R.C.No: 727-L4/48 dated 26th Septr.1949.

SIR,

GOVERNMENT ORIENTAL MANUSCRIPTS LIBRARY, MADRAS--PUBLICATION OF
RARE MANUSCRIPTS--Expenditure on the purchase of table electric
lamps--Sanction requested.

Reference:-G.O.No.Ms.2745-Education dated 31.8.1949. (A)/253-254

In para ③ of my letter R.C.No.727-L4/48 dated 14.9.1949, I informed Government that the request of the Curator for lights and fans has been deferred by me as the items are costly and did not appear quite necessary then.

It has since been represented to me that the electric lights available in the library are not sufficient for the additional members, and that they do not have sufficient light to work in the afternoons. The Curator has therefore requested that atleast two table electric lights at a cost of about Rs.21/- each may be supplied to him to provide sufficient light for the staff working in the copying of manuscripts and in correcting proofs. I consider that the request is reasonable and that the supply of these additional lights is necessary in order to enable the copyists to attend to their work satisfactorily and without interruption. I request that Government may be pleased to sanction the purchase of two table electric lights with the requisite wiring material, at a cost not exceeding Rs.50/-.

I request the favour of early orders.

50,000/-

The expenditure can be met from the provision of Rs. 5,000/- in the Budget Estimate for the current year for the publication of manuscripts.

Yours faithfully,

hosh mun ami's
