EDUCATION DEPARTMENT

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS

To The Secretary to Government,
Education & Public Health
Dept., Madras.

Re.1123-A4/49 dated 31-10-49

Sir,

Sub:--Govt. Servants Conduct Rules--Lient-Col. S.Paul, Principal,
College of Engineering, Guindy--Permission to be a member of
the Technical Advisory Panel and a member of the Board
of studies in Automobile Engineering.

In submitting herewith a copy of the letter dated 13-10-49
from the Principal, College of Engineering, Guindy and the enclosures
thereto, I recommend that Lient Col. S. Paul may be permitted to serve on
the two committees viz., the technical Advisory Panel and the Board of
studies in Automobile Engineering as the work will not interfere with the
discharge of the Official duties.

Yours faithfully,

[Signature]

For Director of Public Instruction

dt 13.10.49
Copy of letter from the Lieut. Col. S. Paul, B.E., Principal, College of Engineering, Saidapet, to the Director of Public Instruction, Madras.

I enclose herewith copies of the letters received from the Principal, Madras Institute of Technology, Chromepet, asking me to be a member of the Technical Advisory Panel and a member of the Board of Studies in Automobile Engineering. The work is honorary and carries no remuneration and it is not likely to interfere with the discharge of my official duties. I request that permission may kindly be accorded for me to be a member of the two committees.

1.9.49
Copy of letter from the Principal, Madras Institute of Technology, Chromepet to the Principal, College of Engineering, Guindy.

It is proposed to have a Technical Advisory Panel for the approval of the detailed syllabuses for the various courses, and I enclose herewith a list of the names proposed for the panel. Unless it is convenient and absolutely necessary, meetings of the Council will not ordinarily be held. For the present, the detailed syllabus, a draft of which is under preparation, will be sent to the members of the panel after it is passed by the Board of Studies for each faculty, with a request to them to suggest modifications or alterations as they may deem fit. May I request you to kindly agree to be a member of this Advisory Panel? I am making this request so that your advice and guidance may be readily available to us when sought, and I shall be glad if you will kindly signify your consent to be included in the panel.

Within the very short period the students have been receiving their instruction here, we find that they are all well above the average and are likely to come out as specialised Engineers of a high order.

The Institute has been started with an initial contribution of Rs.5 lacs made by Mr. C.Rajan, and the Council of Management are busy arranging for additional funds to meet the recurring expenditure

with best regards.

Copy of letter from the Principal, Madras Institute of Technology
to the Principal, College of Engineering, Guindy.

I daresay you must have read from the papers about the opening of the Madras Institute of Technology at Chromepet, near Madras. We have started the First year Course with a batch of 90 students, most of whom are B.Sc. (Physics Main) Degree-holders. The students will have a three year course, with basic training in the first year, and specialised courses in the Second and third years in Communication Engineering and Electronics, Instrument Technology, Automobile Engineering and Aeronautical Engineering. The students will also have a fairly good training Mechanical and Electrical Engineering.

It is proposed to have a separate Board of studies for each of the Faculties in the Institute. It is our earnest desire that you should be a Member of the Board of Studies for Automobile Engineering. The names of the members of the Board are shown in the enclosed list. A skeleton syllabus is under preparation and a copy of the same will be sent to you ere long. I shall be grateful if you will kindly signify your consent for including your name on the Board and thus enable us to have the benefit of your advice and suggestions.

Thanking you and with best regards.
