G.O. No. 3584, 22nd November 1949

Libraries—Public—Grants for District Boards, Municipal Councils, co-operative societies and private associations —Distribution for 1949-50—Sanctioned.

READ—the following papers :—

G.O. No. 2001, Education, dated 22nd June 1949.

From the Director of Public Instruction, dated 31st October 1949, R.O.C. No. 996-J/48.

Order—No. 3584, Education, dated 22nd November 1949.

The Government sanction the distribution of a sum of Rs. 41,845 in the current year as grants for the public libraries mentioned in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to the following conditions :—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public, should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased for libraries including those maintained by co-operative societies, should receive the prior approval of the District Educational Officer or the Inspectress of Girls' Schools concerned, as the case may be. The books to be purchased should conform to the rules mentioned below :—

(*a*) They should be of a high cultural value like those of Sri Ramakrishna, Swami Vivekananda, Mahatma Gandhi, Pandit Jawaharlal and others.

(*b*) The books, if they are stories or novels, must be by standard authors and must not be of a vulgar type.

(*c*) Books abusing other communities or religions should not be purchased.

(*d*) Books or magazines which are vulgar or which contain vulgar pictures should not be purchased.

(v) A register of books should be maintained in each library. In addition, a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during Inspecting Officers' visits to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the Inspecting officers.

(vii) The management should make a contribution from its own funds of an amount equal to the grant sanctioned by Government. The expenditure incurred by the management on the purchase of periodicals, newspapers, binding books, printing catalogues, on establishments, and on maintenance of the library, during the period from the 1st April of the year in which the grant is sanctioned, will be taken as part of the contribution payable by the management.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current official year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department—District Educational Officers or the Inspectresses of Girls' Schools, as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the Inspecting officers of the Education department, as the case may be, on the production of the necessary vouchers.

G.O. No. 3584, 22nd November 1949

Libraries—Public—Grants for District Boards, Municipal Councils, co-operative societies and private associations—Distribution for 1949-50—Sanctioned.

READ—the following papers :—

G.O. No. 2001, Education, dated 22nd June 1949.

From the Director of Public Instruction, dated 31st October 1949, R.O.C. No. 996-J/48.

Order—No. 3584, Education, dated 22nd November 1949.

The Government sanction the distribution of a sum of Rs. 41,845 in the current year as grants for the public libraries mentioned in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to the following conditions :—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public, should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased for libraries including those maintained by co-operative societies, should receive the prior approval of the District Educational Officer or the Inspectress of Girls' Schools concerned, as the case may be. The books to be purchased should conform to the rules mentioned below :—

(*a*) They should be of a high cultural value like those of Sri Ramakrishna, Swami Vivekananda, Mahatma Gandhi, Pandit Jawaharlal and others.

(*b*) The books, if they are stories or novels, must be by standard authors and must not be of a vulgar type.

(*c*) Books abusing other communities or religions should not be purchased.

(*d*) Books or magazines which are vulgar or which contain vulgar pictures should not be purchased.

(v) A register of books should be maintained in each library. In addition, a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during Inspecting Officers' visits to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the Inspecting officers.

(vii) The management should make a contribution from its own funds of an amount equal to the grant sanctioned by Government. The expenditure incurred by the management on the purchase of periodicals, newspapers, binding books, printing catalogues, on establishments, and on maintenance of the library, during the period from the 1st April of the year in which the grant is sanctioned, will be taken as part of the contribution payable by the management.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current official year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department—District Educational Officers or the Inspectresses of Girls' Schools, as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the Inspecting officers of the Education department, as the case may be, on the production of the necessary vouchers.

G.O. No. 85213. From the D.P.I., R.O.C. No. 996-J/48, dated, 31-10-49.

Libraries — Public — Grants for 1949-50 — Distribution — Proposals.

The D.P.I. in his letter read above, has submitted proposals to Govt. for the distribution of grants to public libraries for the year 1949-50, as required in G.O. No. 2001-Edn., dated, 22-6-49.

2. A provision of Rs. 1 lakh has been made in the B.E. for 1949-50 for the payment of grants to public libraries maintained by local bodies, private associations and ~~from~~ gramasangams. But the D.P.I. has submitted proposals for the distribution of grants ~~to~~ amounting to Rs. 95,565/- (Rs. 41,845/- for libraries maintained by district boards, municipal councils, co-operative societies and private associations, Rs. 38,200/- for libraries maintained by panchayat boards and Rs. 15,520/- for libraries maintained by gramasangams) only. The reason adduced by the D.P.I. for his recommending a smaller amount for grants than the sum allotted for the purpose is that the grants to libraries have been recommended having regard to their usefulness, the recommendation of the inspecting officers and the amount spent by them last year, etc. The recommendation

of the D.P.I. may (Draft) be accepted. ~~These draft orders~~ have been submitted for approval. ~~Finance, L.A., Devt. & Rev. Depts. may see before issue~~

3. The proposals mentioned in paragraph 5 of the D.P.I.'s letter on page 1 d.7. may be examined if and when they are received by Govt. The Director also requests that orders may be passed on his letter in the d.7. independently of these proposals.

4. Fin., L.A., Devt. & Rev. Departments may see the drafts ~~orders~~ before issue.

Necessary amendment to the order at (P) has been indicated in pencil. Sir,

Sub:-Education-Public Libraries-Distribution of grant for 1949-1950.

Ref:-G.O.No.3584-Edn.& P.H. dated 22-11-1949.

In accordance with the instructions contained in G.O. No.2001.Edn. dated 22-6-1949, application for the sanction of grants to the Municipal Reading Room and Library, Sivakasi was sent to the District Educational Officer, Ramnad (at) Mathurai in my Roc.B3. 5809/49 dated 26-8-1949. The Director of Public Instruction was also requested to recommend the sanction of the grant. The Director of Public Instruction also informed me in his N.Dis.No.1465/49 dated 14-12-1949 that he has sent up the proposal to Government for sanction But in G.O.No.3584.Edn & P.H. dated 22-11-1949 the Government have not sanctioned any grant to the Municipal Reading Room and Library,Sivakasi while sanction has been accorded under serial No.267 in the above G.O. for the Municipal Reading Room and Library, Sivaganga. As Sivaganga is not a Municipal Town, it is persumed that the amount sanctioned under S.No.267 is for the Municipal Reading Room and Library, Sivakasi. I therefore request that the Government may be pleased to clarify the position and sanction the grant for the Municipal Reading Room, Sivakasi at an early date.
