A The Superintendent Government Press has supplied with 39 copies each of Tablet Diaries, cards and wall calenders for 1949, on the basis of my 1948 requirements. The increase in the number of copies is due to the increase in the number of officers consequent on the transfer of ameliorative staff (Prohibition) to the control of this Department and also on account of the sanction of additional posts of officers.

I request the Government that sanction may be accorded for an additional supply of 33 copies of Tablet diaries, cards, and wall calenders by the Superintendent, Government Press for distribution to the remaining Officers.
