Finance (C.R.)

Please see the reference from the Director of Public Instruction in the C.F. In the circumstances explained Finance may agree to the temporary arrangements made for carrying on physical education work in the Ponhadambal High School, Pandukottai. As two persons are attending to the work of the Physical Training Instructor it seems sufficient to allow them an additional allowance at 1/10th of their substantive pay, if that is less than the amount proposed to be paid to them. Finance may advise accordingly.

Subject to the foregoing remarks the draft order on leaf may be accepted.

Please see the notes of the Finance Dept. above. As suggested by them, the D.P.G. may be consulted whether it will not be too low if an additional allowance at 1/10 of the substantive pay of the two teachers is sanctioned.

A draft T.M. memo is submitted below for approval.

C.M. 85424 P.C. of T.M. d/31.10.49 from the D.P.G.

Please see the post copy of the telephonic message d/31.10.49 from the D.P.G. at p 5 cf. He considers that the additional physical training work carried out by Srs P. Sundaresa Pillai and D. Balasubramania Ayyar will be more than that of one physical training instructor and that therefore they may be sanctioned the charge allowance at the rates already recommended by him viz Rs 20/- and Rs 10/- respectively per mensem. He is of the opinion that the grant of the additional allowance at one tenth of the substantive pay of the two teachers will be too low. As the difference between the rates of special pay recommended by the D.P.G. and those admissible under F.R 49 is only very little and as the two teachers between them carry out the duties of one physical training instructor it is for consideration whether the rates of additional allowance already recommended by the Director may be accepted. If so the draft order at p 1 ante as already approved may be issued with the concurrence of Finance.

Please see previous Fin. note on p 2 above and the notes following. The modified proposal of the D.P.G. is to pay at one-fifth of the substantive pay of Messrs Sundaresam Pillai & Balasubramania Ayyar is economical, although the difference as compared with the previous rates may be small. Finance may therefore advise that it is sufficient to sanction additional remuneration at one-fifth of their respective
