R.O.C.NO.3204-C1/48.

Sir,

Swaminathan, Temporary Instructor in
Highway Engineering, College of Engineer-
ing, Guindy -- Regularisation of.

Reference:- G.O.No.Ms.2981-Edn., dated 26-11-48(Para 3).

The post of Instructor in Highway Engineering in the
College of Engineering, Guindy is governed by the ad hoc rules
issued in G.O.No.1777 Edn., dated 14--9--1946. With ref-
erence to Rule 4 (1) of these rules, no person shall be eligible
for appointment to the post unless he possesses the qualifications
prescribed for Instructors in Surveying and Drawing and in Civil
Engineering, namely (i) B.E.Degree and (ii) practical experience
of the work relating to the subject concerned for not less than
four years.

2. The overseas scholar, Sri C.G.Swaminathan, who has
been appointed to officiate temporarily as Instructor in Highway
Engineering, took charge on 3-1-1949 forenoon. His qualifications
are - B.A. (I Class); B.E.(with Honours) in Civil Engineering
(Madras); D.I.C. (London), and M.Sc. (Engineering). He has
undergone advanced studies in Highway Engineering in the United
Kingdom. So far as academic qualification is concerned, he
satisfies item 4 (b)(i) of the Annexure to the Special rules, but
does not possess the requisite practical experience for not less
than four years prescribed in item (ii) ibid. He has had only
about eight months practical experience as a Temporary Supervisor
in the Public Works Department from January to September 1945.

3. In the circumstances I recommend that rule 6 (a) of
the special rules read with item 4 (b) (ii) of the Annexure
thereto be relaxed in favour of Sri C. G. Swaminathan in view
of his advanced studies in the subject and that his temporary
appointment as Instructor in Highway Engineering be regularised
with effect from 3--1--1949.

Yours faithfully

For Director of Public Instruction.

Sir Subject: Overseas Scholars - Sri C.G. Swaminathan, and Sri J.C.V. Chinnappa - Regularisation of temporary appointment
 Reference 1 Your Telephone message No. 12730-A1 dated 7.7.49
 2 -do- -do- 12730-A2 Edn. dated 15-7-49

So far as Sri C.G. Swaminathan is concerned the regularisation of his temporary appointment as Instructor in Highway Engineering will not affect adversely in the interests of any other officer as there is no person on the approved list for appointment to this post. If the Civil Engineering Department as a whole is to be taken into consideration in this connection, then there are several Instructors who are senior to Sri C.G. Swaminathan and are still officiating under emergency provisions. Most of them are Public Works Department Officers whose appointments in this Department can be regularised only after the Special rules are amended providing for recruitment to the Madras Educational Service from among Public Works Department Officers. This ~~point~~ question is separately under the consideration of Government. The rest of the Instructors in the Civil Engineering Department have no regular footing in this Department and are officiating in Madras Educational Service under emergency provisions. In this circumstances the fact that Public Works Department Officers and others now ineligible for regular appointment to the Madras Educational Service are officiating as Instructors from an earlier date need not effect the regularisation of the appointment of Sri C.G. Swaminathan.

2. It is not necessary to relax any rule (age etc) other than the one regarding qualification in favour of Sri C.G. Swaminathan.

3. A copy of G.O. 1777 Education dated 14.9.46 is enclosed.

4. The case of Sri J.C.V. Chinnappa will be examined and reported on separately. In the Mechanical Engineering Department, the cases of persons on the approved list have to be considered and also there is another Overseas scholar (Sri A.O.N. Joseph, Instructor, in Mechanical Engineering, Anantapur) whose regularisation has to be considered. A detailed report in the matter will be submitted after examining the cases of all the persons.

NOTE:-

These two candidates were sent by Govt. abroad for higher studies in 1946. They were intended for eventual absorption in the personnel of the Engg. Colleges. On their return to India in Novr. 1948, after completing their studies, they were provided with emergency appts. as Instructors in Engg. Colleges, pending examination of their qualifications. The D.P.I. has now reported that they satisfy the academical part of the qualfn. prescribed for the posts but that they lack the practical experience of 4 years prescribed for the appointments. He recommends that they may be exempted from possessing the experience for the specified period and that they may be regularly apptd. ~~with~~ with effect from the dates on which they took charge. The relaxation in favour of the scholars of the service rules which stood in the way of the

10 -2-
regular appointment, was specifically contemplated when the procedure for their absorption in service was settled at "U" - Cf. "H"/2-4. The Dir.'s recommendation may therefore be accepted. For precedent, pl. see "J". The regularization will not adversely affect any other officer: (this is being got confirmed by the D.P.I. separately). The draft overleaf may be sent to Pub. (Ser.) for acceptance before circn. to H.M. (E.&I.) and H.Pr.

PUBLIC (SERVICES) DEPARTMENT

It is seen from the D.P.I.'s letter in the c.f. that the temporary post of Instructor in Highway Engineering in the College of Engineering, Guindy is governed by the Ad hoc rules issued in G.O. Ms. No. 1777, Education, dated 14th September 1946. E & P.H. may be requested to put up the G.O. referred to above and examine whether relaxation of any of the Ad hoc rules is necessary.
