Office of the
Director of Public Instruction,
Madras, Dated 27--5--1949.

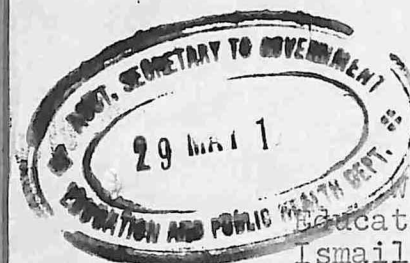

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department.

Sir,

Subject: Schools - Government Ismail Secondary School for girls,
Abiramam - Closure - Recommended.

- R e f: 1. Government Memorandum No.12754-B.1/48-2 Edn dated
8-3-1948.
2. Government Memorandum No.12754 B.1/48-5 Edn dated
26-5-48
3. G.O.No.2346 Education dated 16-9-1948.

With reference to para 2 of Government Memorandum No.12754B.1/48-5
Education dated 26-5-48, I recommend the closure of the Government
Ismail Secondary School for girls, Abiramam from the beginning of
the school year 1949-50. The reasons already stated in my letter
R.C.No.29-K.3/48 dated 16-2-48 still holds good. The school continues
to be uneconomic and the Inspectress has reported that there is no
scope for further development of the school and that there is no need
for the school in the locality. The strength of the school in the
current school year is as follows:-

Class I	23
Class II	20
Class III	41
Class IV	19
Class V	11
Form I	8

The building is not required by the Education Department. In regard
to the requirements by other Departments, I submit herewith a copy
of the letter L.Dis.5684/48 dated 9-10-1948 of the Collector of Ramnad.
The District Superintendent of Police to whom full particulars in
regard to the building were furnished has not so far sent a further
report in the matter. Since the estimated cost of the building is
reported to be 18,000 it is not desirable to retain the building by
Government.

The Special Officer, District Board, Ramnad, has reported that if
the building and equipment of the school are transferred to the Board,
and if Government sanction additional subsidy for the maintenance of
Higher Elementary standards, the Board will be willing to take over
the management of the school. Since there are two Board Schools one
for boys and the other for girls in Abiramam and since no special
subsidy can be sanctioned to the Board for the maintenance of the
Higher Elementary Standards the transfer of the school to the District
Board is not recommended.

The Donor himself has agreed to run an Elementary School in the
building if the building together with the equipment that was pre-
viously transferred to Government is handed back to him. I there-
fore reiterate the recommendation made in my letter RC.No.53-K.3/48
dated 16-10-1948 that the school may be closed from the next school
year and the building together with the equipment handed over to the
Donor unconditionally.

The sanction accorded in G.O.No.1181 Edn dated 15-6-1946 and
in G.O.No.2346 Edn dated 16-9-1948 for the continuance of the tem-
porary posts specified below will expire on 31-5-1949. I request
that sanction may be accorded for the continuance of the posts till
the school is actually closed. I am instructing the Inspectress to
continue the posts in anticipation of sanction of Government and
request that my action may be approved.
