the Health Propaganda Board - Permission to
occupy the upstairs of the Geological Galleries-
Government sanction.-

-000000-

I have the honour to inform Government that
the Health Propaganda Board has applied to me for permission
for temporarily using one half of the verandah (mezzanine)
of the Geology Section of this Museum, to display a few
exhibits relating to Public Health, till the Board acquires
a building of its own. In reply to this proposal, I wrote
to Secretary of the Board that in case the Board is
prepared to satisfy, the following conditions I shall address
Government in the matter:-

- (1) No heavy cases should be used (as the wooden floor
is weak.) *should*
- (2) The Board has to make its own arrangements for the
watch and ward of the exhibits.
- (3) Exhibits of value should as far as possible be
under lock and key.
- (4) The loan of exhibition space would be only for one
year (as the part of the balcony is required for
additions for our reserve collections in Geology.)

 The proposal in this file is to permit the
 Health Propaganda Board, Madras, to occupy temporarily,
 a portion of the Geology Block of the Government Museum,
 Madras, for purposes of displaying exhibits relating to
 Public Health, subject to the conditions at 'A' on
 page 1 c.f. The rent that will ordinarily have to be
 recovered for the portion of the Museum in question, as
 assessed by the Executive Engineer, North Presidency
 Division, is Rs. 50/- p.m. The Superintendent, Government
 Museum, has proposed to recover a rent of Rs. 15/- p.m.
 He has stated that the rent proposed is reasonable,
 considering the laudable object of the Board. E. & P.H.
 accept the proposal. Public Works agree.

For a building occupied by the T.U.C.S. in the
 Government House Estate, Mount Road, the society was
 permitted to pay the standard rent, instead of rent
 calculated with reference to para 275, Madras Public
 Works Department Code, for a period of one year.
 When it was proposed to extend
 the concession for another year, this department advised
 against the proposal stating that the society was a
 business concern making its own profits. The case
 of the Health Propaganda Board, ^{however} is different. In
 view of 'A' above, the proposal to recover from the
 Board rent at a concessional rate of Rs. 15/- p.m.
 may be agreed to, as a special case.
