Grant - Building - A.R.C. Secondary School for girls -
Purchase of building - enhanced grant - recommended.

Government in their order Ms.2267 Education dated 27.10.49 sanctioned the inclusion in the list of approved works of the scheme for the purchase of a building for A.R.C. Secondary School at a cost of Rs.63,000/- rendering the institution eligible for a grant not exceeding Rs.30,000/-

2. The Public Works Department (who valued the building in September 1949) reports that the value of the building is Rs. 75,800/- The Correspondent reports that the actual cost of purchase including stamp duty registration etc., is Rs. 75,500/- As the management incurred heavy expenditure and is badly in need of funds, the correspondent requests for the sanction of a half grant on the actual cost or at least the maximum grant of Rs. 35,000/- sanctioned to other institutions.

3. Government have in recent times, limited the grant in respect of aided secondary schools to one half of the cost of the scheme not exceeding Rs.35,000/- In the circumstances mentioned above, I request you to move Government to raise the maximum grant
