The said buildings for which half of the cost not exceeding Rs.35,000/- was sanctioned by the Government is nearing completion. One of the buildings will be complete within a few weeks and the other by about the end of the calendar year.

The cost of the building has gone considerably above the original estimate of Rs.73,600/- owing to the increased cost of materials and labour and certain improvements made on the suggestion and consent of the consulting architect of the Government. It is expected that the total cost will go up to nearly ninety thousand Rupees.

Till now nearly Rs.74,000/- (Seventyfour thousand Rupees) have been spent as certified by the Engineer in his certificate sent herewith. The Government have promised a grant of Rs.35,000/- (Thirtyfive thousand only) of which Rs.10,000 has already been drawn in the last year. The rest of the amount has been provided in the years budget. It will gratefully help to relieve the financial ~~trouble~~ ^{press} on the institution if orders can be passed for the disbursement the balance of the amount i.e. Rs.25,000/- immediately.

The building will be completed in the course of this year and completion certificate and the other usual formalities complied with before the close of this financial year.

We shall be glad to have an early reply. Thanking you,

Yours Sincerely,

J. S. Kalyan

SRI RAMAKRISHNA MISSION VIDYALAYA,
SRI RAMAKRISHNA VIDYALAYA P.O.
COIMBATORE DT.
Date 21st Nov 1949.

From Sri N.M.R. Subbaraman, M.L.A.,
Vice President,
Sri Ramakrishna Mission Vidyalaya High School,
Coimbatore.

To The Hon. K. Madhava Menon,
Hon. Minister for Education,
Govt. of Madras.

Dear Mr Madhava Menon,

We are thankful to you for the G.O.
enclosed herewith. But unfortunately such a G.O.
does not help us just now. The representation from
the Vidyalaya would have made it clear, that, while
nearly Rs. 34,000/- has already been spent, nearly
Rs. 20,000/- have yet to be spent to complete the
buildings. The execution of the mortgage deed will
take further time.

2. The Government grant as at present ordered
is half not exceeding Rs. 35,000/-, More than
double that amount has already been spent. It will
relieve the great financial strain on the Vidyalaya
if the rest of the grant available can be paid
immediately pending the execution of the mortgage
deed.

3. Such things have been done in the past
with regard to other institutions and let us assure
you we will execute the mortgage deed at the
earliest possible time.

Thanking you,

Encl: 1.

Yours sincerely,

N. M. R. Subbaraman
