Subject:- NATIONAL CADET CORPS - JUNIOR DIVISION - TRAINING GRANT

Sir,

I am to invite your attention to this Directorate letter No. 0238/49/NCC dated 13 July 1949 "N.C.C. - Allotments of units and expenditure in 1950-51". In para 8 of this letter, it has been suggested that the existing Junior Division units should receive payments as shown in Appendix 'A', sheet 2, of that letter, wherein no provision has been made for a training grant to these units. It has now been found from experience that these units require money to make up training requisites, which are essential if the training of the cadets is to be realistic and efficient. The items required are targets, target paper, aiming discs, sandbags etc.

2. I am, therefore, to request that the Liaison Officer, Junior Division Units, should be given an annual grant of Re.1/- per Junior Division cadet. He will be responsible to buy necessary items of stores for training purposes and issue them to Junior Troops. A ledger showing items bought and how they are distributed, as also an account of money expended shall be maintained by him.

3. I am to add ^{that} such a grant will not be necessary next year for the existing units, as the expenditure on these items will be met from the Capitation Grant which the unit earns. Such a grant will, however, have to be made for any new Junior Division units you may raise next year. I request that necessary amendment may, therefore, be made in the figures shown in Appendix 'A', sheet 2, of our letter quoted above.

Yours faithfully,
