Office of the

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education and Public Health Department.

Sir,

Subject: Schools - Government Training Schools - Opening
of additional Training Sections - Sanction
requested.

R e f: G.O.Ms.No.1907 Education dated 10-6-49.

All the additional Training Sections permitted to be opened
in the current school year in the Government Order cited above have
been opened. In some of the Training Schools there was great rush
for admission and the District Educational Officers concerned
requested permission for the opening of additional sections. As
there were no superfluous provisions for utilisation to satisfy
the need, I permitted in anticipation of sanction of Government
the opening of the additional sections in the grades specified
against the Government Training Schools mentioned below and also
the additional staff required therefor.

The opening of an additional Higher Elementary Training
Section in each of the Government Training School for masters, Chittoor
and Bimilipatam was sanctioned in G.O.No.1202 Edn dated 7-8-1945
and G.O.No.152 Edn dated 22-1-1946. Sanction was accorded in G.O.
No.1216 Edn dated 14-5-1948 for the admission during the school-
year 1948-49, of a fresh batch of students in these sections. The
Divisional Inspectors concerned did not propose the admission of a
fresh batch of students in these sections as they did not apparently
anticipate that there would be a rush for admission. Hence these
schools were excluded in my original recommendations made to Govern-
ment.

Since

RVR 4/10/-

Since there is need to increase the out-put of teachers and since the additional requirements could not be anticipated for obtaining the prior sanction of Government, I request that Government may be pleased to sanction the opening during the current school-year of the additional section in the Government Training Schools mentioned above and to approve my action in having permitted the opening of the additional sections in anticipation of sanction. I also request that the posts of the L.T. Assistants sanctioned by me on fixed pay may be sanctioned in the time scale of pay upto the end of the school year 1950-51 as in the case of the additional posts sanctioned in the G.O. cited above.

In G.O. No. 1907 Edn. dated 10-8-49 sanction was accorded for the continuance for a period of two years from the school year 1949-50 of the posts of one School Assistant and one Secondary Grade Teacher in the Government Secondary and Training School for women, Kozhikode - vide item 14 in the Annexure I to the G.O. The sanctioned number of posts for the additional section as per G.O. No. 1074 Edn. dated 17-7-45 and No. 1733 Edn. dated 9-9-1946 is two L.T. Assistants and two L.T.s are employed at present in the school. The Headmistress reports that the posts of the two L.T. Assistants are being continued in the school from the current school year in anticipation of sanction of continuance from the current school year. In the circumstances I request that sanction may be accorded for the continuance from the current school year of the posts of L.T. Assistant in place of the Secondary Grade Teacher sanctioned in the G.O. under reference.

Yours faithfully,

The D.P.I. reports ^{Holt} during the current school year there was a great rush for admission in some of the training schools and that he permitted the in anticipation of sanction of Govt the opening of the additional sections in the grades specified against the Govt Training Schools mentioned below and also the additional staff required therefor

He also reports that the prior sanction of the Govt could not be obtained as the additional requirements were not anticipated and requests that the

posts of L.T. Assistants sanctioned by him on fixed pay may be sanctioned up to the end of the school year 1950-51 as in the case of additional posts sanctioned in G.O. No. 1907 Edu dated 10-6-49. According to the orders in G.O. No. 1074 Edu dated 17-7-45 and No. 1773 Edu dated 9-9-46, The Govt. Secondary and Training School for women, Kozhikode is eligible for two L.T. Asst posts. The D.P.O. now requests that the ^{one} additional post of one L.T. Asst. may be permitted to continue in the place of one Secondary grade Asst. referred to in item 14 of Annexure I to G.O. No. 1907 Edu dated 10-6-49. (S)

In view of the need to increase the output of teachers, the Director's proposals may be approved. As the cost involved in the proposals exceed Rs. 20,000, the proposals have to be treated as 'New service' and have to be referred to the S.F.C and the Cabinet. As the proposals are very urgent and since the additional sections are already working, this Dept. may suggest that the short circuit procedure may be followed in this case also. After the issue of orders a draft summary note will be circulated to the Honble Minister, Secretary Finance Dept. and the Chief Secretary and steps will be taken to obtain a supplementary grant from the Legislature in due course.

Finance may see for remarks.

has permitted the opening of addl sections in the grades specified against them and also the employment of the addl staff, ^{permitted} mentioned in coln (5), required therefor. He has also ^{permitted} the employment of one L.T. Asst in place of the Secondary grade teacher sanctioned in G.O. No. 1907 Edu dated 10-6-49 in the Govt Secondary and Training School for women, Kozhikode. The present proposals therefore amounts to the ratification of the action of the D.P.O. The extra cost involved works out to Rs. 21,000 roundly p.a. In the circumstances explained by the D.P.O. on p 1-2 c.f. Finance may agree to the proposals on the said staff employed.

2/ Financial Procedure:- The proposals in the normal course will have to be treated as in a 'New Service' and referred to the S.F.C and the Cabinet before the issue of orders. However in the circumstances explained by Exp. H. at 'A' amp 2 above, Finance may agree ^{indicated in para 11 (ii) of G.O. No. 24978 (A) S.C. U.O. 21.12.49} to the short circuit procedure for want of a reference to the S.F.C and the Cabinet being followed in the present case. Exp. H. will no doubt take steps for obtaining a supplementary grant from the Legislature in due course.
