Sir,

Ref: Recruitment to Madras Educational
Service (Men's Branch - Exemption
from age limit by one day - Re-
consideration of -

As per advertisement of the Public Service Commission inviting applications for appointment as District Educational Officers, it was stated that persons born on or after 2.7.1909 should apply.

I was born on the night of 1.7.1909 and the early hours of the 2nd July 1909. As per Hindu system of counting days the period from morning to morning is computed as a day. As my people counted days according to the old system my date of birth as per official records is 1st July, 1909, though I was really born on the 2nd July, 1909. Thus due to the difference in the method of reckoning, I became ineligible to apply for the post though I satisfy all other conditions required for the post.

So, I applied on 6.12.48 to the Secretary, Education Department Government of Madras for exemption from age limit by one day. But I received a communication refusing exemption from age limit.

This being a case of real hardship, I request permission to submit this application for reconsideration of the Honourable Minister to view my case sympathetically and exercise the prerogative vested with the Government for granting exemption in deserving cases.

In addition to the above submission, I beg leave to state that I have rendered valuable service to the Government during the WAR PERIOD as WAR PUBLICITY ASSISTANT, Poonamallee and helped to recruit personnel for Military service both from staff and pupils.

Further, I recently underwent the intensive course of training in Citizenship under the reorganised Secondary School Scheme. At present I am the Headmaster of the Board High School, Karunguzhi.

Under these circumstances I humbly request the Honourable Minister to reconsider my case sympathetically and exempt me from age limit which in my case is beyond the limit fixed by the commission by a SINGLE DAY.

I beg to remain,
Sir,
Your most obedient servant,

P. Indrabogu

HEADMASTER.

addressed to the Hon.Minister for Edn.

Sri P. Indrabogu Mudr. is informed

that the ~~xxxx~~ matter will not be reconsidered.

NOTE:-

The headmaster's previous petn. is at
"L"/3. H.M. saw the case - "L"/23. No new con-
sideration has been urged in ~~the~~ present petition.
Draft above is for appl. For orders as to issue
or circn.

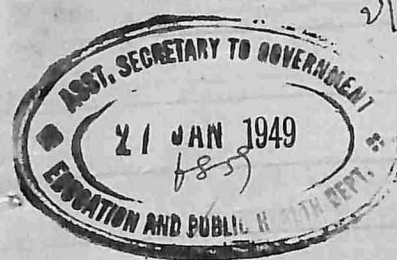

The petitioner's age limit exceeds by one day. I think he may be given an exemption and his application may be asked to be considered along with others. If circulation to H.Pr. is necessary for the exemption, that may be done.

Apparently, the petr. has not already sent his appln. to the MISC in anticipation of the grant of his request to Govt. The Commn. has therefore to be informed of the Govt.'s proposal and asked first if it has any objn. to entertaining the appln. at this stage. If it has no objn., then the H.M. may be told to submit the appln. and the relaxation of the age-rule in his favour may be ordered so that the Commn. may proceed with the appln.
