(REGISTERED UNDER THE INDIAN SOCIETIES ACT XXI OF 1860)

PRESIDENT:

SECRETARY:

Personal touch is a better solvent to many Government problems than paper.
H. E. Lord Wavell.

21st Jan. 49.

The Hon. Sri. S. Vinasingam Chettiar, M.L.A.,
Minister for Education,
Govt. of Madras,
Fort Saint George,
Madras.

Sir,

I enclose herewith a copy of the printed prospectus of the Association giving an account of its achievements from its very inception in 1924. It has done the work which even the authorities could not do in its early days for the education and uplift of the depressed classes now called Harijans and its uphill work for the education and uplift of the aborigines is just being recognised by the Government aiding the Irular Hostel organised and maintained by the Association since 1946.

The Association, for some fault not of its own, is now being threatened with a suit for recovery of a sum of Rs. 272/- being 2/3ths of a building grant of Rs. 363/- paid by the District Educational Council, Coimbatore, towards the completion of the Manjundapuram School building of the Association which is still being used for educational purposes only by the Harijan communities of the village. So, the following resolution was passed at the meeting of the Association held on 6th Jan. 49 with Sri T.R. Sundaram Pillay, B.A., B.L., Vice President of the Association, in the chair:- RESOLUTION NO. 5.

"Read Letter from the Deputy Inspector of Schools d/- 15-12-48 and the connected papers:- RESOLVED to inform the Govt. that the building in question is continued to be used for educational purposes only; and further requests the educational authorities to approve the purposes as coming within the category of educational purposes. In this view this Association is of opinion that no question of refunding the grant will arise."

P.T.O.

2.
In forwarding the above resolution for your information
I pray for necessary orders for reasons stated above.

Yours faithfully,

S. Chinappan

notice of the authorities. A protected water supply scheme was investigated by the Association and executed by the District Board at a cost of over Rs. 6000/- A spring-well at the foot of the hills about 6 furlongs from the village is now supplying excellent drinking water to the village.

As experts in making the best use of useless articles, the Association collected old books of school children and used them for Adult Education work in villages. Last year old and discarded garments were collected and distributed among the poor in Famine Relief Centres at Gomangalam and Mulanur. The local S. P. G. Church gave a liberal contribution of Rs. 21/10/- towards the cost of collecting, mending, cleaning and distributing such useful gifts.

ERADICATING CORRUPTION & AGGRESSION.

The Association has conducted five conferences of Depressed classes including the Aborigines and the so-called Criminal Tribes and has taken their grievances to the notice of the Government and the public for remedy. The Vedarkula Sangham, a Registered Association, is one of its achievements in this line of work.

Last year, the grievances of our Municipal Sweepers were taken to the notice of the authorities with suggestions for remedy. The Association has rendered useful service to many a disabled workman to secure the benefits of the Workmen's

Compensation Act and is ever ready to render service to workpeople and their employees for their mutual benefit, if approached.

Several instances of corruption of public servants were taken to the notice of the higher authorities for necessary action. The fraudulent use of false weights and measures by some merchants, traders and hawkers is now receiving our attention.

In promoting Temperance among the poor communities, in encouraging thrift, in speeding up the Removal of Untouchability, in securing the benefits of the Debt Relief Act for agricultural debtors, and providing Legal Aid for the poor in cases of aggression, etc. the Association has become widely known as the 'Guide and Champion of the Oppressed' as our League of Service composed of MITY contributions of our members, will not tolerate aggression of any kind to any extent by any one under any circumstances. Hence its popularity among rural folks who seek our aid even for treatment in Hospitals; and its nuisance value to corrupt persons.

FINANCE

In February 1932, Mr. F. J. Stanes visited our Nanjundapuram School, and in appreciation of our work, offered all the timber valued over Rs. 300/- for a pucca building which is now our proud possession, due also to the gift of tiles by our President Sri P. S. G. Ganga Naidu and of bricks by the Agent. S. I. Railway.

During the last 15 years, the Association collected a sum of Rs. 8,852-7-4 by way of subscriptions and donations from its members and friends, including a sum of Rs. 2,380-11-3 contributed by villagers and a sum of Rs. 360/- donated by The Viceroys. Besides the above, a sum Rs. 5,908-15-0 was received as grants from the Government and Local Boards for the maintenance of our schools and Adult Education Work. But it is now faced with a deficit for want of regular, financial support to carry on our activities in its sixteenth year.

OUR APPEAL

We, therefore, appeal to you for a liberal contribution to our Association and also want you to take an intelligent interest in its work. If you think it deserves your sympathy and support, extend them immediately to enable it to continue its activities for the good of our people and the advancement of our country.

YOU CAN HELP THE ASSOCIATION

- By Becoming a member
- By Paying a Donation towards its funds
- By Asking your friends to become members
- By Offering your voluntary services in any of its activities in which you are particularly interested.

We count upon your sympathy and support for our work.

DONATIONS, however small and even in kind, will be thankfully accepted.

An amount of Rs 363/- was sanctioned on 31-3-1937 as building grant to the Giris and Social Workers' Association's Scheduled Caste Elementary School at Nanjundapuram (Coimbatore Dt.) by the defunct District Educational Council, Coimbatore.

L/PICP

But owing to the unsatisfactory work of the school, the D.E.O of Coimbatore withdrew its recognition on 2-8-1942. Thus since the school building ceased to be used for educational purposes the D.P.I ordered that a sum of Rs 272/- should be recovered from the management of the school, being the proportionate grant recoverable from the management of the school. The management of the school refused to pay the amount and consequently, the Govt. sanctioned the institution of legal proceedings

In his letter on P11CP the D.P.I reports that the building is now being used for housing a Cooperatives Society, an unrecognised Public Library and unrecognised adult elementary school which are all reported to be under the auspices of the Devandra Sangam of Nangindapuram which is one of the affiliated rural Sangams of the Grame and Social Works Association.
