(1)

REPORT ON THE WORKING OF THE MADRAS GOVERNMENT PRESS AND ITS BRANCHES FOR THE YEAR 1948-49

2. *Superintending staff.*—Mr. A. Lepper, the permanent Superintendent, Government Press, Madras, was in charge of the Press up to 20th November 1948 and was granted leave on average pay for eight months from 21st November 1948 and leave on half average pay for one month in continuation (G.O. Ms. No. 2842, Education, dated 12th November 1948 and G.O. Ms. No. 999, Education, dated 6th April 1949).

I was appointed as acting Superintendent, Government Press, Madras (G.O. Ms. No. 2842, Education, dated 12th November 1948) and was in charge of the Press from 21st November 1948, when I took charge from Mr. A. Lepper.

Mr. A. G. Anderson, Senior Deputy Superintendent, was granted leave from 12th November 1947 and was permitted to retire with effect from 1st September 1948. [Government Memorandum No. 18616-Pen.-2, Finance (Pension), dated 29th March 1949.]

Sri K. P. R. Menon, Junior Deputy Superintendent, who was on deputation out of India up to 9th May 1948 was granted earned leave for 19 days from 10th to 28th May 1948 (G.O. Rt. No. 102, Education, dated 9th June 1948). He was officiating as Senior Deputy Superintendent, Government Press, Madras, from 29th May 1948 to 4th August 1948. His services were lent to the United Nations Secretariat for appointment as Management Engineer for a period of two years from 5th August 1948 (G.O. Ms. No. 1867, Education, dated 27th July 1948).

The following officers were on leave during the year for the periods mentioned against them:—

Sri N. Raghunatha Ayyar, Personal Assistant to the Superintendent, Government Press, Madras, was granted leave on average pay on medical certificate for four months from 16th July 1948 (G.O. Rt. No. 152, Education, dated 24th August 1948) and on extension of leave on medical certificate for six months from 16th November 1948 (G.O. Rt. No. 8, Education, dated 20th January 1949). He expired on 18th February 1949.

Sri G. Muthaiya Pillai, Office Manager, Government Press, Madras, was appointed to officiate as the Personal Assistant to the Superintendent, Government Press, Madras, with effect from 16th July 1948 (G.O. Ms. No. 1953, Education, dated 6th August 1948 and G.O. Ms. No. 2778, Education, dated 5th November 1948).

Sri G. F. Amalanathan, Junior Deputy Superintendent, was granted earned leave for thirteen days from 19th to 31st July 1948 (G.O. Rt. No. 142, Education, dated 29th July 1948) and extension of earned leave for forty-nine days from 1st August to 18th September 1948 (G.O. Rt. No. 149, Education, dated 20th August 1948) and further extension of earned leave for seven days from 19th to 25th September 1948 (G.O. Rt. No. 182, Education, dated 15th October 1948).

Sri K. Govindaraju, Electrical and Mechanical Engineer, was under suspension from the afternoon of 16th October 1948 under orders of Government on alleged corruption charges and was subsequently acquitted and the suspension period from the afternoon of 16th October 1948 to 22nd February 1949 was treated as duty (G.O. Ms. No. 472, Education, dated 21st February 1949). Sri N. Subramaniam, Assistant Engineer, Pykara Electricity System, Coimbatore, was appointed as Electrical and Mechanical Engineer, Government Press, Madras, in the absence of Govindaraju—vide orders in notification at page 1095 of Part I of the Fort St. George Gazette, dated 9th November 1948, by the Chief Engineer for Electricity.

The rise in the case of standardized forms was due to the heavy demands of standard forms by certain departments and the forms, covers, etc., supplied to the newly created offices. The decrease in the case of non-standardized forms was due to the further non-printing of certain ration cards, forms, etc., during the year.

The value of saleable forms supplied to local bodies and others on payment of cost (vide G.O. No. 2764, L. & M., dated 31st July 1925) was Rs. 83,956-15-1 against Rs. 84,496-14-0 in the previous year.

13. Statement No. I gives the analysis and allocation of total costs of various departments of the Central Press and Penitentiary Branch Press. The payment of dearness and house-rent allowances granted to the employees during the year were all treated as other compensatory charges. There is a fall in the percentage of overhead charges to productive wages as compared with the last year in the departments noted below except Linotype composition at the Central Press due to increase in wages. The rise in the percentage of overhead charges to productive wages as compared with the last year under Linotype composition is due to supply of spare parts, etc., to this department during the year under report.

The fall or rise in the percentage of overhead charges to productive wages as compared with the last year at the Penitentiary Branch Press is due to the reasons stated above.

14. *Plant*.—Plant to the value of Rs. 2,01,707-0-0 was added during the year against Rs. 90,891-12-0 in the previous year. Apart from types replaced the chief additions include eighteen forme trolleys, three bicycles, one air cooling tank, three lead and rule cutters, five treadle numbering machines, six hand paging machines, thirty-six penslides, one punching and eyeletting machine, thirty hand numbering machines, two Linotype machines, one furnace electric remelting and fifty type high numbering machines. The year closed showing the value of the plant to be Rs. 12,39,003-3-0 after deducting depreciation (Statement No. III-A).

15. *Stores*.—The stock of stores was as usual verified by an outside expert at the end of the year and closed with a balance of Rs. 2,52,285-10-11 excluding Service Postage Stamps against Rs. 2,47,998-3-0 in the previous year. The increase in value is due to a large stock of stores on hand at the end of the year.

16. *Acts and books* to the face value of Rs. 1,78,959-7-1 were added to stock during the year against Rs. 1,49,552-9-6 in the previous year. The increase is due to—

- (1) Reprinting of some of the books prescribed for special test examinations.
- (2) Guide to Citizenship.
- (3) Socio Economics by Sri Aiyappan, etc.

The total sales amounted to Rs. 1,01,576-2-1 against Rs. 84,734-12-5 in the previous year. The increase is due to the sale of Account Test books and new publications.

The following were added to the list of agents during the year:—

- (1) S. S. Book Emporium, Book Sellers and Publishers, Basvangudi, Bangalore-4.
- (2) Rajaji Depot, Book Sellers, Devakottai, Ramnad district.

17. (a) The value of free issues of priced publications supplied during the year was Rs. 60,532-4-9 against Rs. 63,078-8-9. The decrease in value is owing to the printing of larger number of correction slips issued to the old editions of the publications which are not reprinted.

(b) The total number of books, gazettes, papers, etc., distributed apart from sales was 1,304,747 against 1,049,782 in the previous year. The increase is due to larger number of Press papers, Press Communiqués and official publications, printed and distributed. This figure includes 356,800 copies of Grow More Food Journals, 290,650 copies of "Madras Information", 35,030 copies of Women's Welfare Journal and 2,400 copies of wholesale prices of commodities included in the zonal scheme of the Civil Supplies department and Madras Legislative Assembly and Madras Legislative Council proceedings and papers placed at the disposal of the press but excludes 1,435,332 copies of booklets, etc., on Post-war Reconstruction and Saving Scheme Certificates and receipts 1,620,570 copies of publicity pamphlets, 3,215,214 copies of prohibition forms, permits, etc., and 60,242,077 copies of forms, etc., pertaining to rationing, procurement, food bonus coupons, etc.

18. *Gazettes Extraordinary*.—Nine hundred and one Gazettes Extraordinary were issued during the year, of which two hundred and ten were in connexion with the control of food supplies, fifty-five in connexion with prices of kerosene and firewood, thirteen of salt and fifty-one in connexion with elections to the Legislatures and the rest five hundred and seventy-two relate to Excise, Forest, Public (General), Revenue Administration, Local Government affairs, Education, notice of sales, etc. The districts issuing Gazettes Extraordinary together with their numbers are given below:—

Tiruchirappalli 66; Kurnool 57; Krishna 55; Guntur 48; Bellary, West Godavari and Nellore 45 each; Anantapur 43; Salem 42; Tirunelveli 40; North Arcot and Ramnad 39 each; Tanjore 38; East Godavari 37; Chingleput, Cuddapah, South Arcot and Malabar 33 each; Mathurai 30; South Kanara 28; Visakhapatnam 22; Chittoor and Coimbatore 21 each and the Nilgiris 8.

19. *Expenditure of departments (Statement II)*.—Cases of marked variations either under increase or fall in respect of allocations of the total press costs for the year to the several departments entitled to free printing are given with reasons noted against each for such fluctuations. Other departments remained almost constant.

Paid from other officers' contingencies.—Eighty-six bills amounting to Rs. 15,222-0-6 were passed during the year for payment from other officers' contingencies on account of binding work done through private agency as compared with one hundred bills amounting to Rs. 15,311-6-0 in the previous year.

Bills checked for private bodies.—Bills to the amount of Rs. 3,04,975-1-5 were checked and passed for Rs. 3,00,757-4-1 for private bodies against Rs. 2,10,884-1-7 checked and passed for Rs. 2,06,046-2-8 in the previous year. Audit fees for checking bills of these bodies amounted to Rs. 3,049-12-0 as compared with Rs. 2,108-14-0 in 1947-48.

Under rule 9 (a) (i) of the general rules for Provincial and Subordinate Services, Messrs. P. Anjaneyalu Naidu, Overseer, S. Venkatarajam Naidu, Head Despatcher and L. Madhavabalakrishnan, Binding Foreman, were appointed as temporary Assistant Superintendents in G.O. Ms. No. 2592, Education, dated 18th October 1948, and they took charge from 20th October 1948.

The appointment of Sri L. Madhavabalakrishnan as temporary Assistant Superintendent, was terminated with effect from 30th November 1948. Sri K. Rajaratna Mudaliar (Chief Computer) was appointed under rule 9 (a) (i) of the general rules for Provincial and Subordinate Services as acting Assistant Superintendent from 30th November 1948 (G.O. Ms. No. 3001, Education, dated 29th November 1948).

Sri S. Krishnan, Linotype-operator, was appointed as temporary Assistant Superintendent from 1st December 1948 (G.O. Ms. No. 3002, Education, dated 29th November 1948) as an emergency measure.

3. *Establishment*.—The total strength of the establishment at the Central Press and its branches on 31st March 1949 was 2,269, as shown below :—

4. *Receipts*.—The receipts for the year (including receipts in England) amounted to Rs. 9,86,287-8-8 against Rs. 9,95,336-12-2 in the previous year. The decrease is due to there being no auction of unserviceable articles and non-adjustment of recoveries on account of election to local bodies.

5. *Expenditure*.—The net expenditure for the year under the Government Presses inclusive of expenditure in England amounted to Rs. 24,80,689-5-6 against Rs. 19,85,092-2-10 in the previous year. The increase is due to—

- (i) arrears of pay on account of revision of scales of pay,
- (ii) raising the limit of eligibility for House Rent Allowances and enhancement of Dearness Allowances,
- (iii) purchase of printing stores from England, and
- (iv) increase of Convict Labour Charges.

The figure does not include expenditure on account of printing at private presses, details of which are given in paragraph 20 of the report.

6. *Printing cost*.—The total cost of printing and binding works executed during the year including the cost of paper and binding materials, plates and process blocks was Rs. 39,65,981-7-11 against Rs. 32,79,718-1-1 in the previous year, the rise being due to printing of Madras City Electoral Rolls and also of enumeration forms for adult franchise. The work charges rose from Rs. 18,73,031-14-5 to Rs. 23,54,247-14-2.

7. *Composition*.—The payment including overtime under the salaried system both for hand and machine composition during the year is given below.

Corresponding earnings for the previous year are given against each item :—

	1947-48.			1948-49.		
	RS.	A.	P.	RS.	A.	P.
Hand composition	2,39,053	6	0	3,36,361	9	0
Lino	40,864	12	0	48,749	1	
Mono	23,944	9	0	28,801		

8. *Machining*.—The total number of sheets of impressions printed during the year was 103,739,629 as compared with 115,735,251 in the previous year. The decrease is mainly due to less number of copies printed in the standardized and non-standardized forms.

9. *Bindery*.—The total cost of binding work excluding materials amounted to Rs. 3,74,893-1-5 against Rs. 3,03,691-7-11 in the previous year. This year's production compared with that of last year's under different classes of binding work is given below :—

	1947-48.	1948-49.
	RS.	RS.
1 Full leather	2,286	2,083
2 Half binding	11,171	18,086
3 Full cloth	1,36,086	1,83,999
4 Quarter cloth	2,88,369	3,21,728
5 Stitching with wrapper	22,27,010	25,55,488
6 File boards and books	29,842	30,411
7 Numbering	9,99,85,283	10,06,13,662
8 Envelopes	75,13,738	65,55,154
9 Gazettes	22,13,980	21,42,434

Except in items 8 and 9 in all other kinds the production was considerably over that of 1947-48 but there was a fall in production in item 8 Envelopes and 9 Gazettes. The increase in the production was on account of strenuous efforts made to clear off arrears by the adoption of more efficient methods. The drop in production in the item Envelopes was largely on account of the non-availability of Brown Cartridge paper for some time.

10. *Type foundry*.—110,350 lb. of unserviceable and condemned types were returned by the Hand Composing Sections and 42 lb. of tin were received from the General Store. With the addition of the previous years' balance of 8,258 lb. the total amount of metal was 118,650 lb. Of this 98,071 lb. were issued to the foundry for the manufacture of new types and materials. There was a closing balance of 20,579 lb. in 1948-49. The foundry production consisted of 5,569 lb. of type in Indian and English languages, 29,442 lb. of stereo plates, 1,924 lb. of electro plates, 29,936 lb. of mono type standard found and 32,404 lb. of mono rule and spacing materials amounting in all to 99,275 lb. during the year as against 111,227 lb. in the previous year. In addition to the above 2 matrices and 427 engraved blocks to the value of Rs. 2 and Rs. 492-12-0 respectively were manufactured during the year.

With the opening balance of 1,915 lb., there was a total of 101,189 lb. in the type-store of which 100,372 lb. were issued, leaving a closing balance of 817 lb. of types, etc.

There is an increase in the price of mono loose, mono lead and rule and stereo due to the restriction of production to the needs of the Press. The fall in price in respect of type foundry types and electro plates is due to the increase in manufacture in accordance with demand.

11. *Rubber stamps*.—The total expenditure in the manufacture of rubber stamps, pads, etc., during the year under report was Rs. 27,380-7-3 against Rs. 19,441-14-11 in the previous year.

The total production of rubber stamps was 9,752 square inches against 7,054 square inches in 1947-48. The increase is due to supply of stamps for certain newly created offices such as Highways Department, etc.

12. *Printed forms*.—The total number of forms, leaflets and covers printed for supply during the year under report both standardized and non-standardized was 310,401,466 against 300,524,468 in the previous year. These consisted of 272,083,839 standardized (including 10,173,203 economy labels and 11,082,867 covers) and 38,317,627 non-standardized (including 180,558 economy labels and 78,821 covers). There was an increase of 35,372,662 copies in standardized forms and a decrease of 25,495,664 copies in non-standardized forms.

21. *Audit.*—The cost of audit for 1948-49 intimated by the Accountant-General, Madras, is Rs. 9,489 which has been charged to the working expenses. The amount charged for the previous year was Rs. 13,824. No audit was conducted by the Outside Audit Department of the Accountant-General, Madras, during the year of report.

22. *Control of Forms printing.*—The increase in the number of copies printed and supplied during the year under report, as compared with the previous year, by about 35 millions is chiefly due to the supply of forms to the newly created offices pertaining to Public Works Department (Highways), Firka Development, Agriculture, Educational Department and to the increased demand from all officers in general. Indents continued to be carefully scrutinized before supply is made.

23. The activities of the Madras Government Press Division of the St. John Ambulance Brigade (Overseas) continued throughout the year. All the members of the Division showed continued interest in their work.

24. (a) *The Madras Government Press Party.*—During the year this institution had disbursed death benefits amounting to Rs. 2,743 to the nominees of the deceased members from the Mutual Family Benefit Fund run by it. It continued to remain in a rented building only very near the Press. The relief thus afforded by way of death benefits to its members has been a source of immense help to the labour class.

(b) The Press Canteen continued to cater satisfactorily to the needs of the employees of the Press for another year.

(c) The management of the Government Press Employees' Co-operative Society was in the hands of ten elected Board of Directors with the Superintendent, Government Press, as ex-officio President. As usual the society continued to work satisfactorily rendering financial assistance to its members.

25. *Government Branch Press, Pudukkottai.*—Consequent on the merger of the Pudukkottai State with this Province, the administration of the State Press, Pudukkottai, was taken charge with effect from 1st December 1948—vide G.O. Ms. No. 2736, Education, dated 3rd November 1948 and the name of the Press is changed into Government Branch Press, Pudukkottai. The assets of the Press, i.e., Plant, etc., was verified by one of my Deputy Superintendents, Sri M. R. Srinivasan, during February 1949. The strength of the employees, both permanent and temporary, is 80. It is in charge of a non-gazetted officer on a scale of Rs. 125-5-170 designated as Officer-in-charge, Government Branch Press, Pudukkottai. The accounts of the Branch Press is not merged in the accounts of the Government Press, Madras and is recorded in accordance with the orders contained in G.O. No. 948, Finance, dated 8th October 1948.

26. *General.*—The pressure of work has continued to remain throughout the year. Consequent on the bringing into force of the Factories Act, 1948 (Central Act LXIII of 1948), the restriction in the hours of work in the Press was enforced and limited to 56 hours per week, thereby curtailing the overtime work to the bare minimum necessary to cope up with urgent work.

An Expert Committee to examine the working of the Government Press in all departments and to make recommendations on any points where shortcomings are noticed was appointed by Government in G.O. Ms. No. 93, Education, dated 17th January 1949, consisting of Mr. V. V. Subramanian, I.C.S., Collector of Madras, as Chairman and Convenor and four others of whom only two members, viz., Sri K. Vaidyanathan, Deputy Accountant-General, and Sri T. S. Dhandapani Ayyar, B.A., B.L., of the Hindu Office have functioned in the Committee. The Committee commenced its first sitting on 16th February 1949 and have been continuing the enquiry.

27. In conclusion, I am to state that although Government in G.O. No. 916, Finance, dated 26th November 1947, have sanctioned increased wages conferring special benefits to the low-paid workers of the Government Press raising the minimum pay which was given effect to during the year under report, yet it is noticeable that willingness on the part of workers to give maximum turnover was found lacking.

I acknowledge with extreme gratitude the willing assistance I have received from most of the officers, particularly the junior officers of the Press and also from the staff of the Ministerial section who were of immense help during the year and rendered valuable service in running the administration of the Press as a whole.

GOVERNMENT PRESS,

MADRAS,

15th October 1949.

R. SIDDIQUE,

Superintendent.
