Courses Scholarships - Stoppage
of certain allowances - intentions.
Ref. your telegram to D. 29.5.49
of 23.9.49

I am directed to state that
this Govt approve of the action taken
by the Govt in having stopped payment
of book allowance, study tour allowance
and travel charges to Provincial scholars and
deputationists. They have, however, grave doubts
about the expediency or morality of this
~~stoppage~~ ^{step} as much as the allowances
were granted under the terms and conditions
of award of scholarships, and on the strength of
which the scholars executed the bonds to
serve the Govt for five yrs.

This Govt also agree with the Govt
proposal regarding extensions but they are of
the view that extensions granted to complete
particular courses of studies approved by the
Govt should be entirely at Govt cost
and that the scholars or the deputationists
should not be required to meet any
portion of the cost involved.

Copy of letter No.D.2955/49-S5, dated 14th December 1949
from the Secretary to the Government of India, Ministry of
Education, New Delhi, to the Secretary to the Government of
Madras, Education and Public Health Department.

Sub:-Overseas Scholarships - Stoppage of certain
allowances - Extensions.

I am directed to refer to your letter No.7380-12/49-2.Edn.
dated the 7th October 1949, on the above subject and to state that
that the Government of India had taken into consideration all the
factors before reaching decision on the discontinuance of the
allowances in question. Experience has shown that the stipends
sanctioned for the scholars are rather on a liberal scale and
the scholars can reasonably meet all expenses incidental to
the completion of the prescribed courses of studies, from their
stipend allowances. The Government of India agree that if in cer-
tain special cases it is found that the funds at the disposal of a
particular scholar are inadequate, they would consider on merit
requests for additional financial assistance and where necessary
they would prefer to grant loan for such purposes.

With regard to paragraph 2 of your letter Government of
India would consider for extension, on merit but under the present
financial stringency it may not be possible to give extensions
except perhaps on loan basis. In any case the expenditure on
extension in each case would have to be borne by the Provincial
Government or the scholar concerned.

In view of the extreme financial
stringency, the Govt. have stopped the payment
of Book allowance, Study tour allowance
and Thesis charges to Central Govt. Overseas
Scholars and also to Proct. Scholars and
deputationists. Further they state that no extension
applications will be entertained unless they are
absolutely essential viz-a-viz the prescribed
programme or if the recommending University
authority is prepared to finance half the cost
and that this also will generally be on
loan basis. The Govt. want this Govt. to
warrant their approval of the above decisions.
