Sir,

Sub:- Monotype metal - Purchase of - Sanction requested -

Due to printing of Electoral rolls, of a large quantity of Monotype metal is locked up in the already set up matter which in the initial stages cannot be released to maintain a regular supply to Monotype composing machines. As all available metal has been released, 10 tons of Monotype metal 6/16 (6% tin, 16% antimony and the balance lead) are required now to push through the printing of electoral rolls and other jobs.

I called for quotation for Monotype metal 6/16 from the various type metal dealers and the cheapest rate quoted by Messrs. Vernon & Co., Ltd., Madras is Rs.101/- per cwt (Rs.2020/- per ton) nett F.O.R Madras exclusive of Bombay Sales Tax as the supply will be made by their Printipals at Bombay. The total cost of 10 tons of type metal works out to Rs.20,200/- exclusive of Bombay Sales Tax and delivery charges.

I request Government to accord sanction for a sum not exceeding Rs.21,000/- to incur the expenditure including Bombay Sales Tax and delivery charges.

The expenditure will be met under "56 Stationery and Printing d. Government Presses (Madras)F. other expenditure 4 stores purchased in India" by re-appropriation if necessary.
