Rc No. 3611 E1/48 dated 13.10-49

Sir,

Subject: Schools - Anglo-Indian - Proportion of teachers
to pupils - Amendment submitted for approval

The strength of prescribed in Article 30 of the
Code of Regulation for Anglo-Indian Schools is 30 pupils
for a class. Most of the schools have a strength less than
30 pupils in each standard. In their memo No. 6336-C1/49-1
Edn. dated 28.2.49 Government permitted the admission of
non-Anglo-Indian pupils in Anglo-Indian schools upto 49% of the
total strength of the school. Consequently the strength
of Anglo-Indian Schools has risen slightly.

From the inspection reports of the schools, it
is observed that certain schools have two sections for a
strength of 30 to 40 pupils in a standard as per article 30
of the Code. The Inspectress of Anglo-Indian Schools was
requested to place the proposal for bringing the article 30
of the Code in line with Rule 18 of the Madras Educational
Rules. The proposal was considered by the Madras Provincial
Board for Anglo Indian Education at its meeting held on
8-9-49 and the following resolution was adopted.

Resolution No. 3:

Amendment to Article 30 - Code of Regulations for
Anglo-Indian Schools - To permit a strength of 40 in each
standard or section of a standard - The amendment was approved
by the Board ".

I therefore submit for the approval of Government
the following amendment to article 30 of the Code.

FOR the existing article 30 READ: "30. The staff will
ordinarily be regarded as in-sufficient if any teacher
is required to instruct more than 40 pupils or more than
two classes at one and the same time".

Yours faithfully,

[Signature]
