three schemes referred to in para 2 above and an additional expenditure not exceeding Rs 30,000 may be incurred in the current year on part payment of subsidies for the new schemes.

26/1

24 JAN 1949 EDUCATION AND PUBLIC HEALTH DEPARTMENT

CNo 5736. From the DPI Rc. 2738 G2/48 of 24.1.49

p15 cf

The sum of Rs 2.5 lakhs allowed for sanctioning grants for the construction of buildings for secondary schools for boys in the current year has already been distributed and it is not possible to sanction any grant towards the cost of construction of buildings for the Board High School Karvetnagar in the current year.

2. The plans & estimates for the construction of the building have not yet been approved by the DPI. Vide his report on p15 cf. It is only after they are approved, the question of giving a grant towards the cost of construction of the building can be considered.

As matters stand now, the scheme will become ripe for consideration only as a Part II scheme for 1950-51. After the plans & estimates are approved by the DPI, it will be open to the Dt Bd to proceed with the construction of buildings with the amount proposed to be raised for the purpose pending decision on the question of sanctioning a grant for the work. if the scheme is so very urgent and cannot bear postponement to 1950-51

3. From the D.O. of the President of the Madras Legislative Council on pp 11-12 c.f. it appears to be his intention to construct the building by his own agency. Please see the resolution of the Dt Bd also on p 3 cf In that case no grant can be made as it is not usual for the Govt to make grants to local committees or benefactors who undertake to construct buildings for secondary schools under local bodies. In such cases they should construct the building with the funds available & hand over the building to the local body concerned for completion with help of Govt grant

4. Under the existing orders, the maximum amount of grant that can be paid for the scheme is only Rs 35,000 The balance of cost should be met by subscriptions & Dt Bd funds - and the Dt Bd should follow the prescribed rules for the execution of the work - i.e. invite tenders and entrust the execution of the work to the accepted tenderer.

5. The further report from DPI may be awaited. HM (Edn) may see the Director's report on p 15 cf

30.1.49

31-1-49

S

HM (Edn)

Further report may be awaited. The D.P.I. had promised to send proposals for the quarter ending with 31-12-1948, with regard to approval of building grants to secondary schools, but nothing has been received; or, if received, it has not been put up. That may be looked into.
