Ref:-- Government Memorandum No. 83024-DI/49-2, Development dated 26-9-49.

In G.O. Ms. No. 423, Development, dated 22--3--1932, the Government while revising the rates of remuneration payable to part-time lecturers, authorised the Director of Industries and Commerce to increase the number of Lecturers provided the budget provision made on that account is not exceeded. Subsequently in G.O. No. 86 Ms., Development dated 20-1-1933, Government considered that no further revision was necessary in the remuneration paid to part-time lecturers with reference to G.O. Ms. No. 423, Development dated 22--3--1932. The appointment of part-time lecturers is not confined to a particular year, and subject to budget provisions their appointments are made and rates fixed with reference to their satisfactory work and length of service and within the limits prescribed by the Government, G.O. No. 979 Education, dated 19--7--1943 did not fix the remuneration to be paid to the part-time lecturer, but only permitted him to accept the remuneration of Re. 1/- per hour fixed by the Director of Industries and commerce.
