In their Memo. No.42531-B1/48-4 Edn., dated 18-7-1949,
Government accepted the Director's proposals that the maximum
age limit upto which teachers may service in Aided Secondary
Schools may be raised from fifty five to sixty, and that such
of the teachers who are retained in service after 55 years of
age may be deemed to have been re-employed. In pursuance of
these proposals, I already submitted a draft of the necessary
amendments to the Madras Educational Rules and the Grant-in-aid
Code. Please see my letter Rc.No.662 E2/49 dated 14-9-1949.

2 Under Rule 10 A of the Madras Educational Rules, the Direc-
tor may, in exceptional cases, permit a teacher over sixty years
of age to work in a school. Rule 16 of the Grant-in-aid Code
states that no grant will be paid on behalf of teachers who are
retained in service beyond sixty years. I consider that in view
of the existing dearth of trained teachers some relaxation is
necessary in this respect as well. In cases where superannuated
teachers are permitted to work over sixty years of age, it is but
fair and equitable that grant is also allowed on their behalf.
In the circumstances, I request that Government may be pleased
to empower the Director for a period of two years to admit for
purposes of grant-in special cases teachers who are permitted
to work beyond the age of 60.

Yours faithfully

Phinikam
For Director of Public Instruction.

In view of the existing dearth of trained teachers, the Government relax the provisions of rule 16 of the Grant-in-Aid Code temporarily for a period of two years, that is for 1949-50 and 1950-51, ~~so as to permit~~ ^{enabling} the D.P.G. to assess teaching grants on behalf of teachers in aided educational institutions who are permitted to work beyond sixty years of age.

Schools - Secondary - Aided - Assessment of teaching grant on behalf of teachers who are retained in service beyond 60 years of age -

Read: G.O. No. 1587 Edn. dated 18th June 1948.

G.O. No. 3066 Edn. dated 5-10-49.

From the D.P.I. R.C. No. 662 E2/49 dt. 4-10-49.

Under rule 10 (A) of the Madras Educational Rules as amended in G.O. No. 3066 Edn. dated 5-10-1949, no teacher shall be appointed to or allowed to continue in a school after the completion of his or her fifty-fifth year. However, teachers in schools under private management may be retained in service upto the age of sixty and they shall be deemed to have been re-employed. In exceptional cases, the Director may permit a teacher over sixty years of age to work in a school. Under rule 16 of the Grant-in-Aid Code, no grant will be paid on behalf of ^{such} teachers who are retained in service beyond sixty years. The D.P.I. has now proposed that, in view of the existing dearth of trained teachers, the Govt. may be pleased to empower ^{him} the Director, for a period of two years, to admit for purposes of grant, in special cases, teachers who are permitted to work beyond the age of 60.

2. The question whether the rule 16 of the Grant-in-Aid Code should be changed and the D.P.I. should be permitted to assess grants on behalf of superannuated teachers who are retained beyond 60 years of age was ^{previously} already considered and orders were issued in G.O. No. 1587 Edn. dated 18-6-48 that no alternation need be made to the rule. Attention is solicited to the orders in circulation at p. 3 n.f. of (A). The present proposal is however to be limited only for a period of two years, ~~and as stated by the previous D.P.I.~~ As retention in service beyond 60 years of age will be sanctioned year by year under very special circumstances, the extra cost to Govt. is not likely to be much. It may also be mentioned that the remarks of the previous D.P.I.

that if a teacher above 60 years of age is permitted to teach, it is only fair ~~and~~ that grant also is assessed on his (or her) behalf, still hold good. In view of the existing dearth of trained teachers it is for consideration whether the Director's proposal may be accepted and he may be permitted to assess grants on behalf of such superannuated men for a period of two years c.e. for 1949-50 and 1950-51. The file may be sent to Finance for remarks prior to circulation.

The intention behind rule 16 of the Grant-in-aid Code, as amended in G.O. No. 3066 Edn of 5-10-49, ^{which lays down} that no grant will be paid on behalf teachers who are retained in service beyond 60 years, is that retention of teachers beyond that age should be discouraged even to the extent of withholding of grant in such cases - see notes

This Department is well aware that it is not desirable to continue the employment of teachers who have passed the age of 60. The position however is that we are so short of teachers that unless those who are still fit to teach are employed, many schools will not be able to run all their classes. In the circumstances when the employment of these teachers is inevitable, Government may sanction the usual grants

in the interest of the school concerned and of the teachers re-employed. The D.P.I. asks for relaxation only for two years.
