Sir,

You already know that the First Session of the All India Physical Education Conference was held at Amraoti in 1946. The II Session was to be held last year in Calcutta, but due to some unavoidable circumstances, it could not be held.

Now the honour of convening the II Session of the All India Physical Education Conference has come to Poona, and the Poona District Branch of the All Maharashtra Physical Education Society, is holding the Session along with the 18th Session of the All Maharashtra Physical Education Conference in the 1st week of January 1950.

The Executive Committee of the Conference expect that representatives of all the Provincial Governments, Universities and the Physical Training Institutions from different provinces will assemble at the Conference along with those interested in the cause of Physical Education.

The estimated cost of the organising the Conference and other allied programme such as Health and Physical Education Exhibition, Demonstration, Competitions, Mass Drills, etc, is Rs. 35,000/- approximately.

I have, therefore, to appeal to you to pass a non-recurring grant towards the expenditure of the Conference as a token of sympathy towards this cause and to issue Circulars to all the Educational and Physical Culture Institutions within your jurisdiction to participate in every manner possible in the programme of the Conference.

I have also to request you to co-operate with us, by sending your Official Representatives for the Conference.

I shall be much obliged to you, if you will be kind enough to supply us a list of Physical Culture Institutions in your province.

Yours faithfully,

M. V. V. V.

Secretary,

All India Physical Education Conference,

2.T/P120 In G.O.No.816-Ms. dated 15.4.1946, the Chief Inspector of Physical Education was permitted to attend the conference held at Karaoti in 1946. Again in G.O.Ms.768-Education dated 16.4.1947, the Chief Inspector of Physical Education was nominated as a representative of the Provisional Council of the National Association of Physical Education. In G.O.Ms.3098-Education dated 6.12.1948, Government permitted the Chief Inspector of Physical Education to attend a meeting of the Working Committee of the Provisional National Association of Physical Education and Recreation, India. PHYSICAL EDUCATION - All India Physical Education Conference - Second session - Deputation of Dr. Q.F. Andrews.

From the Secy., All India Physical Education Conference letter dt. 25-7-49.
From the D.P.I., No. 2343-14/49 dt. 4-10-49.

The second session of the All India Physical Education Conference is to be held at Poona during the first week of January 1950 and the Poona District Branch of the All Maharashtra Physical Education Society is holding the session along with the 18th session of the All Maharashtra Physical Education Conference.

The Secretary of the Conference requests:

- (1) that official representatives may be sent for the conference;
- (2) that a non-recurring grant towards the expenditure of the conference might be paid by this Government;

(3) that circulars might be issued by the D.P.I. to all educational and Physical Cultural Institutions in the province;

(4) that a list of Physical Culture institutions in the province might be supplied to them.

As regards (1) above, the D.P.I. recommends that the Chief Inspector of Physical Education may be deputed to attend the Conference and to take his peon along with him and that both of them might be paid T.A. and D.A. admissible to them under the M.T.A. rules from Provincial funds. The Chief Inspector of Physical Education then known as the Regional Physical Director was deputed in 1946 to attend the first session of the same All India Physical Education Conference held at Amroli (C.P. and Berar) and he and his peon were sanctioned T.A. Similarly the Chief Inspector may be deputed to attend the Conference this time also and T.A. may be paid for him and his peon.

As regards (2) above, a similar request from the Chairman of the conference was negatived in 1946 on the ground that no grants appear to have been made in the past for Associations functioning outside this province. Apart from that the present financial position would not warrant any grant being made. The present request for a grant may therefore be negatived.

As regards (3) and (4) above the D.P.I. may be requested to accede to the requests.

Finance may see before circulation.
