Sub: Grant of Financial assistance to displaced

Sir,

Part 1 Sec
No. 6937/49-1

I am directed to state that the Government of India have had under consideration the question of granting financial assistance to those displaced students and trainees in whose case there is a gap between the date of their passing a University, Board or College examination either in 1947 in Pakistan or in 1947 or 1948 in the Indian Union by an academic test or by performing recognised social service and the date of resumption of the next stage of studies in India. The Government of India are pleased to direct that in such cases financial assistance may be given to those displaced students and trainees who have joined some institution in India for the prosecution of their studies before the first term in the year 1949. Students who have been unable to resume studies by the 1st term in the year 1949 may also be assisted provided the provincial/state Government are satisfied that the gap is due to some valid reason like:

- want of a home,
- loss of parents, and
- time taken in making arrangements for financial assistance etc.

Yours faithfully,

Tara Chand

Grant of financial assistance to
displaced students qualifying
through social service.

Sir,

I am directed to state that the Government of India have decided that no distinction should be made between the displaced students who have qualified through the East Punjab University by doing social service and those who qualify by appearing at some regular examination, in regard to the grant of educational loans for medical and engineering studies. The grant of educational loans to displaced students qualifying through social service will be subject to the conditions prescribed in this Ministry's letters of even number, dated the 11th February, 1949 and 26th March, 1949 and letter No. 162-R&R, dated the 8.1.48, as amended from time to time.
