Further Education of demobilised medical licentiates--Dr.K. Ramamurthy--Payment of admission and tuition fees recommended. Reference:-Letter No.13883-Res/49.7 dated 7.7.1949 from the Surgeon-General with the Government of Madras.

IN submitting herewith in original the letter of the Surgeon-General with the Government of Madras, referred to above, I have the honour to state that it does not appear equitable to demand the full fees from the candidates in this case. He left the college on account of illness. The entire fee or an equitable portion of the fee due from the candidate should be remitted. If the Government consider that the fee should be paid in any case 50% of the fees may be sanctioned.

yours faithfully,

Superintendent of the Lake Medical College, Calcutta.

Under the circumstances, narrated I trust you will see that my leaving the college was due to health reasons and that it was beyond my control and duly authorised by the Hospital authorities and therefore you will not insist on my paying the amount of Rs.525/- (Admission and Tuition fees for the session 1947-48) but waive the same

Certificate granted by the Principal-Cum-Superintendent, Lake Medical College, Calcutta., dated 22nd January 1948.

This is to certify that Lieut K. Ramamurthy Ex. IAMC selected for the condensed MB course for ex-army licentiates at the Lake Medical College, Southern Avenue Calcutta attended the college from 8-1-48 to 22-1-48 both days inclusive and he is leaving the college on recommendation of the authorities on medical grounds owing to ill health, developed after arrival here.

Copy of Memorandum No.8-52-48/Res dated 1st July 1949 of the Director General of Health Services.

Reference your letter No.13883-Res dated the 25th May 1949.

Normally a student has to pay the tuition and the admission fee at the time of admission. This was not however, done as the Government of Madras had not issued instructions for payment of financial concessions to the students admitted to the batch of students in which Dr. Ramamurthy joined the Lake Medical College. As such the question of exemption from the payment of these fees, on the grounds that Dr. Ramamurthy left the college on grounds of ill health does not seem to arise. The Government of Madras who deputed him for the course should it appears reasonable pay this. It may, however, be stated that the request of the Principal Lake Medical College asking you to pay Rs.525/- is not correct, as the Government of Madras have to arrange for the payment of only 50% of the cost thereof i.e. Rs.262/8-0 the other 50% being payable by the Government of India. It is, accordingly, requested that this amount may kindly be got sanctioned from the Further Education Board and this Directorate General informed when it is done. On receipt of this information instructions for the payment of the 50% share payable by the Government of India will be issued to Accountant-General, West Bengal, Calcutta.

Sub: WAR - Further Education of Demobilised Medical Licentiates - Condensed M.B.B.S. course at Lake Medical College, Calcutta - Dr. K.Ramamurthy Payment of admission and tuition fees.

Dr. K. Ramamurthy, ex-medical officer, Lady Willingdon Leprosy Sanatorium and an ex-I.A.M.C. officer who was undergoing the condensed M.B.B.S. course at the Lake Medical College, Calcutta, under the Further Education Scheme sanctioned in G.O.

No.1167 Edn., dated 12-6-46 had to discontinue his studies on account of ill health developed during his stay in Calcutta. Since he was in the college from 8-1-48 to 22-1-48, the Principal of the Lake Medical College has claimed an amount of Rs.525/- as admission and tuition fees in the college for the full session 1947-48 in respect of the candidate. The Director-General of Health Services in his letter says that fifty per cent of the fees payable by the student viz. Rs.262-8-0 will be paid by the Govt. of India and that the remaining 50 per cent Rs.262-8-0 should be paid by the Madras Govt. The S.G. in forwarding the decision of the Director-General of Health Services, recommends that fifty per cent of the fees for the Session, viz. Rs.262-8-0, be paid by this Govt.

The D.P.I. states that it does not appear equitable to demand full fees from the candidate in question for his studies in the college only for a period of 14 days in all in view of the fact that he had to discontinue his studies due to illness developed on account of his stay in Calcutta. He states that the entire fee or an equitable portion of the fee due from the candidate should be remitted. He says that if the Govt. consider that a fee should be paid on behalf of the student, only fifty per cent of the fees may be paid. If the fee is remitted

EC
Beck

according to the recommendation of the D.P.I., the amount payable by this Govt. will be only Rs.131-4-0 being half of Rs.262-8-0. The amount payable by the Govt. of India will be Rs.131-4-0. It is doubtful whether the Principal of the College will be agreeable to the remission as suggested by the D.P.I. for the reason that the student leaving the college after the beginning of the session there will be a loss of fee income to the institution as no other student could have been admitted after 22-1-48 to make up the loss of income. Anyhow the Principal of the College may be addressed.
