LEGISLATIVE COUNCIL MADRAS

SECRETARY, EDN. AND P.H. DEPT. 49313 28 JUN 1949 GOVERNMENT OF MADRAS

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT. 29 JUN 1949

Dear Madhava Menon

Yesterday I failed to draw pointed attention to the omission of Girls' sections in the National Cadet Corps. It is a scheme we in this province shall lag behind. Other provinces have sent many teachers for training as officers & I saw good pictures of women officers under training. Kindly go through the whole scheme and set right

7

all defects including distribution of Senior & Junior Corps on regional basis as well.

Thank you.

Yours Sincerely
R Suryanarayana Rao

The Hon. Sri K. Madhava Menon
Minister for Education

8

To

Sri R. Suryanarayana Rao, M.L.C.,
20 Edward Elliot Road, Mylapore, Madras.

After issue to be filed with LC question 55 11/7

9/7 12/7

Sir,

Sub: NATIONAL CADET CORPS - Senior, Junior and Girls' Divisions - Raising of units on regional basis.

Ref: Your letter dated the 25th June 1949 to the Hon'ble Minister for Education.

I am directed to state that although the NCC Act, 1948 provides for the raising of a Girls Division, it was decided by the Director, N.C.C. that to begin with a Senior or Junior Division should be formed and accordingly steps have been taken so far for the raising of units for those two divisions only. The question of raising a Girls' Division will be taken up when allotment is made by the Director for the raising of additional units in 1950.

2. In regard to your suggestion that the allotment of units for the Senior and Junior division should be made on a regional basis, I am directed to inform you that the allotment of units for the Senior Division in the beginning had to be confined to colleges in the Madras University area in which the U.O.T.C. units were functioning as those units were abolished as from 15-7-48 and units of N.C.C. were raised instead and the necessary facilities for the raising of the units such as provision of armouries, store rooms, office accommodation were available in these colleges. In the current year provision was made for the raising of units newly in the Andhra and Annamalai Universities but owing to the delay on the part of the Andhra University authorities in convening a Selection Board for the selection of teachers for training, it was not possible to raise units in the colleges in that University area. Similarly in the case of the Junior Division also the Selection had to be confined to centres where accommodation was available in Police Armouries for keeping the arms and ammunition or

10 --2--

or to places like Madras where special arrangements could be made for safe custody. The selection also depends upon various other factors such as the preparedness of the managements of schools to raise units and depute the right type of teachers for training. In the preliminary stages it was not possible to make allotment on a regional basis but this will be kept in view when further units are raised.

Yours faithfully,

8-7-49

15 JUL 1949

Dear Mr. Lobo Prabhu,

=S=S=

Ref; Your letter No. 49313-B1-49-1 Edn. dated 9-7-1949.

----------

I am thankful to you for your kind letter answering my letter addressed to the Hon. the Minister for Education.

I am not sure if you are right in saying that the Director, N.C.C., does not favour the raising of Girls' Divisions. In fact steps have been taken in other provinces to raise Girls' Divisions and recently lady teachers were trained as officers. My point is, have the Madras Government at least taken steps to depute lady teachers for training as officers to enable them to start Girls' Divisions. I am afraid this aspect has been totally ignored. Which province is better fitted to raise Girls' Divisions than Madras? I request Government at least now to be alert and not to neglect any more this aspect of the matter.

Only after the decision to raise [illegible] [illegible] required

2. I am sorry to learn that the failure on the part of the Andhra University Authorities to convene a Selection Board has resulted in not raising units in that University area, As the Government should and must be interested in raising the Divisions of N.C.C. in all areas, I feel they

12

=2=

could have whipped up the University Authorities to be prompt. However, I am gratified to be assured that in future in raising Senior and Junior Units allotment on regional basis will be kept in view and that steps will be taken in time to ensure that no region is as far as possible left out.

Yours faithfully,

R. Suryanarayana Rao

19/7

Sir,

National Cadet Corps - Raising of a Girls Division in 1950.

I am directed to state that a representation has been made by an M.L.C. that this Govt. should take steps to depute lady teachers for training as officers to enable the formation of a Girls' Division in this Province and that this aspect of the matter should no longer be ignored. In para 8 of the pamphlet on the objects and organisation of the National Cadet Corps, issued by the Directorate last year it was stated that it was not intended to raise the Naval & Air Force wing of the Senior Divn and the Girls Division as yet.

p. 2 of the pamphlet

I am directed to enquire whether it has since been decided to raise a Girls Division, ~~and if so~~ whether it will be possible to provide for the raising of the division in this Province in

P.T.O.

in 1950 and if so what will be the strength of the units that will be allotted to this Province up to the first stage. I am to request that a copy of the instructions, if any already issued in regard to the raising of the Girls Division and a copy of the estimate of the cost involved in raising and equipping the Girls Division may kindly be furnished to enable this Govt. to consider the matter further.

Yours faithfully,

Subject:- NATIONAL CADET CORPS - GIRLS DIVISION.

Sir,

I am directed to refer to your letter No.36045-B1/49-2 Edn dated 19 July 1949 and to state that three units of the Girls Division have been raised in this year in the Provinces of West Bengal, C.P. and East Punjab. The question of raising additional units which, in any case, cannot be raised in this year but after the College summer vacations in 1950, is at present under consideration. The desire of the Madras Province to raise such a unit has been noted and when a decision is reached to raise additional units, full details including expenditure will be sent to your Government for consideration as to whether you would be prepared to raise a unit.

Yours faithfully,

G G Bewoor

QUESTION No. 378 for the meeting of the Legislative Council

to be held on the 19 .

Two copies of this question are forwarded to the E and P.H. Department.

The question has been admitted.

1/3

1/3

To

The ~~E and P.H.~~ Department

U.O. 1619/49 – 14 – 3 – 49.

Edn & P.H. Department
(B.1 Section).

Please see the Legislative Council Question on page 1 cf.

G.O. 2692 Edn. 28/10/48

clause (a). This Govt have generally accepted the scheme for the formation of a National Cadet Corps consisting of a Senior Division to which recruitment should be made from male students in Colleges and a Junior Division to which recruitment should be made from male students in High Schools who have attained the age of 15 years, and have decided that the strength of the two divisions to be raised in this Province should be limited to 2000 & 4000 cadets respectively. As the

U.O.T.C units were disbanded from 15.7.48, the Govt sanctioned the formation of two Infantry Battalion of four companies each with a strength of 1250 cadets and one Engineering Platoon with a strength of 60 cadets. The total strength was 1310 Cadets ~~immediately~~ for the ~~for the~~ Senior Division in 1948.

It is proposed to raise four specialist units and two Infantry units for the Senior Division with a strength of 709 cadets in 1949 ~~for the Senior Division~~ and also to raise 35 Troops & 2 Sub-units for the Junior Division with a strength of 8210 cadets.

p3 of (T)

pages 1-2 of (T)

clause (b). Allotment of units of the Senior Division has been made only for the Army wing. No allotment has been made by the Director N.C.C either for the Naval or for the Air wing of the Senior Division so far as this Province is concerned presumably because no facilities are available here for giving the training. The allotment for the Junior Division is also for Infantry troops only.

clause (c). The information required is furnished in the Stat (T).

clause (d) Arrangements have been made for the preliminary selection of the Officer trainees by a Joint Civilian Army Selection Board. The selected candidates will be despatched for training to the training centres fixed for the purpose. The training for officer trainees for the Specialist Units is to commence on the 25th April and for the Infantry units also about that time and in any event not later than the 1st week of May. The officers to be trained for the three units of the Senior Division raised in 1948, have been selected by the Joint Civilian Army Board. Sanction ~~has been~~ is being accorded to the incurring of expenditure on the training of officers. Necessary instructions have been issued for the convening of a Joint Civilian Army Selection Board for the selection of officer trainees for the remaining units shortly.

(A)

clause (e) Even though the scheme for the formation of the N.C.C provides for the formation of a girls division, the Govt of India have decided not to raise at present units for this division

Section 5 of the Act – p. 1 of the pamphlet.

clause (f). The expansion of the N.C.C scheme in future

~~will be~~ is planned by the N.C.C Directorate and additional units will be allotted by them in consultation with Provincial Govts. This Govt will have to consider the question of expansion of the scheme if and when proposals are received from the N.C.C Directorate having regard to the state of Provincial finances at that time, as the scheme is a costly one; ~~and~~ except for the army personnel provided by the Central Govt the entire expenditure on raising & maintaining the units has to be borne by the Provincial Govt. The question whether the non-recurring cost on equipment & clothing in respect of the additional units to be raised in 1949 and subsequent years (may be met by the Centre) is under the consideration of the Govt of India & if this liability is undertaken by them ~~Centre~~, it may be possible to expand the scheme & raise additional units. Apart from the question of finance, there are certain essential pre-requisites for the raising of units – ie Provision of office accommodation, Construction of store room for equipment & clothing, Provision of armouries for Arms & ammunition to be supplied to the units, Construction of garages for motor trucks to be supplied to the units etc and provision of police guards for the armouries wherever it is not possible to provide armouries for the NCC units by the side of police armouries. The provision of these requisites will take time and it will be possible to increase the strength of the units only gradually. The scheme is now in the experimental stage.

A draft answer is submitted for consideration. The file may be circulated to HM (Edn) for approval of the draft answer & to H.E before issue.

Please see the Legislative Council Question on p 3 of
This is same as that on p 1 cf which lapsed on account
of the prorogation of the Council.

The draft answer already put up & approved
requires slight alteration on account of the changes
that have been taken place since. The changes are
(1) It is not possible to raise the Artillery unit in the Xian
college Madras and one Infantry Battalion of two
companies in the Andhra University as the authorities
concerned have reported that it is not possible to select
the officers & send them for training during the present
summer vacation. The raising of the units have therefore
to be postponed. Further it has not been found
possible to send for training the required number of

6/ 36045 Edn/49

officers for the two Infantry Battalions of four companies each raised in 1948.

~~The~~ A revised draft answer ~~may be revised as indicated in pencil~~ is submitted. It may be circulated to H.M (Edn) for approval.

NATIONAL CADET CORPS - Senior and Junior Divisions Organisation.

---

From Sri R. Suryanarayana Rao, M.L.C., dated 25th June 1949.

---

H1-29

Please see the letter from Sri R. Suryanarayana Rao, M.L.C., and the minutes of H.M.(E & L) on pages 1-2 c.f. The request in the letter is to raise the Girls' Division of the N.C.C. in this Province as in other Provinces and to distribute the units of the Senior (and Junior) Division on ~~the~~ a regional basis.

2. The N.C.C. Act, 1948, provides for the raising of three Divisions - (1) Senior Division to which recruitment should be made from the male students of the Universities, (2) Junior Division to which recruitment shall be made from among the boys studying in high schools who have attained the age of 13 years and (3) Girls' Division to which recruitment shall be made from among the girl students of colleges and high schools. The Government ~~have~~ of India decided to raise at the outset a Senior & Junior Dn only. It was therefore decided that the strength of the Senior and Junior divisions to be raised in this Province should be limited to 2000 and 4000 cadets respectively. As the U.O.T.C. units were disbanded with effect from 15-7-48, the Government sanctioned the formation of two Infantry Battalions of four companies each with a strength of 1248 cadets and one Engineer centre with a strength of 60 cadets in 1948, making a total of 1308 cadets for the Senior Division. Sanction has been accorded for the raising during the current year ~~four~~ three Specialist ~~technical~~ units - Medical, E.M.E. & Signals and one Independent Infantry Coy for ~~units of~~ the Senior Division and 21 units and 2 sub-units ~~for~~ the Junior Division. ~~are proposed to be formed. The total~~ If enrolment of cadets is made up to the full strength ~~of the cadets is will now be~~ the number will come to 1642 for Senior Divn. and 1950 for Junior Division.

3. The local statement of the units of the N.C.C. (Senior and Junior Division) already raised in 1948 and proposed to be formed in this year will be found on pages 3-4 c.f. It will be seen therefrom that no unit of the Senior Division is proposed to be formed in the Andhra University area. One Infantry Battalion of two companies was allotted to the Andhra University. ~~The University which agreed to raise this unit, did not select the N.C.C.~~ Owing to the failure of the University authorities to select the members of

the teaching staff of the Colleges in which the units were proposed to be raised ~~for~~ ~~not undergoing training~~ ~~N.C.C. Officers required to man the unit~~ (in time) ~~and to send them~~ in time for undergoing training with regular Army unit; the raising of this unit had ~~therefore been~~ to be deferred to 1950 - Vide Letter Ref.No.24865-B1/49-3 Edn. dated 14-5-49. The failure on the part of the University authorities has also been communicated to the Director N.C.C. (Separate file)

Their working goes with the University authorities and hence more than 300 students could not be trained this year in [illegible]

(A) 21-22
20

page 4 c.f.

4. So far as the distribution of the units of the Junior Division is concerned only three units, four and 1 sub unit with a strength of 300 cadets have been allotted to the high schools in the Andhra Districts out of a total number of 21 units and 2 sub-units. Originally it was proposed to raise 35 units and 2 sub units for the Province. But on account of the non-availability of teachers with prescribed physical standards to man them, the number of units had to be reduced to 21 units and 2 sub units. The selection of schools for the raising of units at the outset had to be made with reference to various factors other than the regional basis. viz - preparedness to depute the right type of personnel for training as NCC officers, availability of ~~Apart from the costliness of the scheme, the raising of the units depend upon certain essential pre-requisites such as provision of office accommodation, construction of~~ store room for equipment and clothing and facilities to keep the ~~provision of armouries for the storage of~~ arms and ammunition of the units in the Police armouries or under police custody ~~and police guards~~. The I.G. has reported that accommodation in the Police armouries for keeping the arms and ammunition of the N.C.C. can be found only in the following places, namely, Visakhapatnam, Rajahmundry, Masulipatam, Chittoor, Cuddalore, Tiruchirapalli, Tirunelveli, Coimbatore and Salem. It will be seen from the location statement that units have been allotted to all places except Madras where there is accommodation in the Police armouries. In view of the existence of a good number of schools in the City of Madras, a certain number of units have been allotted to it also. Even though the N.C.C. scheme provides for the raising of Girls' Division, the Dir. N.C.C. with whom the allotment of units to the various provinces rests, has not so far allotted to this Province any units of this division. Probably one or two units have been allotted in some other Provinces as an experimental measure. The question of raising a girls division in this Province will be taken up in consultation with the University authorities & the Director N.C.C when further raising of units is proposed in for 1950 or subsequent years. So far as the current year is concerned it is too late to consider the question There is considerable difficulty in raising addl. units and ~~If the Dir. allotts, a unit of this division in connection with the raising of further units in this Province, the question~~

*Organization of the National Cadet Corps.*

* 5 *Q.*—SRI R. SURYANARAYANA RAO: Will the Hon. the Minister for Education be pleased to state—

(*a*) what progress, if any, has been made in the organization of the National Cadet Corps in the Province:

(*b*) whether the cadet corps in the Province, as elsewhere, comprises senior and junior divisions and all wings of the Army, Navy and Air Force:

(*c*) the number of senior and junior units formed and the names of institutions to which these units are attached;

(*d*) what arrangements, if any, have been made for the training of officers required;

(*e*) whether any girl divisional units have been organized; and

[24th June 1949

(*f*) whether the Government propose to make a statement regarding the present position of the National Cadet Corps in the Province and their future plans for the expansion of all divisions?

THE HON. SRI K. MADHAVA MENON:—“ (*a*) The Government have decided to form a Senior and a Junior Division of the National Cadet Corps with a strength of 2,000 and 4,000 cadets respectively. In 1948, they sanctioned the formation of two Infantry Battalions of four companies each and one Engineer Platoon with the ex-UOTC units. Enrolment of cadets has been made for these three units and they are functioning. In the current year, it is proposed to raise 3 specialist units and one Infantry Unit for the Senior division and 35 troops and 2 sub-units for the Junior division.

“ (*b*) Allotment of units for the Senior division has so far been made only to the Army wing and for the Junior division for troops.

“ (*c*) A location statement * of units is laid on the table.

“ (*d*) For the three units of the Senior division raised in 1948, seventeen trained officers are available. Arrangements have been made for the training of 22 officers in the current year. For the additional units of the Senior division to be raised in the current year, trained officers are available for the medical unit. The officer trainees for the remaining units have been sent for training. Instructions have been issued to the Director of Public Instruction for the selection of 107 officers to be trained for the Junior Division Unit during the summer vacation.

“ (*e*) No.

“ (*f*) The expansion of the divisions of the National Cadet Corps will be planned by the National Cadet Corps Directorate in the Ministry of Defence, Government of India and further allotments will be made in consultation with the Provincial Government. The Government will consider the question of expansion of the two divisions formed in this Province in future when proposals in this regard are received from the National Cadet Corps Directorate. The present position has been explained and no further statement is necessary.”

8

12

**Sri R. Suryanarayana Rao**:—"May I know why the Government did not recommend to the National Cadet Corps Directorate the raising of a unit attached to the Andhra University?"

**The Hon. Sri K. Madhava Menon**:—"There has been some proposal for raising units in the Andhra University. I want notice to answer the question."

**Sri R. Suryanarayana Rao**:—"May I know why no high school in the Ceded districts has been chosen for raising a Junior Division unit?"

---

[a] Printed as Appendix II on pages 63-65 infra.

**The Hon. Sri K. Madhava Menon**:—"It all depends upon the facilities that are available. A unit is proposed to be raised in the Board High School, Chittoor, which I think is in Rayalaseema."

**Sri R. Suryanarayana Rao**:—"I may point out that the West Coast has been left out altogether. I would like the Government to review and see whether it is not possible to spread the raising of the senior and junior divisions to colleges and schools throughout the Province. Certainly facilities are available, but only the Government should make up their mind."

**The Hon. Sri K. Madhava Menon**:—"I shall see why West Coast has been left out. If it is an omission which can be rectified, I shall try to rectify it."

|  |  |  | ~~74~~ 64 | ~~2,200~~ 1920 | ~~24~~ 21 units and 2 sub-units. |

Number of trained officers available—Nil.
Number of officers to be trained—74.

Only 64 officers under went training & the no units is therefore 21 unit & 1 sub unit.

The letter from the Director, National Cadet Corps on page 18 c.f. and the proceedings of the Legislative Assembly on pages 11-14 above may be perused. The Director has stated that the Government of India have decided that no unit of the Girls' Division should be raised during the next year. No action is, therefore, necessary on the raising of a unit of that division in this Province.

p 18 cf

2. With reference to the portion marked 'A' on page 12 ante, it is submitted that originally the Director of Public Instruction suggested the names of high schools from all the districts in this Province, where the units of the Junior Division ~~can~~ could be raised and the total number of schools in the districts of ~~the West Coast~~ Malabar & S. Kanara was 17. ~~As~~ The Inspector-General of Police then reported that the arms and ammunition that might be supplied to the units could be stored in the police armouries only in nine towns and that the armouries in any of the other places including those in the Malabar and South Kanara districts ~~cannot~~ could not hold the arms and ammunition. The Director was, therefore, asked to select the schools only in those nine places for the raising of the units.

G.O. 2119 Edn 9/7/49
(X)/10 cf
(X)/30 cf
(X)/31-32 cf

P.T.O.

---

21

The Director accordingly selected the schools and it was decided to raise 35 units and 2 sub-units. The Officers required for the units were to be selected by a Selection Committee (For the members of the committee, please see page 9 c.f. of G.O.No. 1029 Edn. dated 9-4-49). On the basis of the standard of physical fitness prescribed by the Director, N.C.C. before they were sent up for training with a Regular Army Unit, the Committee selected only 74 teachers and the total number of units to be raised was (consequently) reduced to 24 units and 2 sub-units. Out of this 74 teachers, some did not join the training centre for undergoing the training and finally only 21 units and 2 sub-units have been raised.

vide the letter on p. 54 cf of (X)
(M)
(M)/8 cf
(X)/109 cf
(X)/122 cf

3. It is proposed to raise 23 units during the year 1950-51 to make up the strength of 4000 cadets decided by the Cabinet. ~~For~~ From the list of schools desiring to form the units submitted by the Director, it is observed that 12 schools on the west coast have expressed their willingness and the Director has promised to send a further ~~report~~ list of schools. On the suggestion of the Director, N.C.C., it has since been decided to store the arms and ammunition of the Junior Division units in specially made wooden boxes and orders for the manufacture in the Engineering College, Guindy, of 30 such boxes for the units raised during the current year will be issued shortly. The availability of accommodation in the police armories will not now stand in the way of raising units, as the boxes can be chained to a pillar or a post in the police stations or in the Treasury Guard Rooms, if available. In the circumstances, it is submitted that adequate representation ~~nat veguveb~~ may be given to the schools in the Malabar and South Kanara districts, when the selection of schools for the next year is made. Even if schools are selected in these two districts, the number of units that can be raised will depend upon the number of officers selected by the Selection Committee and the number of teachers
