Ever since the Stationery Office and Stores were shifted from First Line Beach to Guindy, the Assistant Superintendent of Stationery has been granted a conveyance allowance of Rs.50/- per month. The Assistant Superintendent of Stationery was normally visiting the Stationery Office at Guindy once a week. In September, 1948, I found that the Stationery Office required close supervision and had to be pulled up and with this end in view I instructed the Assistant Superintendent of Stationery to visit the Stationery Office twice a week. Two months later I instructed the Assistant Superintendent of Stationery to visit the office at Guindy thrice a week to tighten up the supervision and control over the working of the office. From April, 1949 the present Assistant Superintendent is holding office at Guindy every day and spends nearly the whole day there and attends the Stamp Office in the afternoon, as every branch of the Stationery Office required attention and it would be impossible to effect any improvement without an officer remaining wholetime there. In my report D.O.No.274/49 dated 4-4-49 sent through the Board of Revenue I have suggested relieving the Assistant Superintendent of the work of stamps and transferring it to my Personal Assistant to enable the Assistant Superintendent to attend solely to the work in the Stationery Office. Orders of the Government have not yet been received and till that proposal is approved, the Assistant Superintendent has to attend both the offices every day, and has therefore to perform daily an extra journey of 9 miles between Guindy and Beach on account of the location of the offices under his control in different places. If he is paid mileage at 9 annas per mile (the rate to which he is entitled) he will have to be paid Rs.5-1-0 on every working day. Taking the average number of working days in a month as 25, he will be entitled to get Rs.126-9-0 as travelling allowance. I, therefore, submit that the decision of Government in G.O.No.1179 Education dated 19-4-1949 to continue the conveyance allowance at the original rate of Rs.50/- to the Assistant Superintendent is somewhat unfair and will work a great hardship, especially to a Deputy Collector from a mufassal who is posted to the city where the cost of living is higher, besides its being a poor encouragement for the arduous work he is entrusted with. My Personal Assistant, Special Assistant (Civil Supplies), the Special Deputy Collector (Elections) and the Rent Controllers are all allowed a conveyance allowance of Rs.75/- per mensem although their work does not involve local inspection every day. It would be anomalous therefore that of the officers attached to same Collector's Office, one officer should be treated differently from others by refusing to pay him (the Assistant Superintendent) more than Rs.50/- as conveyance allowance, when the extent of his touring every day in connection with the Government work, is well known. I, therefore, request that the Government may be pleased to reconsider their decision and permit the Assistant Superintendent of Stationery to draw Travelling Allowance under the ordinary rules for the extra journeys which he has to perform or enhance the conveyance allowance to Rs.75/- per month.

Sub:- Conveyance allowance to Assistant Superintendent of Stationery.

Ref:- Letter from the Superintendent of Stationery, No.16409/49, dated 16-7-49.

The Asst. Supdt. of Stationery is being paid a conveyance allowance of Rs.50/- a month for visiting the stationery stores at Guindy. In December 1948 the Supdt. of Stationery recommended that the allowance might be enhanced to Rs.75/- a month. The proposal was considered at length and ^{it} was ~~not~~ finally decided not to enhance the allowance - Vide notes with G.O.No.1178-Edn., dated 19-4-49.

The Supdt. has again raised the question of enhancement of the conveyance allowance from Rs.50/- to Rs.75/- a month. In view of the facts that the Asst. Supdt. is now expected to be at the Guindy Stores daily and that the other Assts. to the Collector are in receipt of ^{conveyance} allowance of Rs.75/- a month this Dept. may support ~~in~~ the proposal to enhance the allowance to Rs.75/-.

The file may be sent to Finance for remarks.

The Collector's letter in cf. setting out the case & E.P.H. note above may be perused.

The Collr. has now stated that the Asst. Supdt. of Stationery has to visit the Stationery Stores at Guindy daily instead of ~~for~~ thrice a week. The officer has also to attend the Stamp Office at Madras daily. ^{he has to incur} In view of the travelling expenses for making daily

This was the position when Mr. [unclear] declined to increase the conveyance in G.O. (H).

daily visits to Guindy and as the other
 Apts. to the Collr. of Madras like the
 Rent Controller & Personal Apts. are
 getting a conveyance (motor-car) allowance
 of Rs. 75 p.m., the Collr. has pressed for
 reconsideration of G.O. 1179 Edn. of 19-4-49
 & the enhancement of the conveyance allowance
 of the Apts. Supdt. of Stationery from Rs. 50
 to Rs. 75 p.m. E.P.H. supports the Collr.'s
 proposal.

2. In the circumstances now stated
 by the Collr. viz. that the Apts. Supdt. of
 Stationery has to pay daily visits to
 the Stationery Office at Guindy besides
 attending the Stamp Office also in the City
 daily, the proposal to enhance the motor-
 car allowance to Rs. 75 p.m. seems
 acceptable. But the point arises whether
 it will always be necessary for the Apts.
 Supdt. to visit Guindy daily. E.P.H. may
 be requested to say whether it is not sufficient
 if the visits are limited to 3 times a
 week, in which case there is no need to
 increase the rate of conveyance allowance.
 E.P.H. may also be requested to state
 what decision has been arrived at on
 the suggestion to transfer the work relating
 to Stamps from the Apts. Supdt. of Stationery
 to the Collr.'s P.A.

2. As regards A on 1-2
 anti, it does not seem just
 to limit his visits to three times
 a week as the Stationery Office
 requires constant vigilance &
 supervision. In view of the problems
 in the administration, the present
 Supdt. & Shy has thought it
 desirable to instruct the Asst.
 Supdt. to visit the Stationery
 office daily - vide X on p 1 of.

Previous Finance note on pages 1-2 above and the
 further notes may be perused.

2. It may be observed when an allowance of Rs. 50/-
 per mensem was sanctioned in 1942 the Superintendent of
 Stationery recommended that rate to cover the extra ex-
 penditure which the Assistant Superintendent had to incur
 consequent on his every day visit to Guindy. So when
 this was considered sufficient even during evacuation days
 it does not seem essential to allow him enhanced rate for

With reference to E. & P. H.'s note above, it may be observed that no fresh grounds are now adduced for the grant of enhanced rates of conveyance allowance of Rs 75 p.m. which is ~~was~~ the maximum fixed by the Retrenchment & Reorganisation Committee. As already observed, the rate of Rs 50 was ^{fixed} originally in 1942 for such daily visits. In the circumstances it is for consideration whether Fin. may adhere to the view at Z' on p. 4 ante 9b, however, the matter is to be pressed, H. M. (Fin) also may see.
