I have had a talk with Mrs. Lakshmi Ammal, Principal of the Lady Willingdon Training College, who has been in the Basic Training School for the last few days observing things going on here. She told me that one of her School Assts., undergoing basic training here is an M.A. Second Class and has been selected for the Asst. Lecturer's post and she feels confident that she can start basic education with the help of that lady. That may be done.

Orders may be issued for the starting of basic education in the Lady Willingdon Training College. This may be treated as special and orders issued so that they may have sufficient time before starting.

(B) 23CF Please see the order in No. 3361 Edn 8.29.12.48. This dept had proposed that basic education might be started in the Teachers College, Saidapet and the Lady Willingdon Trg. College. But on the coming of the 8th dept the new course was restricted to the Teachers College, Saidapet and the propose to start it in the Lady Willingdon Trg. College was deferred. For orders whether the previous decision will be modified. Finance may see before circulation.

In connection with the proposals for the introduction of Basic Education as an optional subject in the B.T. course from the academic year 1949-50, in the Teacher's College Saidapet and in the Lady Willingdon Trg. College, Madras this draft ~~has~~ pointed out that it was enough if the course was introduced in the Teacher's College Saidapet alone in the first instance, as the number of students seeking admission in the B.T. course for this new subject ~~was not~~ likely to be many at the beginning. This view was accepted in the orders in circulation also. Hon (Edn) has now stated that Basic Education should be started in the Lady Willingdon Training College also. It is presumed that the proposal will involve the employment of one ^{add} Asst. Lecturer on Rs 150 - 250 in the Lady Willingdon Trg. College. The extra cost involved ^{on this account} will be Rs 3,300 p.a.

E.P.H. may be requested to take orders in circulation including Hon (Fin) on this point.

In my letter R.C.No.170-M/48 dated 20.10.1948 I submitted proposals for the employment of one Assistant Lecturer in Basic Education in each of the two Government Training Colleges viz. Teachers' College, Saidapet and Lady Willingdon Training College, Madras, in view of the inclusion of Basic Education as an optional subject in B.T.Course of the Madras University with effect from the academic year 1949-50. In their order referred to above the Government sanctioned the proposal in respect of the Teachers' College, Saidapet but deferred it in the case of the Lady Willingdon Training College, Madras. I may point out in this connection that the revised syllabuses for the B.T.course, besides providing for the Theory and Practice of Basic Education as an optional subject with effect from 1949-50, include a study of the principles and Methods of Basic Education in the compulsory subjects (Via. General principles of Education, Educational Psychology, General Methods and school organisation and Hygiene) with effect from 1949-50. Thus, apart from the question of providing Basic Education as an optional subject in the Lady Willingdon Training College also from the next academic year in view of the demand for it, there will be a definite need for an Assistant Lecturer in Basic Education in the college from 1949-50 to teach the Principles and Methods of Basic Education included in the syllabuses for compulsory subjects. In the circumstances I request that the Government may be pleased to approve the proposal contained in my letter R.C.No.170-M/48 dated 20.10.1948 in respect of the Lady Willingdon Training College also.

Yours faithfully,
