RC No. 1799 K3/48 dated 26-10-49

Sir b:- Schools Model Secondary school attached to the Government Training School for masters Pudukottai provision for the teaching of Hindustani - Sanction requested -

A Middle School with Forms I to III is attached to the Government Training School for masters, Pudukottai, and it is being used as a model section by the Secondary Grade pupil teachers of the Training school. A secondary Grade woman teacher who was teaching Hindi in the middle school is reported to have resigned her appointment and that no qualified person is immediately available for appointment in her place. The Divisional Inspector reports that the Sanskrit Pandit of the Sri Bragadambal High School, Pudukottai who is having 17 periods of work in the High School and who is also qualified to teach Hindi may be directed to handle Hindi classes in the model school attached to the Government Training School for masters, Pudukottai.

According to the reorganised secondary Education course Hindustani (second language) has to be taught at the rate of 3 periods a week in each Form I to III. Since the Sanskrit Pandit is having only 17 periods of work per week in the Bragadambal High School it may not be difficult for him to teach 9 periods of Hindi per week in the Model school attached to the
