The Honourable Minister for Education,
Government of Madras,
Fort St. George,
Madras.

22 APR 1949

Dear Sir,

Ref: E & P.H. Dept. Letter No. 34, Edn. dated the 4th
January 1949.
Sub: Overseas Scholarship 1946-47--reinstatement of.

In continuation of my previous appeal, copy of which is
appended herewith, to the Secretary to the Government, E & P.H. Dept.
dated 7.2.49 for which, I regret to mention, I have received no
reply so far, let me be permitted to submit this by way of a
reminder.

According to Para 1 of the Government of Madras Abstract of
Order, G.O.Ms. No. 1451, Edn. dated the 25th July 1946 the condi-
tions of the cancellation of the Scholarship has been couched in
the following sentences: "The selection of the candidate is subject
to the availability of admissions in institutions abroad and
passages. In the event of either the admissions or the passages
not becoming available, these provisional offers may have to be
withdrawn". But in Letter No. 34, Edn., dated the 4th January
1949 of the Secretary to the Government, E & P.H. Dept. it has been
stated that "I am directed to state that on further consideration,
the Government have decided to cancel the scholarship for overseas
studies awarded to Sri. T.V. Sukumaran as it is not possible in the
existing circumstances to provide him with a suitable post on his
return." This reason is not in conformity with the conditions
contained in the first sentence underlined, and that the cancella-
tion of the scholarship is not justified.

According to the instruction in para 4 of the Order--
"The candidates should also complete as quickly as possible all
their arrangements including equipment, passport, visas and

inoculation which may be necessary" and also the travel agents' advice to the same effect, I have had to incur some expenditure on equipment for use in America all of which will go to waste.

So in the light of these facts and those mentioned in my first appeal I request and hope that your honour may be pleased to review the matter urgently and administer justice if the facts of the case warrant so that I could join one of the institutes in America for the September 1949 session for which I hope to get admission through my own efforts.

As I understand that there are some vacancies of Assistant Superintendents in the Government press, Madras to be filled up shortly, in the event of the reinstatement of the scholarship not being possible, I request that I may kindly be appointed to one of the posts which would mean sufficient compensation for all the handicaps accruing from the cancellation of the scholarship. I may also add that I was an apprentice in the Government Press, Madras.

Thanking you in anticipation.

I beg to remain,

Dear Sir,

Yours most obediently,

Tellicherry,

Dear Sir,

Ref: E & P.H. Dept. Letter No. 34. Edn.

I have the honour to acknowledge with bitter disappointment the above referred letter cancelling my scholarship for Advanced Studies Overseas after fondly waiting for nearly two and half years for passage abroad.

Since the award of the scholarship I have suffered much, as just after that I was asked by my employer to quit his services knowing that I was likely to desert ^{him} any time causing him much inconvenience. Afterwards I have not been able to get into any good service as almost all the big printing houses in the city knew about my selection. I couldn't go to other big cities spending much as I was afraid it might go to waste if I got admission for any of the impending sessions in American institutions. The selection had also given me a sense of security and didn't want to embark on any other long range programme of improving my career such as by taking a Science degree attending part-time courses at other universities. Now I am unexpectedly thrown on my own resources and have to start my career afresh like any student who has just now passed out.

As the principal aim of the Scheme was imparting higher technical and scientific education to the scholars as elucidated in the "Terms and conditions of the award of the Scholarship" and the Order I was not prepared for this

P.T.O.

contingency, of the scholarship being cancelled owing to lack of provision in the Provincial Government Service after training. Employment under private auspices even was mentioned as a possibility depending on the "rules and regulations in force at the time".

under these circumstances, I beg that you may be pleased to review the matter and reinstate the scholarship at your earliest.

Thanking you in anticipation.

Tellicherry,

Dear Sir,

Sir,

Sub: Government Press - Subordinate Service -
Sri T.V. Sukumaran - Employment of -
Ref: Government Memorandum No. 30917 E2/49-1 Edn.,
dated 17-6-1949.

With reference to the above, I am to state that the selection of Sri T.V. Sukumaran may be considered by Government for appointment for the post of Top Senior Foreman, Machine Department sanctioned in G.O.No. 2985 Edn, dated 27-11-1948.

The post is at present temporary up to 26-11-1949 and carries a scale of pay of Rs 120-5-170 and has since fallen vacant consequent on the promotion of the incumbent of this post as Assistant Superintendent. At present there is none among the employees of the machine department of the Government Press, possessing necessary technical and general qualifications suitable for appointment as Top Senior Foreman to man and administer the machine room. I am therefore to recommend that the choice of Sri T.V. Sukumaran though an outsider, who is fully qualified in machine work may as well be considered with advantage to Government.

Superintendent.

Sub: Advanced studies overseas - Sri T. V. Sukumaran - Cancellation of scholarship - Petition -

C.No.30917/49 From Sri T. V. Sukumaran, Tellichery, dated 20/4/49.

Sri T. V. Sukumaran was selected in 1946-47 for advanced studies in 'Lithography and Printing' and was intended for absorption in Industries on return. Dev. Deptt. stated that there was no suitable post in the Industries Deptt. ~~for~~ the scholar. It was also considered that the candidate need not be sent abroad for training as for an Asst. Supdt's post in the Govt. Press. His scholarship was therefore cancelled in Letter No.34 Edn. d/4-1-49.

2. Sri T. V. Sukumaran has now submitted a petition in which he requests

1) that the scholarship may be ~~revised~~ ^{restored} in his case or

2) that he may be appointed to one of the posts of Asst. Supdts. in the Govt. Press.

Request (1) above--Sri Sukumaran is one of the seven scholars whose scholarships were cancelled--please see page 13 of G.O.1455 Edn. d/9-5-49. Attention is also invited to the ~~former~~ ^{former} Premier's minute at p.12 of (E). The scholarship cannot be restored in Sri Sukumaran's case alone.

Request (2) above-- The ~~specific~~ ^{specifically} question whether Sukumaran should be sent for overseas training with a view to his subsequent absorption in the Govt. Press was considered at the time when the scholarship was cancelled--please see the notes and the orders in circulation at p-3-4 n.f. of G.O.34 Edn. dated 4-1-49. There were four permanent vacancies of Asst. Supdts. in the Press.

Under the rules, direct recruitment is allowed only if qualified persons in the subordinate services are not available. The S.C.P. sent to the M.P.S.C. the names of 17 persons for selection by the Commission for the four vacancies. The persons selected by the Commission

already
Commission have been appointed to the four posts of
Asst. Supdts. Thus, there is no vacancy at present to which
Sukumaran can be appointed. He may be informed accordingly.
A draft memo. is submitted. H.M.(Edn) may see.

Submit, the 4 vacancies of Asst.
Supt. Govt. P.W.D. has been filled
by candidates selected by the Madras
Service Commission by transfer. Only 2
vacancies of Asst. Supt. are present
vacancies. The two vacancies are kept
consequent on the departure of Sri
K.P.R. Menon (Senior Dy. Supt) to
U.S.A. Mr. Leffer (on leave of
absence). Mr. Leffer is expected
back in August. His due return
on previous period is Dec. 1949.
The first one of the Asst. Supt. will
be vacant in August.

Even if a vacancy of Asst.
Supt. arises, it cannot be filled
by an outside like Sri Sukumaran
under the Commission's condition that

From the S.G.P. to S.B.C. Madras 24.6.49.

The S.G.P. reports that Sri
TV. Sukumaran may be considered
by Govt. for appointment for the
post of Dy. Senior Engineer,
Machin Dept. which is at
present vacant & has since been
filled vacant.

2. The post of 'Dy. Senior
Engineer' is now no doubt kept
in the present service conditions till
26.6.49. No 'ad hoc' rule
has been found for the post.

4
 The post will normally fall under the Govt Press Subordinate Service at that or part of the time from I was Class I with some no other rules are necessary for this post. If this post is considered to form part of the Govt Press Subordinate Service, it does not seem possible to recruit men direct to the post. A person from the lower grade assuming the requisite qualifications will have to be promoted to the post. It will therefore be necessary to relax the rules if Sri Sukumaran is to be appointed to the post direct. The rules of Public (Service) may be modified.

 Please see the note of P. S. above. The above note proceeds on the assumption that Govt. Service Subordinate Service Rules do not apply to the post in question in view of the provisions in the rules as at X on 1-4-49. Legal has been consulted on the applicability of these rules to the person who holds posts to which Govt. Service Rules apply after subsequent to that date. A decision on this question may be awaited.

With reference to K above the question of applying the Govt. Press subordinate service rules to those who joined the service after 26.5.1930 with retrospective effect

has been taken up separately. The file with draft notification has been sent to Pub (Ser) and Legal. It may be assumed that these rules are applicable to the posts in question. In that case Pub (Ser) may be requested whether the issue of ad hoc rules is necessary for recruitment to these ^{temporary} posts.
