R.O.C.No.1-Confidential-H/49 dated 2--11--1949

Sir,

Subject: Printing of Examination Papers in a
Private Press--Requesting Sanction.

I have the honour to submit herewith copies of letters No.-S-Confidential dated 25-10-1949 and 31-10-1949 from the Superintendent, Government Press, and to request that in the circumstances explained by him, sanction may be accorded urgently to print the papers in a private press as done last year in regard to the annual examinations in Government schools - vide G.O. No.433, Education dated 17--2--1949. I propose to entrust the work to the Central Art Press, Madras, which did the work last year satisfactorily. The charges quoted by them are Rs.6/- per page of foolscap quarto size, the same as last year. The charges were not passed by the Superintendent, Government Press, last year but were finally approved by Government in their Order No.3047, Education & Public Health dated 4--10--1949. The above rate is not applicable to papers in Malayalam, Kannada and Urdu as types have to be purchased by the printer. I am asking the Superintendent, Government Press, therefore to print the papers in the above three languages as the private printer has not the facilities for the work immediately and as the papers have to be printed urgently.

*sanction

2. As the time given is short (the papers have to be ready by the 1st week of December) and as over 1000 papers have to be printed and as the work is confidential, I recommend that the rate of Rs.6/- quoted by the printer may be accepted and ~~some time~~ may be accorded to the printing of the papers as proposed.

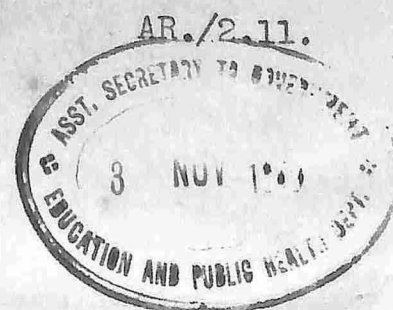

3. The paper required for printing will, as usual, be supplied by the Government Press and the service postage stamps will be supplied by this office.

4. I request the favour of orders immediately.

Yours faithfully,

K. Sankaranarayanan
For DIRECTOR OF PUBLIC INSTRUCTION.

No. S./Confidential dated 25-10-1949.

Sir,

Sub: Printing of question papers of various College and schools.

In connection with the printing of question papers of above schools and colleges, I have to state that ever since the printing of S.S.L.C. Question papers has been taken up in this office as per memo. No.47153/48/1-G3, Edn. and P.H. dated 3.7.1948, the volume of work in the Confidential Department has increased abnormally and with the limited staff and absolutely insufficient accommodation of the section, it is found not practicable to print and supply the copies of question papers of the various schools and colleges on the dates specified by them, as almost all of them send their papers simultaneously fixing more or less the same period for the supply of copies. Further the printing work of strictly Confidential papers relating to various other offices which provide only very short time for printing and supply of copies, is also increasing the pressure of work in the confidential section to an enormous extent.

I would suggest in view of the circumstances stated above that some of the mufassal Colleges and schools papers may be given to private presses for printing and supply of copies direct to the concerned officers of respective schools and colleges with the instructions that printing of those papers should be done with strict secrecy. On hearing from you, I shall send manuscript copies of the question papers of some of the colleges and schools to you for arranging to print them in private presses which you select, retaining papers of some of the schools and colleges, particularly those of the City which can be done here as was done during the last year.

An urgent reply is requested to avoid any further delay.

Sd. R. Siddique.
