2 As the expenditure on account of the Central
College of Karnataka Music, Madras, is shared by the
Govts. of India and of Madras, the Govt. of India may
claim a share of the revenue of the institution. The
question of adjustment of receipts between Central and
Provincial may, however, be considered when the question
is specifically raised by the Govt. of India. There will be an
opportunity in this regard as the receipts are proposed to be worked
separately - cf. B on page 7 of.
