With reference to above G.O. I have the honour to
inform you that as stated in my letter R.O.C. No.12-D2/48
dated 2-10-1948 the land has already been purchased by the
school authorities who have applied for the grant. No pro-
vision exists in the current year's Budget Estimate for this
scheme and no provision has been made in Part II or Part I
B.E. of 1949-50 as intimation of the valuation of the land -
from the Revenue authorities was not received in time.

In view of the rapid expansion the school is making in
its buildings the Correspondent has already requested for -
early payment.

In the circumstances, I request the Government to per-
mit me to incur an expenditure of Rs.2880/- for sanction of
grant to this scheme from the lump sum provision of Rs.8.62
lakhs sanctioned for the expansion of basic education in the
current year's Budget

Yours faithfully,

for Director of Public Instruction.

With reference to your proceedings R.C.No.
103-D2/48 dated 3-1-1949 wherein you stated that
as no provision exists in the current year's
Budget Estimate for sanctioning the grant in
respect of the above scheme the matter has been
referred to the Government, I beg to make the
following suggestion to overcome the difficulty:

In your proceedings R.C.No.2746 K1/46
dated 20-9-1948 you will find it is stated there
that there is still a ~~xxx~~ balance grant of
Rs.21,500/- still to be disbursed for the build-
ing scheme in the Basic Training school. I
would request you to divert this undisbursed
balance grant to this scheme and arrange to pay
the grant.

Awaiting your favour of an early reply.
With thanks and kind regards.

Grant Building - Ramakrishna Mission Vidyalaya Gandhi
Training school, Perianaickenpalayam- Purchase of land
for extension of school buildings - Payment in the current
year

From the D.P.I. R.O.V. No 103 D2/48 dated 3.1.48

In G.O. No 2,922 Edn dated 19-11-48, the Govt
sanctioned the inclusion in the list of approved works,
the scheme for the purchase of land for extension of
buildings of the Ramakrishna Mission Gandhi Training school
Perianaickenpalayam, at an estimated cost of Rs 5760 rendering the
institution eligible for a grant up to one half of the
cost of the scheme i.e Rs 2,880. The usual procedure
adopted for providing funds for payment of grants to
such schemes is to treat them as Part II schemes and
sanction the payment of grant after the land is purchased
and funds are provided in the budget. In the present
case, since the scheme was placed in the approved list
only after the Part II scheme for 1949-50 for building
grants was submitted by the D.P.I. and considered by
Govt, it was not possible to include necessary provision
for this scheme in the B.E. for 1949-50 under Part II.
The D.P.I. now requests that as the management has
already purchased the land and as the correspondent
has applied for early payment, he may be permitted to
incur an expenditure on the payment of grant for this
scheme in the current year. Until orders are issued by

Govt sanctioning a grant for this scheme, the Director cannot
authorise payment. It is for consideration whether in view
of the rapid expansion of the school is making in its
buildings, the grant may be sanctioned in the current
year itself as a special case.

2. In regard to the source from which the expenditure
in the current year may be met in case a grant is
sanctioned in the current year, the D.P.I. suggests that,

It may be met from the lump sum provision of Rs 8.62 lakhs for the expansion of basic Education ^{in the annual budget} ~~xxxxxx~~. As the land was purchased for the extension of the secondary and training school, normally the expenditure should be met from the provision under "37 n. Education Special Direct grants to non-Govt special schools A General Excluding Postwar Reconstruction 3 Buildings Voted." There is a provision of Rs 33200 under this head for other schemes. The D.P.I. may be consulted whether the expenditure cannot be met from this provision ~~or by appropriation~~.

The D.P.S. reports that the grant can not be met out of the provision ^{made} ~~under~~ for in the Budget for 1948-49. under "37 n. Edn. Special" as the provision has already been utilised for the schemes for which it was made. In as much as the land was purchased for the expansion of the Training School which has been converted into a basic Training School, the D.P.S. recommends that the grant may be made out of the lump sum provision of Rs 8.62 lakhs for the expansion of basic education.
